SUNRIDGE
TODAY

24 August 2017

Dear Parents

It's that time of the year again: budgeting for 2018 and preparing for the new academic year is a given at Sunridge. We do things well in advance and I have to thank our SGB for supporting us and helping to ensure we make decisions in the best interest of our school.

Looking and talking about finance always produce different opinions. Acting and having been a principal at four schools, representing a broad spectrum of society, changed my way of looking at it completely. Wherever you go, all parents want the best for their children and this is exactly the start of all positive or negative thoughts. Value for money and what service delivery should be, differs from person to person. Putting the ever present "paying less for more" and the "for free" slogans into the education system can only cause havoc.

I have learnt that nothing is "for free" and "paying less for more" will bite you in the end. I believe that no money can pay for good education but a good education cannot work without money. A teacher in front of a class and a class with the right number of learners costs money. With too many learners per class or a class without a properly trained educator, education will crumble. Losing a day of education is seldom caught up, substitute availability and planning is essential to prevent this and teacher absenteeism is a reality.

The condition of your facilities and keeping in touch with development and change is a reality that influences education. At Sunridge this is all positive and the delivery of education on all levels outperforms the average. With 95% of our parents and children being positive, we look forward to the future with a smile. We create the future and will leave a legacy for generations to come. The opportunities for our children are endless and it's great to see and hear our children enjoying life to the full.

Parents enrolling from other provinces point out that our school fees are cheaper and they cannot believe what we offer - in their words "value for money" and a school where children feel loved and cared for.

Our parent budget meeting will be on Monday, 9 October 2017 at 18:00 and should you wish to view the budget for 2018 you may do so from 28 August 2017 until 28 September 2017 from 07:00 - 13:30 every day of the week at the school office. We will provide a summary in next week's newsletter.

I need to thank the staff and SGB for a very conservative budget with a moderate increase of only 7.3% which falls in the lower bracket for schools.

Lost and found

The number of articles left at school is unbelievable. The first step is for parents to mark all articles so that they can be identified. Clothing etc. is expensive and it is shocking to find so many items are unclaimed. It's not the school's responsibility to ensure children find or collect their property. All lost property will be put into a container in the quad next to the hall. Please ask your child to look in the container should they lose anything.

It is the parents' responsibility to educate their child, and the child's responsibility to look after their own property.

Sunshine Greetings

Geagte Ouers

Dit is weer begrotingstyd en hier by Sunridge was ons druk besig om vir die 2018 akademiese jaar voor te berei. Ons doen dinge lank vooruit en ek wil graag ons SBL bedank vir hul ondersteuning en omdat hulle ons help om besluite in die beste belang van ons skool te neem.

Wanneer finansies ter sprake kom, is daar altyd uiteenlopende menings. Nadat ek as skoolhoof by vier skole, wat die breet spektrum van die gemeenskap verteenwoordig, waargeneem en gewerk het, het my siening totaal verander. Waar 'n mens ook al gaan, wil ouers altyd die beste vir hul kinders hê en dit is dan ook die oorsprong van alle positiewe en negatiewe gedagtes. Waarde vir geld en die siening oor dienslewering verskil van persoon tot persoon. Die alomteenwoordige "betaal minder vir meer"- en "gratis"-slagspreuke binne die onderwysstelsel kan net chaos veroorsaak.

Ek het geleer dat niks "gratis" is nie en "betaal minder vir meer" byt jou op die ou end aan die hakskeen. Ek glo dat geld nie vir goeie onderrig kan betaal nie, maar goeie onderrig kan nie sonder geld geskied nie. 'n Onderwyser voor 'n klas en die regte hoeveelheid leerlinge kos geld. Met te veel leerlinge per klas of sonder 'n behoorlik opgeleide opvoeder, sal die onderwys ten gronde gaan. 'n Verlore onderwysdag word selde ingehaal. Die beskikbaarheid van plaasvervangers en beplanning is noodsaaklik om dit te voorkom en onderwyserafwesigheid is 'n realiteit.

Die toestand van die fasiliteite en om tred te hou met ontwikkeling en verandering, is 'n realiteit wat onderrig beïnvloed. Hier by Sunridge is dit alles positief en die lewering van onderrig oorskadu die gemiddeld op alle vlakke. Met 95% positiewe ouers en kinders gaan ons die toekoms met 'n glimlag tegemoet. Ons bou die toekoms en ons sal 'n nalatenskap agterlaat vir toekomstige geslagte. Daar is eindelose geleenthede vir ons kinders en dit is wonderlik om te sien hoe hulle die lewe ten volle geniet.

Ouers uit ander provinsies wat hul kinders by ons inskryf, staan verstom omdat ons skoolfooie soveel minder is en hulle soveel daarvoor kry. Hulle is baie tevrede dat hulle "waarde vir geld" kry by 'n skool waar hulle kinders voel dat mense vir hulle lief is en omgee.

Ons ouerbegrotingsvergadering vind op 9 Oktober 2017 om 18:00 plaas en indien u die begroting vir 2018 wil besigtig, kan u dit elke weeksdag van 28 Augustus 2017 tot 28 September 2017 tussen 07:00 en 13:30 by die skoolkantoor doen. Ons publiseer 'n opsomming in aanstaande week se nuusbrief.

My hartlike dank aan die personeel en SBL vir 'n uiters konserwatiewe begroting met 'n matige verhoging van slegs 7.3%, wat binne die laer raamwerk vir skole val.

Verlore en Vermis

Dit is ongelooflik hoeveel artikels by die skool agtergelaat word. Die eerste stap is vir ouers om alle artikels duidelik te merk. Dit is duur om skoolklere, ens. te koop en dit is ontstellend dat so baie van die artikels nooit gehaal word nie. Dit is nie die skool se verantwoordelikheid om seker te maak dat kinders hul eiendom opspoor of afhaal nie. Alle verlore artikels sal voortaan in 'n houer in die vierkant geplaas word. Vra u kind asseblief om in die houer te gaan kyk indien hulle iets verloor het.

Dit is die ouer se verantwoordelikheid om die kind op te voed en dit is die kind se verantwoordelikheid om verlore artikels te gaan soek.

FOCUS ON: *Mzawupheli Eustace Skelemana*

EARLY LIFE: My early life was not easy. My parents separated when I was two. My father never took part in my upbringing and my mother raised us on her own. We never had a place to call home and lived with relatives but my Mom always made sure we went to school and had something to eat.

FAMILY Life: I am the only son and had two sisters, who have passed away. I live a happy life and have my own family.

CAREER LIFE: I wanted to be a teacher but that dream was never to be. I wasted some of my time and also because of the riots while I was at school - I do not regret anything because I have achieved a lot now.

ACCOMPLISHMENTS: My biggest achievement is having my own home which I never had when I was young. I enjoy life with my wife and children.

INTERESTING FACTS ABOUT YOURSELF: I am a hard working person who believes that you can achieve a lot if you believe in yourself. I like to read interesting stories and want to know more because they say knowledge is power. I enjoy standing in front of my congregation and preaching the word of God.

Please answer the following five questions:

1. Have you accepted a dare that you later regretted and what was it? No
2. What is your favourite flavour pizza? Pizza is not my favourite food at all
3. Do you have any strange phobias? I don't like frogs and snakes
4. What is your favourite cereal? The original flavour Morevite instant porridge
5. Choose a movie title for the story of your life? Hard Target
