Dear Parents

Update on current projects at our school

Our Gr 2 classes are still high on the priority list and with careful planning it will still take a while for this project to start. With shade or a roof for our swimming pool as a need, a dedicated waiting area, a rugby and cricket pavilion for the future, a dance and art centre and whatever else needed to create opportunities and a safe environment for the future as part of leaving a legacy, we look forward to excelling as a top school in our city, province and country. The future is bright and although we all support or cherish different aspects, we will build on the success of Sunridge to create the future.

Again we invite all parents, friends and families to get involved and become part of leaving a legacy for the future. Whatever you choose as long as it's positive and uplifting!

Bathrooms

All bathrooms have been tiled and upgraded as planned. This project was finished successfully and within the budget allocated to us. We need to thank our PTA for supporting us in making this project a huge success. If ever there was one investment done in the best interest of all our learners, this is one of them.

Tennis courts/Hockey Astro/Retaining wall

We have joined the two sport codes together due to the all-purpose court and a need for a tennis wall falling inside the mini hockey field. We are very close to finishing this project. We await the arrival of the Astro and will see this project completed within the next month or two.

A small pavilion for tennis is also planned but a tennis wall is presently higher on the need list. The retaining wall and screen have been completed with a second phase on the other side still in planning for the hockey field. They are also in need of a type of pavilion.

We cannot thank our main sponsor and parents enough for their contribution towards the Astro. This will be to the benefit of all our hockey players. We will soon announce and reveal our main sponsors and others as we did with our netball pavilion.

Netball courts and pavilion

This pavilion project was funded through a sponsor and although it is basically finished, we have encountered a few safety issues which will be fixed through the correct channels so as to comply with the applicable regulations. We are still within the amount allocated to the project and with the approved correction plans will be able to ensure we adhere to all regulations.

Unfortunately this takes time and we hope to be finished by the start of the second term. The courts itself was done under the normal maintenance budget as planned; this aspect is fine with normal weather and bird dropping damage falling within the service plan of the construction company.

Going more Green: Harvesting of rain water

This project was put forward three years ago with no real interest. Our 2017 prefect board, with their parents, have seen the real advantage and need for this project. They have jumped in and with careful planning and hard work we are looking forward to a project with a Green future. We thank them all for their initiative.

Cricket Nets

This project is already taking shape with the clearing of trees on the side of the hockey field and our coaches will work hard throughout the year to raise the ±R200 000 to build three high quality cricket nets. Again, any sponsors / donations are welcome.

Electronic Advertising and Notice Board

The SMT has launched this project as part of our 50 year anniversary and obtained sponsors - this project will start during the upcoming holidays.

We wish all children, staff and parents a well deserved holiday and rest. Thank you to those who still need to work and again thanks to all for your support, understanding and positive attitude. Together we grow and with a positive attitude we create a legacy for others to follow and enjoy.

Sunshine Greetings

Geagte Ouers

Terugvoer oor huidige projekte by ons skool

Ons Gr 2-klasse is steeds 'n prioriteit en met sorgvuldige beplanning sal dit nog 'n rukkie duur voordat hierdie projek van stapel gestuur word. Ons beplan skaduwee of 'n dak vir ons swembadgebied, afgebakende wagarea, rugby- en krieketpawiljoen, dans- en kunssentrum, ens. om geleenthede en 'n veilige omgewing vir ons kinders te skep as deel daarvan om 'n nalatenskap agter te laat wat ons sal laat uitstaan as 'n topskool in ons stad, provinsie en land. Die toekoms skyn helder en hoewel ons almal verskillende aspekte ondersteun of koester, dra ons die sukses van Sunridge op die hart en bou ons die toekoms.

Ons nooi weer alle ouers, vriende en familie om betrokke te raak en deel te word van die nalatenskap wat ons agterlaat. U kan kies wat u wil ondersteun, net solank dit positief en opheffend is!

