Dear Parents

Sunridge is growing in every way and our children are excelling on all levels in our community. It is marvellous to see them enjoying themselves and living a positive life. Please follow our children's achievements on Facebook and the D6 Communicator.

On Saturday we will be meeting our 150 new Gr 1 learners for a "Know your school" day. There was such a huge interest that we reached our numbers very early on.

Some parents would like to apply now for 2017 to 2019, but according to Departmental regulations we are only allowed to accept applications for the following year from 7 April.

The applications for other grades also exceeded our expectations and once again the interest in our school is overwhelmingly positive. It is a pity that we have to turn down so many applications, however, our school can only accommodate a certain number of children and we are not prepared to put our excellent facilities and education at risk.

Academic matters are high on our agenda. It is here that we see how our children progress as we introduce changes and reforms. This is the reason people choose our school above other schools and why we are such a popular choice. The building of the new Gr 2 classes is in the initial stages – this is something we are very excited about.

Our success on the sports field exceeded our wildest expectations. Our U/13A rugby team is the first in the history of EP rugby to successfully defend their EP Super 12 title. This does not change the fact that our other sports codes and teams also achieved great success on their own level and in their own way.

In the cultural field a positive mind-set has also resulted in unprecedented achievements. As a school we were singled out and rewarded for our positive participation and accomplishments.

The time has come when we invite all parents to a new netball development project which includes both courts as well as an impressive pavilion. Once again this does not take anything away from hockey, rugby, tennis, swimming, etc. This is the first phase and much more will follow. Our master plan for Sunridge is reaching a conclusion. It is a fact that some of the new developments will not benefit us in our lifetime, but what is more important is that it will be a part of the legacy we leave for Sunridge. For years we have been benefiting from the legacy that was left to us. Now it is our turn to make a difference and leave something special behind for our school.

Be positive and become involved if you are called – the choice is yours!

A supporter's club that focuses on families is also in the pipeline. This will be a club with a difference and I am so looking forward to it. What an incredible experience it is to meet these positive parents and to see how eager they are to support and promote our school and the interests of our children. Once again it takes nothing away from our current PTA who serve our school with love and are passionate about making a difference for our children.

Keeping all this in mind, I once again realise how blessed we are at Sunridge. Such positive parents can make a difference for the future of our children, our school, our city, our province and our country. The words "My God is so great!" reminds me that our future is positive.

The future is now – shine bright for Sunridge

Geagte Ouers

Sunridge groei op alle gebiede en ons kinders presteer huidiglik op alle akkers van die samelewing. Dit is wonderlik om te sien dat hulle dit geniet en so positief uitlewe. Volg gerus ons kinders se prestasies op Facebook en die D6 communicator.

Ons ontvang eerskomende Saterdag ons 150 nuwe graad 1-leerders vir 'n "Ken-jou-skooldag". Die belangstelling was so groot dat ons reeds baie vroeg vanuit ons onmiddellike omgewing ons getal bereik het.

Ons kry ouers wat reeds vir 2017 tot 2019 wil aansoek doen, maar volgens die Departementele Regulasies kan ons eers weer op 7 April 2016 aansoeke vir graad 1 vir die daaropvolgende jaar in ontvangs neem.

Die aansoeke vir ons ander grade het ons stoutste verwagtinge oortref en weereens is die belangstelling in ons skool oorweldigend positief. Dit is jammer dat ons soveel aansoeke moet afwys, maar ons skool kan slegs 'n bepaalde hoeveelheid kinders inneem en ons is nie bereid om ons puik fasiliteite en onderrig in gevaar te stel nie.

Akademie is hoog op ons agenda en dit is dan ook hier waar ons sien hoe ons kinders vorder soos ons die veranderinge en vernuwings aanbring. Dit is dan ook hier waar nuwe aansoekers ons bo ander skole uitsonder en dit maak ons 'n gesogte keuse. Ons toekomstige graad 2-Afrikaanse klasse se aanbou is tans in sy beginstadium, iets waaroor ons baie opgewonde is.

Die suksesse op die sportveld oortref dan ook ons verwagtinge. Die feit dat Sunridge se O/13A-rugbyspan die eerste span in die geskiedenis van die OP Super 12-toernooi is wat die titel suksesvol kon verdedig, is positief. Dit neem egter niks weg van ons ander sportsoorte en spanne wat op hulle eie vlak en gebied ook pragtig presteer het nie.

Die kultuurakker het ook reeds vanjaar met 'n positiewe ingesteldheid ongekende sukses bereik en as skool is ons uitgesonder en beloon vir ons positiewe deelname en prestasies.

Die tyd het dan nou ook aangebreek dat ons alle ouers gaan uitnooi vir 'n nuwe netbalontwikkelingsprojek wat beide bane sal insluit, asook 'n indrukwekkende pawiljoen. Weereens neem dit niks weg van hokkie, rugby, tennis, swem of wat ook al nie. Dit is 'n eerste fase in vele wat sal volg. Ons meesterplan vir Sunridge staan geleidelik na voltooiing se kant toe. Dit is dan ook so dat van ons dalk nooit by die nuwe aspekte sal kan baat vind nie, maar die belangrikste is dat ons deel is van die "legacy" wat vir Sunridge agtergelaat word. Ons benut en trek reeds jare voordeel aan die "legacy" wat ander vir ons agtergelaat het. Nou is dit ons beurt om 'n verskil te maak en iets besonder vir ons skool agter te laat.

Raak betrokke en val positief in as die oproep gemaak word, die keuse is joune !

'n Ondersteunersklub gefokus op families is tans ook besig om die lig te sien. Dit gaan 'n klub met 'n verskil wees en ek sien daarna uit. Dit is 'n ongelooflike ervaring wanneer ek die positiewe ouers ontmoet en sien hoe hulle Sunridge op hulle harte dra en ons kinders se belange wil bevorder. Weereens neem dit niks weg van ons huidige OOV wat ons skool ongelooflik dien en wat passievol met liefde 'n verskil vir ons kinders maak nie.

Met dit alles in gedagte, besef ek dat ons werklik geseënd is by Sunridge en dat sulke positiewe ouers 'n verskil vir ons kinders se toekoms in ons skool, in ons stad, in ons provinsie en in ons land kan maak. Die woorde "...my God is so groot!" laat my net weer besef dat die toekoms positief is.

Die toekoms is nou - Skyn helder vir Sunridge
