Geagte Ouers

'n Paar weke gelede was dit my voorreg om deel te wees van 'n gesprek waar sake sonder vrees aangespreek is. Die vraag in die onderwys is altyd wie aanspreeklik is?

Die stelling is gemaak: "Ouers, soos onderwysers, is verantwoordelik vir die opvoeding van hul kinders!"

Wanneer 'n mens in gedagte hou dat 'n kind gedurende die skooljaar 7800 ure tuis deurbring en 900 ure by die skool, kan mense dalk wonder watter "onderwyser" aanspreeklik gehou moet word en kan jy dalk ervaar dat mense op die verdediging gaan. Dit het ons dan ook tydens die gesprek ondervind, maar na my persoonlike mening moet ouers en onderwysers albei met die grootste respek behandel word.

Dit is nie maklik om 'n onderwyser of ouer te wees nie, maar die essensie van die saak is dat ons as volwassenes verantwoordelik vir die opvoeding van ons kinders is. Dit moet ons vertrekpunt wees!

Samewerking is die volgende stap om die toekoms van ons kinders te verseker. Onderwysers bied die kurrikulum (KAVS) aan soos deur die wet voorgeskryf en as ouers word die taak aan ons toevertrou om die grondslag waarop gebou word, tuis te lê. Die vernaamste vraag is hoe stewig is die grondslag wat ons gelê het vir die onderwysers om op voort te bou en ook om deel van die bouproses te wees. Die kern van die saak is dat ons as ouers meer as 80% van die boutyd tot ons beskikking het.

Ongelukkig, net soos in die geval van 'n gebou, bied die fondament soms uitdagings en is dit nodig om gestut te word voordat mens kan voortgaan. Dit is presies waarom ons moet saamwerk en die uitdagings as 'n verenigde front trotseer. Ons moet ook begryp dat, selfs wanneer ons aan ons kinders se toekoms bou, ons verskille sal ervaar en dat daar altyd uitdagings sal wees.

Dit is waarna Sunridge as waarde-gedrewe skool streef deur Respek, Integriteit, Deernis en Eerlikheid. Deur 'n positiewe houding skyn die toekoms helder en is die moontlikhede onbeperk vir ons kinders.

As Skoolhoof en leier van 'n uitstekende span opvoeders aanvaar ons die verantwoordelikheid om die kurrikulum soos voorgeskryf aan te bied en streef ons na uitnemendheid in onderwys deur Respek, Integriteit, Deernis en Eerlikheid.

Ons doen 'n nederige beroep op verantwoordelikheid aan ouers om opvoeders deur Respek, Integriteit, Deernis en Eerlikheid te ondersteun.

Wat kinders aanbetref vereis ons die verantwoordelikheid om te leer terwyl Respek, Integriteit, Deernis en Eerlikheid uitgeleef word.

Saam kan ons die son so helder laat skyn dat almal dit kan sien en navolg.

Skyn Helder vir Sunridge!

Dear Parents

A few weeks ago I had the honour to be part of a meeting where "no prisoners" were taken. A figure of speech for addressing matters without fear. The question in education is always who is accountable?

The statement was made: " Parents as well as teachers are accountable for the education of their children!"

Should we look at a school year with the 7800 hours a child spends at home and the 900 hours at school, the question of which "teacher" should be accountable might raise a few eyebrows and maybe trigger a defensive attitude. This was experienced at the meeting as well, but in my personal opinion both parents and teachers should be treated with the utmost respect.

It is not easy to be either a teacher or a parent, the bottom line is we are adults and responsible for the education of our children. This should be our starting point!

Working together is the next step to ensure the future of our children. Teachers present the curriculum (CAPS) to our children as prescribed by law and as parents we are entrusted to lay the foundation at home to build on. The main question is how solid is the foundation we laid for teachers to build on and for us to be part of the building process. The bottom line is: as parents we have more than 80% of building time available to us.

Unfortunately, as with buildings the foundation sometimes presents challenges and underpinning is needed to continue. This is exactly why we should work together as a united front to face these challenges. It's understandable that even with the building of our childrens' future there will always be differences and challenges to face.

That's what Sunridge as a value driven school strives for through Respect, Integrity, Compassion and Honesty. The future shines bright for our children and with a positive attitude the possibilities are endless.

As Principal and leader of an excellent team of educators we accept the accountability to deliver the curriculum as prescribed and endeavour to strive for excellence in education through Respect, Integrity, Compassion and Honesty.

We humbly request accountability from parents to support educators through Respect, Integrity, Compassion and Honesty.

Our children are also required to be accountable to learn while showing Respect, Integrity, Compassion and Honesty.

Together we can let the Sun Shine so Bright for all to see and follow.

Shine Bright for Sunridge!
