### Welcome to the Drive 4 UR School Program

On event day, we will make sure the vehicles are ready to go and, for every test-drive that takes place, Ford Motor Company will make a R100 donation, up to a total of R10,000.

Dear Parents – this is a wonderful initiative from Eastern Cape Motors. Please support this at the Sunshine Festival on Saturday. Whilst enjoying a delightful test-drive in one of the Ford vehicles, you will assist in making a valuable monetary contribution to the school!

## FOCUS ON: *Lisha Kern*

**EARLY LIFE:** I grew up in Port Elizabeth for most of my life. My family moved to Johannesburg when I was nine years old but returned when I was fifteen years old. I matriculated from Collegiate Girls High and went on to study Science at NMMU.

**FAMILY Life:** I have been happily married for almost 7 years now and I have a beautiful, busy little two year old boy. My husband is an engineer who works as a project manager in the oil and gas industry. My family love the outdoors and most weekends that is where you will find us.

**CAREER LIFE:** Teaching was actually not my first profession. After my studies I pursued a career at Cadbury's, working in the quality department. I started out as a Microbiologist, then a Quality Coordinator and eventually a Quality System Specialist. Throughout my career, teaching was something that featured highly in my day to day activities. It is something that I have always been passionate about, and I finally decided to pursue this passion. That has led me here, to Sunridge, where I hope to make many happy memories.

**ACCOMPLISHMENTS:** I have a Bachelor of Science in Microbiology and Biochemistry as well as an Honours degree in Microbiology. My honours project, in collaboration with CBRE, involved testing Nanofibers for Antimicrobial activity, which at the time was something completely new to South Africa. I also have a diploma in Total Quality Management.

**INTERESTING FACTS ABOUT YOURSELF:** My family and I were used in a short film for UNICEF when my son was about 7 months old, called Cuteness Overload: A little boy gives life advice to his new baby brother. It was initially only meant to feature my son, but my husband and I were both filmed as well. The video has over five million views, which is scary to think that so many people have seen our faces.

Please answer the following five questions:

1. **At which store would you like to max-out your credit card?** Only one store? Probably Cotton on...but not for my self, most likely buying clothes for my son. Mothers are the worst at shopping for themselves.
2. **Which storybook/cartoon character turns you on the most?** Johnny Bravo... Is this a real question?
3. **Have you accepted a dare that you later regretted and what was it?** Yes, my friend dared me to swim in a rather suspicious looking dam on a farm. I came out of the water not being able to retrieve my clothes as some rather huge bulls were standing on top of it. To make matters worse, when I glanced down, I realized I was completely covered in leaches. It was my worst farm experience and to this day I am petrified of swimming in a dam.
4. **Do you still have your tonsils?** Hopefully not...they were removed when I was four after several hospitalizations. I don't miss them.
5. **What is your favourite ice-cream?** That's easy....cookies and cream for sure!
