Geagte Ouers

Ons is baie dankbaar vir die reën, maar ons besef dat die uiters koue weer dit baie moeilik maak om gesond te bly. Help ons asseblief om die afwesighede sover moontlik te beperk. Indien 'n kind egter siek is, is dit beter om hom/haar tuis te hou vir 'n spoedige herstel. Dit is ook raadsaam om 'n dokter te raadpleeg. Ons het kinders en personeellede wat sukkel om gesond te word want hulle het te lank gewag om 'n dokter te spreek.

Onthou asseblief om die klasonderwyser in kennis te stel en verskaf 'n mediese sertifikaat waar nodig. Waarom? Die Departement van Onderwys verlang dit van ons en indien 'n kind dikwels afwesig is, vra hulle daarvoor wanneer bevordering bespreek word. Ek weet die ouers sal ons in dié verband ondersteun.

Ons het navrae ontvang oor die beskikbaarheid van die ligblou sporthemp en ek kan bevestig dat die probleem opgelos is. Dit was slegs die ekstra klein en grootte 12 – 13 wat 'n probleem was. Dit sal binnekort weer beskikbaar wees en ons sal u in kennis stel wanneer dit gebeur. Ons sal verdraagsaam wees in hierdie verband wanneer nodig.

Ons is so trots op ons O/13-netbalspan wat die skool hierdie naweek by die SA-Nasionale Kampioenskappe verteenwoordig. Ons wens hulle alles van die beste toe en is baie dankbaar dat die afrigters die ekstra myl met ons kinders stap.

Ons het onlangs 'n Gevolge-bestuurslesing bygewoon en die basiese boodskap was aanspreeklikheid vir optrede. Dit wil voorkom asof respek vir reëls en regulasies die grootste probleem is. Hoeveel mense ignoreer 'n rooi verkeerslig? Die gevolge kan tragies en dodelik wees. Selfs die ander padreëls word verontagsaam en geïgnoreer en die gevolge kan dieselfde wees. Die aanspreeklikheid vir hierdie optrede word blykbaar as 'n berekende risiko beskou.

Ek het begin aandag skenk aan hierdie probleem terwyl ek bestuur en was verstom oor die verontagsaming van basiese reëls. Om dieselfde aspekte rondom die skool te monitor, is 'n openbaring aangesien dit op 'n daaglikse basis gebeur. Ek glo dat ons na ons gedrag in hierdie verband moet kyk en dit as 'n uitdaging moet beskou om 'n verskil te maak en 'n voorbeeld vir ons kinders te stel.

Tydens 'n onlangse besoek deur 'n vooraanstaande skool van Gauteng het ons komplimente vir ons geriewe en ons buitengewoon netjiese en funksionele fasiliteite ontvang. Ek was so trots op Sunridge en dit wat ons aanbied, en selfs meer op ons kinders wat in 'n goeie gees en met deernis en respek teenoor hul opponente deelneem.

Die son skyn helder en ons kinders se toekoms skyn selfs herderder.

Dear Parents

We are grateful for the rain and understand that the extremely cold weather is making life a bit more difficult to keep everyone healthy. Please help us to ensure that our absentees are kept as low as possible. However, should a child be sick, rather keep him or her home for a speedy recovery. A visit to the doctor is advisable. We have children and staff struggling to regain their health as they waited too long before going to the doctor.

Please remember to inform the class teacher and when applicable please provide a medical certificate. Why? The Department of Education requires this from us and when a child is frequently absent they tend to ask for it when doing promotions. I know parents will support us with this.

We have received enquiries regarding the light blue golf shirt and the current availability issue and I can confirm that this has been resolved and only extra small and the 12 – 13 sizes were a problem. They will be available within a short time and we will inform you accordingly. We will be tolerant when needed in this regard.

We are proud of our U/13 netball team who will represent us at the SA National Primary School Championships this weekend. All the best to them and thanks to our coaches who walk the extra mile for our children.

We recently had a Consequence Management lecture and the basic message was accountability for actions. Respect for rules and regulations seems to be the major problem. How many people drive through a red robot? The consequences can be tragic and deadly. Even with other road rules being ignored and violated the consequences can be the same. The accountability for these actions seems to be taken as a calculated risk?

I have been paying attention while driving and was stunned by the violation of basic laws. Monitoring the same aspects around the school also proved to be an eye opener seeing this done on a daily basis. I believe that we need to look at our behaviour in this regard and put it out as a challenge to make a difference and to set an example for our children.

With a visit from a prominent school from Gauteng we were complimented on our facilities and the neat and functional conditions were pointed out as extraordinary. I was so proud of Sunridge and what we offer and even more proud of our children who competed not only in good spirit but with compassion and showed respect for our opponents.

The Sun is shining brightly and our children's future is shining even brighter.

FOCUS ON: *Charlandi Blom*

EARLY LIFE: I was born in Port Elizabeth and I liked it so much that I haven't left since. I went to Verkenner, Framesby and NMMU before I started to teach at Sunridge Primary.

FAMILY LIFE: I live with my parents, brother and three noisy dogs, but I may be trading that for something else in December as I am engaged to Mr. Hattingh...

CAREER LIFE: I taught music on and off during my time at NMMU and have taught piano, theory and singing at St. Joseph's Primary and Summerwood. I completed my practical teaching at D.F. Malherbe where I experienced teaching Creative Arts as well as music. I also assisted the Eastern Cape Children's Choir for a year after singing in the NMMU choir for two years.

ACCOMPLISHMENTS: In pre-primary I received a medal for Monkeynastix... I hope that counts...

INTERESTING FACTS ABOUT YOURSELF: I enjoy old black and white movies, especially musicals, and I have an inexplicable taste for delicious sauces which means both my ice cream and hot dogs are usually drenched.

Please answer the following five questions:

1. Choose a movie title for the story of your life. Singing in the Rain
2. What was the worst punishment you received at school? Detention – we had to copy pages from the dictionary.
3. What was your childhood nickname? Blommie
4. When did you accept a dare that you later regretted? ... not yet...
5. If you could have any one superpower, which would you choose? Flying, it sounds like fun and I'm sure it will get u to places faster.