Badkamers

Alle badkamers is, soos beplan, geteël en opgegradeer. Hierdie projek is suksesvol en binne die begroting voltooi. Ons hartlike dank aan die OOV vir hulle ondersteuning wat gehelp het om hierdie projek 'n reuse sukses te maak. As daar ooit 'n belegging was wat in die beste belang van al ons leerlinge is, was hierdie een daarvan.

Tennisbane/Hokkie-Astro/Keermuur

Ons het die twee sportkodes saamgevoeg met 'n veeldoelige baan en 'n behoefte vir 'n tennismuur binne die minihokkieveld. Hierdie projek nader nou voltooiing. Ons wag nou vir die aankoms van die astro en dan sal die projek binne die volgende maand of twee voltooi word.

'n Klein tennispawiljoen word ook beplan, maar op hierdie stadium is 'n tennismuur 'n groter prioriteit. Die keermuur en skerm is voltooi, terwyl 'n tweede fase vir die hokkieveld aan die ander kant nog in die beplanningstadium is. 'n Tipe pawiljoen is ook vir daardie kant nodig.

Ons is baie dankbaar teenoor ons hoofborg en ouers vir hul bydraes tot die astro. Dit sal tot voordeel van al ons hokkiespelers strek. Ons sal binnekort bekendmaak wie ons hoofborge en ander is, net soos in die geval van die netbalpawiljoen.

Netbalbane en Pawiljoen

Die geld vir hierdie pawiljoenprojek is deur 'n borg verskaf en hoewel dit amper klaar is, is daar 'n paar veiligheidsaspekte wat deur middel van die regte kanale aangespreek moet word ten einde aan die toepaslike regulasies te voldoen. Ons is nog steeds binne die begroting en met goedgekeurde regstellingsplanne sal ons in staat wees om aan die regulasies te voldoen.

Dit is ongelukkig tydrawend, maar ons hoop om dit met die aanvang van die tweede kwartaal te voltooi. Die baan is ingevolge die gewone instandhoudingsbegroting soos beplan gebou; hierdie aspek is in orde in gewone weersomstandighede en voëlmisskade val binne die diensplan van die konstruksimaatskappy.

Ons gaan Groener: Insameling van Reënwater

Toe hierdie projek drie jaar gelede genoem is, het dit weinig belangstelling ontlok. Ons prefekte van 2017 en hul ouers het egter die voordele van en behoefte aan hierdie projek begryp. Hulle het ingespring en met sorgvuldige beplanning en harde werk kan ons nou uitsien na 'n projek met 'n groen toekoms. Ons hartlike dank aan hulle vir hierdie inisiatief.

Krieketnette

Hierdie projek het reeds begin met die verwydering van bome aan die kant van die hokkieveld en ons afrigters gaan deur die jaar hard werk om ongeveer R200 000 in te samel vir die bou van drie hoëgehalte-krieketnette. Borge en donasies word weer verwelkom.

Elektroniese Advertensie- en Kennisgewingbord

Die SBS het hierdie projek as deel van ons 50ste verjaardagvieringe van stapel gestuur en hulle het borge gekry om die projek gedurende die komende vakansie te begin.

Ons wens alle kinders, personeel en ouers 'n welverdiende vakansie en rustyd. Dankie aan diegene wat moet werk en weereens dankie vir al u ondersteuning, begrip en positiewe ingesteldheid. Saam groei ons en met 'n positiewe ingesteldheid skep ons 'n nalatenskap vir ander om na te volg en te geniet.

FAMILY Life: I live with my parents and I have a younger brother (16). I am quite jealous and proud of my brother, because he is very talented and good in everything he does. We are a very loving family. My brother is in D.F. Malherbe High School. My dad lives a very healthy lifestyle and trains every day. He likes running, cycling and swimming and becomes very moody if he cannot exercise. My mother is a lovely cook and we all adore her very much. She also loves reading and introduced my dad to books. He is now the real bookworm in our family. On weekends my brother and I like to watch series and movies with nutella and popcorn.
