Geagte Ouers

'n Positiewe ingesteldheid verander alles en ons kinders is die bewys daarvan. Ons begin dan vanjaar meer intens werk met ons junior en senior kore. Dit is voorwaar 'n nuwe uitdaging wat positief ontvang is.

Ons is trots op ons kore wat saam met Elvis Blue'n fantastiese optrede gehad het. Ons twee kore het ongelooflik mooi gesing en ons opregte dank aan die toegewyde onderwysers en kinders.

Na verlede jaar se wonderlike seisoen vir die rugby en netbal was daar maar 'n paar skeptiese oomblikke oor die 2015-seisoen. Weereens het 'n positiewe ingesteldheid reeds sukses tot gevolg met ons O/13A-rugbyspan wat hard werk en reeds met sukses Sunridge se naam weer hoog hou. Die netbal- en hokkiespanne het dan ook so gemaak en tydens die onlangse toernooi te Framesby het hulle nie alleen hulle pragvertonings voortgesit nie, maar ons ook met hulle positiewe ingesteldheid verras.

Ons O/13A-krieketspan verras ook met positiewe ingesteldheid, goeie vertonings en oorwinnings.

Ons glo vas aan deelname en om kompetierend te wees. Alles gaan beslis nie net oor wen nie. Ons moet geleenthede gebruik om dit wat ons leer en inoefen ten toon te stel. Die gehalte van ons kinders se spel en gedrag is uitstekend.

Dankie aan die kinders en afrigters vir harde en gereelde werk. Dit is dan ook die enigste manier waarop ons op akademiese gebied ook goed kan doen.

Wonderlik om tydens ons "Boeliedag" te sien en te ervaar hoe positief ons kinders ook die aspek sien en aan die poging om "Boelie" aan te spreek, deelneem.

Ek sal my plig versuim as ek nie melding maak van ons ouers se positiewe gedrag langs die sportveld nie. Selfs daar waar ons aan die verloorkant was, was ouers steeds positief en het gehelp met opbouende kommentaar.

So hardloop Jarred Rees en Clarise Moolman ook die wêreld aan die brand en is hulle twee oppad SA's toe. Adam Garisch klits die tennisballe vir OP en dan dans ons kinders dat die stof so staan vir OP. Gimnastiek, tweekamp en met nagtegaalstemme in die OP-koor maak Sunridge 'n verskil.

Ons skep en gee geleenthede vir ons kinders om op verskeie vlakke deel te neem. Help ons om positief te bly en op te tree sodat ons kinders op alle gebiede wenners kan wees. Onthou dat wenners nie noodwendig die A-kandidaat of die wenner van die wedstryd is nie. Wenners is ook hulle wat 'n verskil maak.

Dear Parents

A positive attitude changes everything and our children are living proof of that. This year we are focusing more intensely on our senior and junior choirs. This is indeed a new challenge which has been positively received.

We are so proud of our junior and senior choirs outstanding performance with Elvis Blue. This was an unforgettable experience and we wish to thank our dedicated teachers and children.

After the wonderful rugby and netball season we had last year, there were a few doubts about the 2015 season. Once again a positive mindset has paid off, with our U/13A rugby team working hard and keeping the Sunridge flag flying high. The netball and hockey teams have done the same and during the recent tournament at Framesby, impressed us not only with their performance but also with their positive attitude.

Our U/13A cricket team also surprised us with their positive mindset, good performance and victories.

We are committed to participation and nurturing competitive attitudes, however, winning is not everything. We must make use of the opportunities presented to us to demonstrate what we have learnt and practiced. The quality of our children's performance and behaviour is excellent.

Thank you to our children and coaches for their regular, hard work. This is also the only way to excel in the academic field.

It was wonderful to see and experience how positively our children tackled and addressed the bullying problem during our "Bully Day".

I will not be fulfilling my duty if I do not mention the positive attitude of our parents next to the sports fields. Even when we were not winning, our parents remained positive and passed constructive comments.

Jared Rees and Clarise Moolman have run their way right to the athletics SA Championships. Adam Garisch has also played his way into the EP tennis team. Our children are also dancing up a storm for EP. With gymnastics, biathlon and little nightingale voices in the EP choir, Sunridge makes a difference.

We create opportunities for our children to participate on various levels. Please assist us in remaining positive so that our children can be winners on all levels. Be mindful that winners are not necessarily the A candidates or the winners of matches – winners are also those who make a difference.

FOCUS ON: *Leanne Mackilligan*

EARLY LIFE: I spent the first 9 years of my life in Johannesburg where my parents met and married. My family decided to move to the quiet town of Jeffreys Bay in 1995 where I enrolled at Jeffreys Bay Primary School. I then completed my high schooling at Nico Malan in Humansdorp.

FAMILY LIFE: My parents are both from Scotland and met and married in South Africa. My younger sister and myself were born in Johannesburg. My father works at Dimension Data and is a computer engineer while my mother is currently the secretary of the Methodist Church in Jeffreys Bay. I moved to Port Elizabeth in 2008 when I began my studies at NMMU and I now live in a flat with my sister in South End.

CAREER LIFE: The first time I taught a class was during my practical year of training at university. I did my practical teaching at Summerwood Primary School. I started my teaching career at a private school in 2012. I spent 2 years at this school and taught very small classes of learners (no more than 12 in a class). I then received the opportunity to work at Sunridge Primary school. This is my second year Sunridge Primary and I have enjoyed every second.

ACCOMPLISHMENTS: I completed a Bachelor of Arts, majoring in Psychology and Communications, at Varsity College and Unisa in 2007. After this, I was lucky enough to receive a Funza Lushaka bursary through NMMU and completed my Bachelors in Education, graduating Cum Laude.

INTERESTING FACTS ABOUT YOURSELF:

- I have been lucky enough to travel to many countries as I have grown up. I have been Scotland a few times to visit my grandparents but also had the opportunity of doing a Contiki Tour with my best friend when I turned 21. I visited 10 counties in Europe in 10 days. It was a great experience.
- I have never broken a bone in my body – touch wood!
- I used to teach children how to surf when I was 17.

Please answer the following five questions:

1. **Have you accepted a dare that you later regretted and what was it?** I was dared as a teenager to put a teaspoon of chilli sauce in my mouth. I accepted the dare and after 2 glasses of water and 1 glass of milk, I vowed to never do it again.
2. **What's your favourite flavour Pizza?** Ricotta and Mushroom.
3. **Do you have any strange phobias?** I do not have any phobias, but I can say that I dislike moths. Especially the way they fly around in circles and smack into everything in their path.
4. **What is your favourite cereal?** Fruit Loops or Co-co pops.
5. **Choose a movie title for the story of your life.** The NeverEnding Story.
