

Geagte Ouers

Eksamen word selde in 'n positiewe lig gesien – inteendeel, dit is 'n omstrede onderwerp wat ons soms sover moontlik vermy. Ons moet ons kinders aanmoedig om na die eksamen uit te sien. Dit is 'n ingesteldheid wat van vroeg in 'n kind se lewe reeds vasgelê moet word. Dit moet beskou word as 'n geleetheid om te wys hoe goed jy geleer het en wat jy deur die loop van die jaar vermag het.

As jy jou kant gebring het, is dit net 'n kwessie van terugvoer gee. Ja, ek weet dis nie so eenvoudig nie en dat dit 'n stresvolle tydperk is, met Mamma en Pappa wat net so hard leer en wie se geduld tot die uiterste beproef word. Die behoefte om die hoogste punte te behaal, is gelyk aan die verwagting om goed te doen!

Mislukking is 'n realiteit op elke eksamendag en die onsekerheid van die uitslag vreet ons op.

Dis water wat verby is en die meul sal nooit weer daarmee maal nie. Gedane sake het geen keer en dinge wat deur die loop van die jaar gedoen is, kan nie omgekeer word nie. Die toekoms is nou, so doen jou bes en los die verlede waar dit hoort – in die verlede.

My taak is om die beste moontlike omstandighede gedurende die eksamen vir kinders en onderwysers te skep. 'n Moontlike studierooster is aan alle ouers gestuur – pas dit gerus aan om by u huishouding in te skakel. Ons het genoeg tyd toegelaat vir leerders om te rus, studeer, eet, speel en slaap sodat hulle die eksamen met die regte ingesteldheid kan aanpak.

Ek wens alle kinders alles van die beste toe vir die eksamen, ek bid vir kalmte en, ongeag die uitslag, bid ek die seën van die Here oor elkeen toe. Indien jou beste 50% is, dan is dit 50%, indien dit 90% is, dan is dit 90%.

In die laerskool is die beste uitkoms om so goed moontlik na die volgende graad te vorder. Ons het nog tyd om vaardighede te ontwikkel en vir hoërskool voor te berei. Kom ons doen dit op 'n positiewe en bemoedigende wyse.

Ons wens almal voorspoed toe.

Bly op hoogte

Laai asseblief die D6 Communicator op u rekenaar of selfoon af. Lees die huiswerk-eposse en bly op hoogte van skoolsake. "Like" ons Facebook-blad en lees die skoolnuus. Met die regte toepassingsprogram is dit moontlik op Android- en Apple-stelsels.

Let asseblief daarop dat, as gevolg van werk aan ons netbalbane, 'n pamflet op 18 November 2015 uitgestuur is met reëlins vir die op- en aflaai van kinders.

Dear Parents

Exams, a topic we seldom see as positive, a controversial one and sometimes one towards which we turn a blind eye. We must encourage our children to look forward to the exams. This is an attitude which should be embedded early on in our children's life. It should be seen as a time during which you are granted the opportunity to demonstrate how well you learned and what you accomplished during the year.

If you have done your share, it's just a case of reporting back. Yes, I know it's not that simple and that it's stressful at times. Mum and dad are studying just as hard and our patience is tested to the breaking point. The urge to reach the highest mark is equal to the expectation of doing well!

Failure is looming around every exam and the uncertainty of the outcome eats us from inside.

The water that has passed under the bridge can never pass under it again. You cannot regret what was not done, or what was done throughout the year. The future is now, so do your best and let the past be the past.

It's my task to ensure the best possible environment is provided for children and teachers alike during the examinations. A possible study timetable was forwarded to all parents; adapt it to fit your household. We create sufficient time for learners to rest, study, eat, play and sleep so that they can enter the exam with the right mind set.

I wish all children the best for the exam. I pray for calmness and, irrespective of the outcome, for the blessing of our Lord on each one of them. Should your best be 50% let it be 50%, should your best be 90% then let it be 90%.

In primary school the best outcome is to progress, with the highest mark possible, to the next grade. We still have time to develop skills and to prepare for high school. Let's do this in a positive and uplifting manner. Best of luck to all.

Stay in Touch

Please load the D6 communicator onto your computer or cell phone. Check your homework e-mails and stay updated on school matters. "Like" our Facebook page and stay in touch with news from the school. This is possible on Android and Apple systems with the right application.

Please take note that a flyer was sent out on 18 November 2015 with arrangements for drop off and collections, due to the alterations to our netball courts.

FOCUS ON: *Amber Hugo*

EARLY LIFE: I am a farm girl through and through, born and bred in the foothills of the Drakensberg. I attended primary school in Maclear, and was then sent to boarding school at Girl's High School Queenstown. I first studied Marketing and Business management, but later decided to pursue a career in teaching and have a B. Ed. (foundation phase) from UNISA

FAMILY LIFE: I am married to a wonderful man with two children, Tatum and Struan. Tatum is going into matric at Alex, and Struan is in Grade 8 at Grey.

CAREER LIFE: My husband and I owned a Supermarket in Elliot where I helped with the Admin side. We decided to sell the business and move to the "big smoke" so that our children did not have to go to boarding school. When we moved to P.E. I decided to teach full time.

ACCOMPLISHMENTS: My biggest accomplishment so far is staying out of trouble :), but I have won a trout fishing competition and come third in the Elliot Bike Rally (woman's section). Oh... and of course staying sane with two teenagers in the house.

INTERESTING FACTS ABOUT YOURSELF: I have a passion for the outdoors, and love to fish and ride in the mountains with my family and friends. Sadly since we moved to P.E., we have had little time for this and have replaced our bikes with a caravan.

Please answer the following five questions:

1. **What was your favourite TV show when growing up?** I grew up on a farm where the generator was only switched on for the News, and by the time we got Eskom, I had been despatched to boarding school where little or no T.V. was allowed.
2. **Do you have any strange phobias?** no
3. **Are you addicted to any strange hobbies/activities?** I love to read, and I voraciously devour copious amounts of reading matter whenever, and wherever possible. I also love to cook and bake, and have catered for many family and friend's functions.
4. **What is your favourite lunch meat?** Being a farm girl, I love all meat, but a well braaied mutton chop does the trick.
5. **What is the first thing you notice about people?** I don't think I focus on any one particular feature or trait, until I know them better.
