

Geagte Ouers

## Lewenslesse

Wanneer 'n mens met suksesvolle sportmanne/vroue, sakemense en akademiese presteerders praat, is daar een gemene deler. Hulle fokus op hulself en op wat hulle moet doen. Dit is iets wat sommige ouers by die skool nie verstaan nie. Hulle is so gefokus op wat ander mense doen, dat hulle vergeet wat hulle self veronderstel is om te doen.

Gee twee stukke koek aan twee kinders, maar maak seker dat die een stuk heelwat groter as die ander een is. Chaos, groot probleme want dit is onregverdig, hoe kan ons 'n kind vra om te kies? Maklik – die fokus sal op hom- of haarself wees en die grootste een sal geneem word. Nie wat ons wil hê nie, maar die werklikheid.

Kom ons fokus op onself in die lewe en op dit wat ons moet doen, en laat ander mense in vrede om te doen wat hulle moet doen.

## Onderhoude

Terwyl ek met 150 ouers ( nuwe ouers asook huidige ouers) onderhoude gevoer het gedurende die afgelope twee weke, het ek weer eens besef dat dit 'n eer vir my is om deel van die Sunridge-familie te wees. Ek staan verstom oor die positiewe gees van hierdie ouers en die waardering vir Sunridge en dit wat ons aanbied.

Ek besef weereens dat die ou gesegde "kla met die witbrood onder die arm" nie net waar is nie, maar ook 'n realiteit. Ons het aan die diens en onderrigstandaard van Sunridge gewoon geraak en ons is geneig om te glo dat dit die norm is.

Ons kinders is bevoorreg om onderrig van 'n baie hoë standaard te ontvang en ons behoort die onderwysers te bedank, ongeag ons persoonlike oortuigings. Ons geriewe is in baie goeie toestand, goed versorg, en ons moet dit so hou.

As ek so na die kinders kyk, besef ek net weer hoe bevoorreg ons as opvoeders is om met Sunridge-kinders te werk. Die meeste van ons kinders respekteer hul onderwysers en ons geriewe. Dit is 'n plesier om hulle te onderrig en om die onderwys te dien. Kom ons hou dit so en onthou dat ons met die vermoë om te verander, gebore is en ook in staat is om 'n verskil in iemand anders se lewe te maak. Dit is 'n geleentheid wat ons moet benut.

'Skyn helder vir Sunridge' is nie net 'n slagspreuk nie, maar dit kan 'n leefstyl en voorbeeld vir ander word, indien ons verkies om dit te doen.

**Geduld** wanneer ons ons kinders by die skool op- of aflaai, is 'n keuse. **Vriendelikheid** en 'n sagte woord is 'n leefstyl. **Geluk** hang 90% van uself af.

Geniet die lang naweek as u in die bevoorregte posisie is om dit te doen, indien nie, baie dankie vir u harde werk.

Dear Parents

## Life Lesson

Successful sportsmen/women, businesspersons and academic achievers will share one thing in general. They focus on themselves and on what they must do. This is something parents tend to miss at school. We are so focused on what others do that we forget to do what we must do.

Present two children with two pieces of cake, make sure the one is visibly bigger than the other, and ask the children to choose a piece. Havoc would result because it's unfair. How can we ask a child to choose? Easy, the focus will be on him or herself and the biggest piece would be chosen. This is not what we want but unfortunately this is the reality.

In life, let's focus on ourselves and what we need to do and let the others be.

## Interviews

Meeting 150 new and current parents has helped me realise what an honour it is for me to be part of the Sunridge family. I was stunned by the positive "vibe" of these parents and the appreciation for Sunridge and what we offer.

I again realised that the old saying to "complain with the white bread under our arms" is not only true but a reality. We have become so accustomed to the service and standard of education at Sunridge that we tend to believe that it is the norm.

Our children are privileged to receive education of a very high standard and we should thank our teachers, irrespective of our personal beliefs. Our facilities are in a very good condition and well looked after and we should keep it that way.

I also realised how privileged we are as educators to work with Sunridge children. The majority of our children respect their teachers and our facilities. They make it a pleasure to teach and to serve education. Let's keep this up and let's remember that we were born with the ability to make a difference and to change someone's life is something we must not waste.

Shine bright for Sunridge is not only a motto but it can become a contagious lifestyle should we choose it to be.

**Patience** when dropping off our children at school or when picking them up is a **choice**. **Friendliness** and a kind word is a **lifestyle**. **Happiness** is 90% your own doing.

Enjoy the long weekend if you have the privilege to do so, if not, thanks for working.

## FOCUS ON *Debby Hendricks*

**EARLY LIFE:** I was born in East London and went to primary school there. Have lived in PE since I was 13. I loved school and was always involved, hence the reason I became a teacher.

**FAMILY LIFE:** I am married to Glenn and we are blessed with a daughter and a son. Rylee is 5 and Cole is 3. My husband and I have been friends since we were 13. I love spending time with my family and my friends.

**CAREER LIFE:** After varsity I went to the UK and lived there for 3 years. I worked at many different schools and learnt a great deal about teaching. I taught blind children, nursery children, partial hearing children and all sorts in between.

**ACCOMPLISHMENTS:** My greatest accomplishment are my children. It really is a very big deal being someone's Mommy.

**INTERESTING FACTS ABOUT YOURSELF:** I enjoy jogging and doing trail runs. I love running along our beautiful beachfront. I am a shocking cook but love eating good food!

Please answer the following five questions:

1. What, if anything, have you ever re-gifted? Being a teacher I have re-gifted a few things ...
2. Do you have any strange phobias? I really don't like feet. I can only touch my children's feet.
3. Can you play any instruments? I have no musical ability but I had to learn to play the recorder at varsity.
4. Do you still have your tonsils? Yes
5. What is the first thing you notice about people? Their feet.
