SUNRIDGE VANDAG — SUNRIDGE TODAY

CONJUNCTI CRESCIMUS

17 March 2016

Dear Parents

"Excellence is to do a common thing in an uncommon way"

Please do not fall into the old habit of comparing your child's academic marks with that of other children. Always compare it with the class average. In the first term we find that averages tend to be a bit higher than later in the year. The amount of work done plays a vital role and with poor performance it might be that the child is struggling to adapt to a new grade We also need to carefully judge other influences before we make any remarks or recommendations.

That's why I recommend that parents sit down and discuss the report on the child's level and carefully plan together should improvement be needed. These few minutes are important - please keep it positive.

A letter regarding a visit to the class teacher or subject teacher is included with the report. Use this opportunity, should you need it. If the school indicates that the teacher needs to see you I recommend that you attend this meeting. Should you neglect to do so we have to minute it and report it to the Department of Education.

Please support the teacher and let's work together to help our children to improve and enjoy school. It's so important to remember that not all children can achieve high marks. That's why we acknowledge learners performing within their abilities.

Enjoy the holiday and should you be lucky to go away, please drive safely. Should you be the one working, thanks for that. Our best wishes to all learners on tour as well as learners participating in training camps and development.

Pavilion and Netball courts

This project is running full steam and we are looking forward to the completion and official opening of this facility. Again **our thanks to 'The Bay Gas Company' for their generous sponsor in this regard.**

Geagte Ouers

"Uitnemendheid is om 'n gewone ding op 'n buitengewone manier te doen"

Moet asseblief nie in die gewoonte verval om u kind se akademiese punte met dié van ander kinders te vergelyk nie. Vergelyk dit altyd met die klasgemiddeld. Ons ervaar dat gemiddeldes gewoonlik in die eerste kwartaal 'n bietjie hoër is as later in die jaar. Die hoeveelheid werk wat gedoen word, speel 'n uiters belangrike rol en 'n kind wat swak presteer, sukkel dalk net om in 'n nuwe graad aan te pas. Daar mag dalk ook ander faktore wees en ons moet versigtig wees om te oordeel of enige aanmerkings te maak of aanbevelings te doen.

Dit is waarom ek aanbeveel dat ouers met die kinders gaan sit en die rapport op hulle vlak bespreek, sodat hulle sorgvuldig saam kan beplan of veranderinge aangebring kan word. Hierdie paar minute is belangrik – hou dit asseblief positief.

'n Brief aangaande 'n vergadering van die ouer met die klas- of vakonderwyser is ook by die rapport ingesluit. Maak van die geleentheid gebruik indien u dit nodig het. Indien die skool aandui dat die onderwyser u wil spreek, wil ek aanbeveel dat u die vergadering bywoon. Indien u nalaat om dit te doen, sal ons dit moet notuleer en by die Departement van Onderwys aanmeld.

Ondersteun asseblief die onderwyser en kom ons werk saam om ons kinders te help om te verbeter en skool te geniet. Dit is so belangrik om te onthou dat nie alle kinders hoë punte kan behaal nie. Dit is hoekom ons leerders erkenning moet ontvang wanneer hulle binne hul eie vermoëns presteer.

Geniet die vakansie, en indien u gelukkig genoeg is om weg te gaan, ry asseblief veilig. Indien u moet aanhou werk – baie dankie daarvoor.

Ons beste wense vergesel ons leerders op toer, asook ons leerders wat opleidings- en ontwikkelingskampe bywoon.

Pawiljoen en Netbalbane

Hierdie projek is volspoed aan die gang en ons sien uit na die voltooiing en amptelike opening van hierdie geriewe. Weereens baie dankie aan die Bay Gas Company vir hul ruimhartige ondersteuning van hierdie projek.
