RESPEK EN DISSIPLINE

Daar is 'n groeiende bewustheid van respek en dissipline in ons land. Onderwysers kan net presteer as hulle gerespekteer word. Respek begin tuis en net een negatiewe woord kan al ons harde werk vernietig. Praat asseblief op 'n positiewe wyse en met respek van ons skool. Ek gebruik die woord "ons" want u is deel van ons skool. Laat ons asseblief professioneel en op 'n Christelike wyse optree en enige probleme met respek hanteer. Dit werk elke keer!

Ons moet saamstaan om 'n verskil te maak. Onthou asseblief dat u kind praat oor dinge wat by die huis gebeur en dat die persepsie van 'n kind tussen 4 en 13 nie altyd korrek is nie. Ons luister gewoonlik en neem alles wat die kind sê met 'n knypie sout. Doen asseblief dieselfde wanneer u kind oor sy/haar onderwysers praat. As ons ons kinders met respek behandel, ook wanneer ons met hulle praat, sal hulle ons voorbeeld volg.

Die onderwyser bly een van die belangrikste mense in u kind se lewe. Vir 12 tot 14 jaar word u kinders aan hulle toe vertrou. Kom ons behandel hulle met respek en ondersteun hulle sodat ons kinders ons voorbeeld kan volg.

Eksamen

Dit is ongelooflik hoe vinnig 'n jaar verbystoom en net nie wag vir enigiemand nie. Ons nader die einde van ons akademiese jaar en ons sal eersdaags met ons eindeksamen begin, wat uiters belangrik is. Dit is die tyd waar ons rekening hou van ons jaar se werk en dit wat ons bemeester het al dan nie.

Na my mening is dit altyd 'n ongelooflike geleentheid om rekening te kan hou. Die belangrikste aspek is dat niemand anders dit vir ons kan doen nie en dat dit ons eie werk reflekteer. Dit is tog so maklik om die skuld vir enige mislukking op iemand anders te plaas en dan juis hier op die onderwyser. My oupa se gunstelingseggede was dat jy die perd net tot by die water kan neem, die drinkgedeelte is die perd s'n, drink hy modderwater of die slyk - is dit sy keuse, rek hy sy nek so effens verder, natuurlik met moeite, sal hy die skoon en helder water kan drink.

Harde werk het nog nooit iemand se dood veroorsaak nie, ek doen 'n vriendelike beroep op ons kinders om nie nou slap te laat lê nie. Dit is dan juis nou die tyd om harder te werk en nog meer tyd in te sit.

Dear Parents

RESPECT AND DISCIPLINE

There is a growing awareness of respect and discipline in our country. Respect needs to be given to teachers in order for them to succeed. Respect begins at home, one negative word can destroy all our hard work. Please be positive and respectful when you talk about our school. I use the word "our" because you are part of our school. Let us be professional and Christian like and discuss any problems with one another with respect. It works every time!

We need to stand united to make a difference. Please remember that your child talks about what happens at home and the perception of a child between the ages of 4 to 13 is not always correct. We usually listen and take what the child says with a pinch of salt. Please do the same when your child talks about his/her educators. If we speak to and treat our children with respect, they will follow our example.

The teacher remains the person who plays one of the biggest roles in your child's life. For 12 to 14 years we entrust our children to them. Let's treat them with respect and support them and be the example to our children.

Exams

Time waits for no man and it is incredible how quickly the years pass by. We are nearing the end of our academic year and very soon the extremely important end of year exams will start. It is the time when we have to account for the year's work and what we have mastered or not mastered.

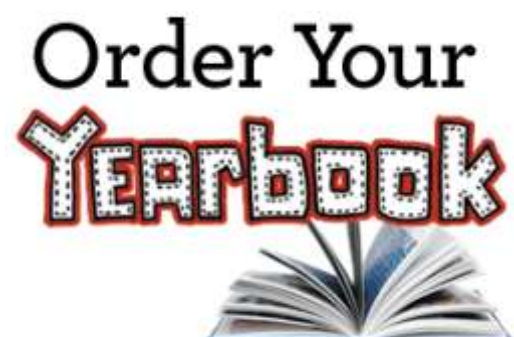

In my opinion it is always an incredible opportunity to account for the year's work. The most important aspect is that nobody can do it for us and that it reflects in our work. It is just so easy to blame somebody else for our failures and in this case to blame the teacher. My grandfather's favourite saying was that you can take a horse to the water but you cannot force him to drink. It is up to the horse to drink and if he drinks muddy water or slime - it's his choice but if he stretches his neck a little, albeit with difficulty, he will be able to drink clean and clear water.

Hard work has never killed anybody - I now appeal to our children to keep up the hard work. Now is the time to put in extra effort and time.
