Geagte Ouers

Die toekoms is nou!

Ons verwelkom twee nuutverkose lede om op die SBL te dien: Jonathan Aukett (Prokureur) en Mariaan Botha (Geoktrooieerde Rekenmeester). Baie dankie vir u positiewe ingesteldheid en bereidwilligheid om die skool in die beste belang van al ons leerlinge te dien.

Dit is nie maklik om die toekoms te bou nie en ons moet daarop fokus om 'n hoogs funksionele skool te bly. Om dit vol te hou, is 'n ware uitdaging wat ons as raadslede in die gesig staar. Met statistieke wat toon dat 80% van Suid-Afrikaanse skole wanfunksioneel is, lê 'n reusetaak vir ons voor, maar ons sien uit na 'n helder toekoms ongeag wat ook al oor ons pad kom.

Die grootste uitdaging is om 80% van ons tyd aan die 20% van belangrikste aspekte in ons skool te bestee. Ons onderwysers is ons grootste bate – hulle moet onderwys gee in die aangesig van millennium-ouers wat niks vrees nie, en veral nie gesag nie, en terselfdertyd is hulle nie bang om foute te maak nie.

Met die onderrig van ons kinders wat ons kernbesigheid is, is hulle net so belangrik soos ons personeel en ons kan geen waarde op hulle plaas nie. Hulle is te kosbaar en geen geld kan hul toekoms koop nie. In die lig van die huidige uitdagings in die onderwys is ons ten volle bewus daarvan dat ons te doen het met helikopter-ouers wat oor kinders hang en geen vertroue in die skool, onderwysers en hul eie kinders het nie.

Dit verhoed dat kinders hul volle potensiaal bereik en verantwoordelikheid vir hul dade aanvaar. Volgens SA-wetgewing is kinders ouer as 12 onafhanklik en selfstandig as hulle die kapasiteit en volwassenheid aan die dag lê.

Ons moet ons houding verander en onself afvra watter verskil ons maak. Dit gaan moeilik raak en die sterkes moet kreatief word. Ons almal maak foute en ons moet daaruit leer. Ek vertrou ons onderwysers met onderrig en met ons kinders, ons belê in hul ontwikkeling, terwyl ons skool die voorbeeld stel en die toekoms bou.

Ons sal altyd meningsverskille hê – weereens is dit die manier waarop ons dit doen en die respek wat ons aan mekaar betoon wat die verskil maak. Kanale bly kanale en beleide bly beleide.

Ons het die leerlinge wat skoolreëls oortree met 71% besnoei en vreemd genoeg groet en gesels leerlinge wat sogenaamd nie van my hou nie, nog met my. Waarom? Ek behandel hulle presies dieselfde as enige ander leerling. Ek toon steeds Respek, Deernis en Eerlikheid en ek sal nie my Integriteit inboet nie. Hulle is vir my belangrik.

Ek daag ouers weer uit om 'n positiewe ingesteldheid uit te leef.

Dear Parents

The future is now!

We welcome Jonathan Aukett (Attorney) and Mariaan Botha (Chartered Accountant) as our two newly elected members to serve on the SGB. Thank you for your positive attitude and willingness to serve our school in the best interest of all our learners.

Creating the future is not an easy task and we need to focus on being a highly functional school. Staying there is the true challenge facing us as board members. With statistics showing that 80% of schools in South Africa are dysfunctional, we are facing a huge task but look forward to a bright future irrespective of what may cross our path.

The biggest challenge is to spend 80% of our time on the 20% of the most important aspects in our school. Our teachers are our biggest asset - delivering education while facing millennial parents who fear nothing, especially authority, and at the same time they are not afraid to make mistakes.

With the education of our children being our core business, they are just as important as our staff and we cannot place any value on them. They are too valuable and no money can ever buy their future. Facing the current challenges in education we are well aware that we need to deal with helicopter parents hovering over children with a lack of trust in the school, teachers and their own children.

This prevents our children from reaching their full potential and for taking responsibility for what they do. SA legislation transfers independent autonomy to children at 12 years of age, if they demonstrate the capacity and maturity.

We need to change our attitude and we need to ask what difference we make. It's going to get tough and the tough need to get creative. We all make mistakes and we need to learn from them. I trust our teachers with education and our children, we invest in their development and our school is setting an example and creating the future.

We will always have different opinions; again it's the way we do it and the respect we show each other. Channels will stay channels and policies will stay policies.

We have cut learners who break school rules by 71% and strangely I am being greeted and chatted to by so called learners who do not like me. Why? I treat them the same as any other learner and will continue to show them Respect, Compassion, and Honesty and I will not compromise my Integrity. They are important to me.

I again challenge all parents to embrace a positive attitude.
