Dear Parents

Moving forward

We have installed water filters for all learners. This will give our learners access to clean, filtered drinking water. Learners need to bring a water bottle which can be refilled at school throughout the day to ensure they drink enough water. Please support us by educating your child on how to fill his/her bottle without wasting water and to use it with care. This is a privilege offered to our children and we must inform them of this.

This makes us one of the few schools able to provide this at no extra cost, putting the health of our children first. Sunridge Cares! Our children lead the way in a variety of aspects in life and by showing COMPASSION we can move forward with our values. RESPECT will stand as our key value and for 2016 we need to add compassion.

We as adults need to show our children this through our actions. Actions speak louder than words. What a challenge to take on!

Development

The Netball courts and pavilion are slowly taking shape and the target date is set for the end of February 2016. This will definitely set a new standard, and other sport codes are just as eager to follow with their wish list for development. We cannot wait to see what the future will unlock.

The obligation to ensure two grade 2 classes are built remains a priority. We are awaiting the approval from the department and the master plan to guide us on how to achieve this. The money for this project is kept aside and it's a comfort to know that netball is taking care of itself and setting a goal and target. We are eager to challenge other sport and cultural codes through creativity.

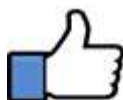

Our prefects are also taking up a challenge to leave a legacy and again we cannot wait to see their creativity. Rome was not built in a day and we should apply this by being part of laying a foundation others may enjoy after we move on. We should do this with the knowledge that we already benefit from others who laid the foundation for us to enjoy. Let's continue a legacy and leave something behind for others to enjoy.

Support

We support the "Anibrandfees" and tickets will be available at the school. Why? The money from this festival goes towards the **disabled** and creates an opportunity for us to give our support. Through this, our cultural department will also be able to take part should they wish to do so, creating an opportunity without any obligation. As in the past they will support us by handing out our Sunshine Festival Flyers.

Sunshine Greetings

Geagte Ouers

Die Pad Vorentoe

Ons het nou waterfilters geïnstalleer, wat aan al ons leerlinge skoon gefiltreerde drinkwater voorsien. Leerlinge moet net 'n waterbottel skool toe bring, dan kan hulle enige tyd van die dag die bottel volmaak en sodoende genoeg water drink. Help ons asseblief om u kind te leer hoe om hul bottels versigtig vol te maak, sodat daar nie water gemors word nie. Dit is 'n voorreg wat ons kinders geniet en hulle moet geleer word hoe om dit reg te benut.

Dit maak van ons een van die min skole wat waterfilters teen geen ekstra koste voorsien en dus die gesondheid van ons kinders voorop stel. Sunridge Sorg!

Ons kinders is leiers op vele gebiede en deur DEERNIS te betoon, kan ons ons waardes uitbrei. RESPEK is ons sleutelwaarde en vir 2016 voeg ons DEERNIS by.

Ons kinders is jonk en ons as volwassenes moet die pad aantoon deur ons dade – dade spreek harder as woorde en dit is ons uitdaging. Ons kinders is gereed om hierdie waarde te aanvaar deur die voorbeeld wat ons stel. Wat 'n uitdaging!

Ontwikkeling

Die bouwerk aan die netbalbane en pawiljoen vorder fluks en die mikpunt vir voltooiing is einde Februarie 2016. Dit stel beslis 'n nuwe standaard en met die ander sportsoorte gretig om hul wenslysies vir ontwikkeling in te lewer, kan ons nie wag om te sien wat die toekoms vir ons inhou nie.

Die voorneme om twee Gr 2-klasse te verseker, bly 'n prioriteit wat wag op goedkeuring deur die Departement en die meesterplan wat ons sal lei om hierdie doel te bereik. Die geld vir hierdie projek is reeds opsygesit en dis verblydend om te weet dat die netbalbane se opgradering voltooiing nader, wat 'n uitdaging aan die ander sport- en kultuurkodes bied om hierdie voorbeeld na te streef.

Ons prefekte het ook die uitdaging aanvaar om 'n nalatenskap agter te laat en ons sien met afwagting uit na wat hulle kreatiwiteit gaan oplewer. Rome is nie in een dag gebou nie en ons moet dit in gedagte hou terwyl ons 'n grondslag lê vir ander om te geniet wanneer ons aanbeweeg. Ons is ook terdeë daarvan bewus dat ons die vrugte pluk van 'n grondslag wat deur ander vir ons gelê is. Kom ons werk daaraan om 'n nalatenskap agter te laat vir ander om te geniet.

Ondersteuning

Ons ondersteun die "Anibrandfees" en kaartjies is by die skool beskikbaar. Hoekom? Die opbrengs van hierdie fees gaan aan gestremdes en dit skep vir ons die geleentheid om ook daar te ondersteun. Ons kultuurafdeling sal ook in staat wees om deel te neem indien hulle wil, dus word 'n geleentheid sonder verpligting geskep. Soos in die verlede sal ons Sonskynfees pamflette ook weer uitgedeel word om ons te ondersteun.
