

Geagte Ouers

Stof tot nadenke vir die vakansie

Ben Carson meen dat ouer-wees die belangrikste werk ter wêreld is. Jy kan nie ouer-wees uitkontrakteer nie. Van alle gebiede waar grense uiters belangrik is, is die belangrikste grense op die gebied van kinders grootmaak.

Die manier wat ons grense benader en kinders grootmaak, het 'n enorme impak op die karaktere van ons kinders en ook hoe hul waardes ontwikkel, hoe hulle op skool presteer, die vriende wat hulle kies, met wie hulle trou en hoe goed hulle in hul loopbane vaar.

Liefde en grense is die belangrikste vereistes vir 'n ouer. Die vermoë om dit te verdra as dit lyk of u kind u haat en as 'n "slegte" ouer beskou, is die volgende belangrike vereiste vir 'n ouer.

U grootste bydrae is dalk nie IETS wat u doen nie, maar IEMAND wat u grootmaak.

Onderwysers is nie die vyand nie; hulle is die ouers se bondgenoot in 'n omgewing met waardes en riglyne wat reëls genoem word.

Ons nooi weer almal om by ons skool betrokke te raak deur middel van projekte en deur ons te ondersteun. Die nalatenskap wat u agterlaat, is die nalatenskap van u lewe.

Vierde Kwartaal

Die vierde kwartaal gaan blitzvinnig soos 'n Olimpiese atleet wat 'n goue medalje in die 400 meter verower, verbygaan: vinnig, woes en sonder remme. Voorbereiding vir die eindeksamen en skoolbywoning is van die uiterste belang. Die eksamendatums en werk wat voorberei moet word, sal so spoedig moontlik aan u deurgegee word, in ooreenstemming met ons beleid van minstens 14 dae voor die eksamen.

Ons staan voor 'n uitdaging wat betref die Departementele instruksie aangaande eksamendatums en die finale bevorderingsdatum deur hulle gestel. Wees asseblief geduldig met ons aangesien ons aan die vereistes moet voldoen en wil verseker dat ons die beste diens moontlik in belang van al ons leerlinge lewer.

Hiermee in gedagte sal ons nie onderrigtyd in gevaar stel nie, daarom word al ons prysuitdelings, afskeidsgesellighede ens. ná die eksamen afgehandel.

Ons moet die personeel toelaat om alle moontlike onderrigtyd te benut en daar sal geweldige druk op hulle wees om alle aspekte rakende werkwerk, skedules en ander administratiewe beplanning vir 2017 af te handel.

Hierdie is die tyd van die jaar wanneer ons onderwysers ons gebede en ondersteuning nodig het om hul akademiese jaar met ons kinders te voltooi. Ek is bewus van leerlinge wat nie na behore presteer nie, as gevolg van 'n gebrek aan toewyding en selfdissipline.

Ek versoek ouers nederig om streng beheer uit te oefen en voorbereidingsysteem toe te laat vir die finale assessering en eksamen. Baie dankie vir u samewerking.

Dear Parents

Something to chew on during the holiday

Ben Carson said he thinks parenting is the most important job in the world. You cannot "outsource" being a parent. Of all areas in which boundaries are crucially important, none is more relevant than that of raising children.

How we approach boundaries and rearing children will have enormous impact on the characters of our kids. On how they develop values, how well they do in school, the friends they choose, whom they marry and how well they do in a career.

Love and limits are the most important qualities for a parent. The ability to tolerate being "hated" and seen as "bad" is a parent's next most important quality.

Your greatest contribution may not be SOMETHING you do, but SOMEONE you raise.

Teachers are not your enemy; they are your ally in an environment with values and guidelines named rules. Again we invite all to get involved with our school through projects and by supporting us. The legacy you leave is the legacy you live.

Fourth Term

The fourth term will run like our gold medal 400 meter Olympic athlete: fast, furious and without stopping. Preparations for the final exam is of utmost importance and school attendance needs to be high. We will communicate exam dates and work to be tested as soon as possible and in compliance with our policy of at least 14 days prior to the exam.

We will be faced with the challenge regarding the Departmental instruction regarding exam dates and the final progression date they set. Please bear with us as we need to comply and want to ensure we deliver the best service we can, to the best interest of all our learners.

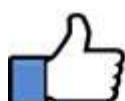

With this in mind we will again not compromise educational time and therefore all our prize giving's, farewell etc. will be dealt with after the exams.

We need to allow staff to make use of all possible academic time and the pressure will be on them during exams to finish all aspects while dealing with marking, schedules and other administrative planning for 2017.

This is the time of the year we need to pray for our teachers and support them to complete their academic year with our children. I am aware of learners not performing up to standard due to a lack of commitment and self-discipline.

I humbly request all parents to step up the control and preparation time for the final assessment and exams. Thank you for your support.
