

Geagte Ouers,

Ouers word vriendelik daaraan herinner om die skool in kennis te stel van enige buitemuurse prestasies wat u kind behaal het. Ons verleen wel erkenning en sal met graagte sertifikate, medaljes en trofee in hierdie verband oorhandig. Dit geld vir alle buitemuurse kodes asook enige akademiese prestasies.

Dit is vir ons 'n groot eer om as gasheer van die Sanlam WOW-kompetisie op te tree. Ons hartlike dank aan dr. Noeth as verteenwoordiger en opvoeder wat hierdie prestige-geleentheid vir laer- en hoërskole hanteer. Ons wens al ons leerlinge alles van die beste toe en ons sien uit na die uitslae. Baie hartlike dank aan oom Gerald en sy span wat hul ondersteuning aanbied vir hierdie geleentheid wat nie deel is van ons gewone jaarbeplanner nie. Ons het gewoon geraak aan 'n netjiese en goed versorgde skool en geriewe en ons is geseënd met 'n positiewe en lojale ondersteuningspersoneel-korps.

Tyd is 'n fantastiese geskenk en ons wil u net daarop wys dat, soos met alle ander aspekte van die lewe, die gehalte en nie die hoeveelheid tyd wat u met u kind deurbring, die uitkoms en vlak van sukses bepaal nie. Die enigste wyse om 'n kind te kry om prestasievlakke te verhoog, is om ekstra aandag aan 'n spesifieke aspek te wy. Gooi nog 100 balle, luister 'n duisend maal na die toespraak en vele meer is alles deel van gehaltetyd. Alhoewel talent noodsaaklik vir prestasies is, speel deursettingsvermoë soms 'n kardinale rol om prestasies te verseker.

Met tagtigduisend toeskouers by elke geleentheid of wedstryd, verteenwoordig spelers of deelnemers meestal slegs 1% van die geleentheid. Kom ons wees eerlik – ons kinders is uiteindelik miskien slegs toeskouers, maar deur deelname stel ons in elk geval nuwe grense en skep nuwe geleenthede. Die B-, C-, D- en E-spanlede is net so belangrik soos die lede van die A-span. Hoewel vlakke en vaardighede verskil, is dit steeds 'n prestasie en belangrike deel van grootword.

Baie dankie aan alle ander spanspelers of deelnemers. Onthou julle presteer baie beter as diegene wat glad nie deelneem nie. Dit is nie die mense wat al die doele aanteken of orkesleiers is wat die wenner is nie – dit is hulle wat deelneem en deursettingsvermoë aan die dag lê, wat die beste prestasies behaal. Sonder toeskouers en ondersteuners is geen geleentheid volmaak nie en dit is 'n lewensfeit.

Ons hartlike dank aan ouers wat ondersteun, begryp en volhou terwyl hulle hul kinders vir die lewe en die toekoms voorberei. Met my ritme van 'n aartappel (volgens my musiekonderwyseres) is ek steeds lief vir musiek, opera, klassieke musiek, die teater en breek ek deur die klankgrense in die stort.

Kom ons lewe voluit en gryp elke geleentheid aan asof dit al is wat ons ooit gaan kry.

Dear Parents,

We kindly remind parents to inform the school of any extramural achievements your child might achieve. We recognize all extramural codes, as well as any academic achievements and will gladly hand over certificates, medals and trophies in this regard.

It is a great honour for us to host the Sanlam WOW competition. Our thanks to Dr Noeth as representative and educator in charge of this prestige event for Primary and High Schools. We wish all our learners the best and look forward to seeing their results. To Uncle Gerald and his team, sincere thanks for standing in and supporting this event which is outside of our normal year planner. We have become accustomed to a neat and well-maintained school and facilities. We are blessed with a positive and loyal support staff team.

Time is a wonderful gift and we need to bring it to your attention, that as with all aspects in life, the amount of quality not quantity time you spend with your child will determine the outcome and level of success. The only way to get a child to raise the performance bar, is by paying extra attention to that specific activity. Throwing an extra 100 balls, listening to the speech a thousand times and many more are all part of quality time. Although a certain amount of talent is needed, it is sometimes perseverance that forms a vital role in attaining these achievements.

With eighty thousand spectators at an event or match, the players or participants, more often than not, form only 1% of the event. Let us be honest, our children might in the end only be spectators, but participation sets new boundaries and creates more opportunities. The B, C, D and even E team members are just as important as the A-team members. Although levels and skills might be different it is still an achievement and a vital part of growing up.

Thank you to all other team players or participants. Remember you are achieving more than those who do not take part at all. It's not those who score all the goals, tries or who lead the band who are always the winners. It's those participating and persisting through life who achieve the most. Without spectators and supporters no event will ever be complete, that is a fact of life.

Our thanks to parents who support, understand and persist with their children while forming them in life and for the future. I have the rhythm of a potato, according to my music teacher yet I still love music, listen to opera, enjoy classical music, love theatre and break the sound barrier in my shower.

Let us live life to the full and use every opportunity as if it's the only one we might get.

The Sun Shines Bright at Sunridge and we enjoy every moment of it. Life is a journey, enjoy it!

Sonskyngroete/ Sunshine greetings
