

Geagte Ouers

Bou die Toekoms

Ons as skoolhoofde kom dikwels bymekaar om die uitdagings en oplossings te deel en na verskillende menings van intellektuele en vooraanstaande akademiese navorsers te luister.

Dit is vreemd dat mense in die algemeen oor die gebrek aan respek in ons land kla wanneer hulle daarmee gekonfronteer word, maar hulle word aggressief as hulle aangespreek word omdat hulself daaraan skuldig is.

Hierdie verskynsel kom ongelukkig ook in ons skole voor en ons almal kom voor dieselfde uitdagings te staan terwyl ons ons kinders dien.

Ek moet die ouers en kinders wat saam met ons die toekoms bou, bedank. Ons het juis vandeesweek 'n verandering in ingesteldheid ondervind toe ouers die regte kanale gevolg en ervaar het hoe ons personeel kommerwekkende aspekte op 'n professionele wyse hanteer het. Die uitkoms is soms nie wat verwag word nie, maar die eindresultaat is in die belang van onderwys. Om die algemene doelwit van die onderrig van ons kinders binne grense en met respek te bereik, is ononderhandelbaar.

Baie dankie vir u hulp in hierdie verband. Ons ervaar ook 'n heel ander atmosfeer wat betref ons kinders se algemene dissipline omdat ouers met ons saamwerk en hul kinders toelaat om die skoolterrein op hul eie binne te gaan. Om by die hek maar buite te wag, strek tot voordeel van al ons leerlinge, hoewel ons nog met sommige ouers sal moet werk.

Dit is uiters belangrik om nuusbriewe te lees en diegene wat nalaat om dit te doen of miskien nie daarvan hou nie, moet bietjie onthou van die gesegde "as die skoen jou pas, trek dit aan." Ons kan nou maklik ongewenste persone op ons terrein identifiseer, aangesien slegs kinders toegelaat word. Dit is veiliger vir ons kinders en makliker vir die personeel om te beheer. Dankie dat u met ons saamwerk, ek deel later kommentaar van ons kinders in hierdie verband.

Ons vergader weer hierdie week met die owerhede aangaande moontlike oplossings vir die verkeersprobleme rondom die skool.

Die gees van vrygewigheid blyk duidelik uit die wyse waarop ouers en kinders op die verwoestende veldbrande en droogte in Suid-Afrika gereageer het. Kom ons bly hulle ondersteun met ons positiewe ingesteldheid.

Met die weer wat nou vinnig verander en die temperatuur wat tot onder 5°C daal en dan weer later tot die middel-twentigs styg, moet ons proaktief wees wat ons kinders se gesondheid aanbetref.

Dear Parents

Creating the Future

We, as principals frequently meet to share challenges, solutions and to listen to different opinions of intellectual and leading academic researchers.

It is strange that people, in general, complain about the lack of respect in our country (when confronted by it), but become aggressive if they are confronted when guilty themselves of this..

This phenomenon is unfortunately also seen in our schools and we all face the same challenges while serving our children.

I must thank the parents and children working with us to create the future. This week we have seen a change in the attitude of parents when following the correct channels and then experienced the professional manner in which our staff dealt with aspects of concern. The outcome may not have been what they expected but the results are in the best interest of education. Achieving the common goal of educating our children within the boundaries and with respect, is not negotiable.

Thank you so much for your help in this regard. We experienced a completely different atmosphere in our children's general discipline due to parents co-operation and allowing their children to enter the school grounds on their own. Waiting close to but outside the gate benefits all our learners, although we still need to work with some parents.

The reading of newsletters is of utmost importance and those neglecting to or perhaps who don't like to, must remember the age old saying; "if the shoe fits, wear it". We can now easily see and identify unwanted people on our premises due to the fact that only children are allowed. This is safer for our children and easier for our staff to control. Thank you for co-operating with us; I will still share some of the children's comments with you.

We are meeting with the authorities again this week regarding possible solutions with traffic around the school.

The spirit of giving is seen in the way parents and children have reacted to the devastating fires and drought in South Africa. Let us keep up with our positive support.

With the weather changing rapidly and the temperature dropping under 5°C and then rising to the mid-twenties we need to be proactive with the health of our children.

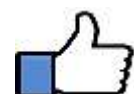

Sunshine Greetings

VROEËRE LEWE: Ek is gebore in Alberton, Gauteng. Ek is die middelste seun van drie broers. Ouboet is Hendrik en kleinboet is Deon. Ons is baie geheg aan mekaar. In 1987 het ons verhuis na Despatch, waar ek as tiener groot geraak het. Ek het matriek geslaag aan Hoërskool Despatch.

GESINSLEWE: Ek is getroud met Juliana en het 'n dogtertjie, Lu-Ann. Juliana het ook nog 'n dogter, Lilian en 'n seun, Thys. My ouers is ongelukkig albei al oorlede. Ek is woonagtig in Kabega Park.

Tussendeur het ek myself ook besig gehou as 'n nutsman. Ek het na 20 jaar klaar gemaak met sekuriteitswerk en by Sunridge Primêre Skool begin.

INTERESSANTE FEITE OOR MYSELF: Ek is 'n baie stil mens. Ek raak nie baie gou kwaad nie, maar as ek doen is dit ook gou om. Ek leer baie vinnig met my oë as iemand iets doen.
