

Geagte Ouers,

Soos voorheen genoem, het ons maatreëls en projekte in plek gestel in verband met die besparing en beter gebruik van water. Ek glo ons moet nou die Here dank vir die lieflike reën, ons is werklik geseënd en innig dankbaar. Ons moet nooit ophou om vir reën te bid nie en moet dit nooit as vanselfsprekend aanvaar nie.

Ons "tenkprojek" is suksesvol deur die 2017-prefekte geïnstalleer en ons is tans besig met die proses om dit by ons hele stelsel te inkorporeer en op te gradeer. Ons ondersoek ook maniere om reënwater te versamel, maar die huidige koste van hierdie projek is steeds te hoog.

Ons besin ook tans oor die doeltreffende gebruik van ons boorgat, aangesien dit noodsaaklik is om goeie besproeiing van ons sportvelde te verseker. Ons beoog om 'n besproeiingstelsel op die been te bring en die eerste fase is tien 10 000 liter-watertanks met 'n pomp. Kontak asseblief die kantoor of een van ons terreinbestuurders indien u by hierdie projek betrokke wil raak.

In 'n vorige nuusbrief is die beskikbaarheid van advertensieborde by die netbalbane, hokkieveld en voor die skool bekend gemaak. Ek glo dat ons genoeg tyd toegelaat het vir ons ouers om betrokke te raak. Ons sal dit binne die volgende paar weke aan borge van buite beskikbaar stel.

'n Omvattende plan vir 'n hokkietoeskouerspawiljoen is opgestel en ons kry tans kwotasies om die koste-implikasie te bepaal. Dit is weereens 'n geleentheid vir enige borge om betrokke te raak en die hokkiepawiljoen na u of u firma te laat vernoem.

Soortgelyke projekte vir tennis, swem en rugby/krieket is ook in die beplanningfase en ons moet seker maak dat dit deel van ons meesterplan vorm.

2019-Begroting

My hartlike dank aan die personeel en SBL vir 'n uiters konserwatiewe en deeglik beplande begroting. Met inagneming van die huidige finansiële klimaat het hulle steeds verseker dat ons kan bekostig om 'n volle diens op alle terreine aan te bied. Die SBL het besluit om die verhogingspersentasie dieselfde as verlede jaar te hou (7.14%). Dit beteken dat ons oor die afgelope 5 jaar nie 7.2% oorskry het nie, terwyl ons 'n skerp toename in die prys van brandstof, water, elektrisiteit en BTW moes trotseer.

Ons skoolfooie is tans R1 125 per maand oor 12 maande. Die voorgestelde skoolfooie vir 2019 is R1 205 oor 12 maande. U kan dit weereens oor minder as 12 maande betaal indien u verkies, want die 12 maande is net daar ter ondersteuning van ons ouers. Die volle bedrag sal egter vanaf Januarie 2019 op u faktuur/staat aangedui word.

Indien 'n mens 'n paar somme doen, sal jy vind dat 'n kind teen slegs R8.75 per uur onderrig ontvang. Dit sluit akademiese werk, basiese buitemuurse bedrywighede en verskeie geleenthede in. Teen hierdie bedrag het u kind ook toegang tot skoon badkamers, skoon gesuiwerde water en 'n veilige en goed versorgde omgewing en kan u kind gebruik maak van bronne en fasiliteite, terwyl hy/sy toegelaat word om kind te wees. Dit alles gebeur terwyl u kind met respek, integriteit, deernis en eerlikheid behandel word.

Met een van die hoogste akademiese standaarde is ons trots daarop dat ons Skoolbeheerliggaam ons steeds ondersteun, terwyl ons toekomsbeplanning en meesterplan op dreef is om gehalte-onderrig te verseker.

Ons sien uit na 2019 en u kan daarvan seker wees dat ons personeel gereed is om die volle beplanning vir aanstaande jaar voor die einde van die vierde kwartaal te voltooi. Soos gewoonlik sal ons nie in Desember sluit tensy alle beplanning voltooi is nie. Ons begin dan ook die jaar vanaf dag een en, soos gedurende die afgelope vyf jaar, sal ons akademiese volstroom aan die gang wees, met die buitemuurse program in plek.

Dit is u keuse om positief en ondersteunend te wees, terwyl u kind die uitstekende geleentheid wat ons bied, geniet.

Dear Parents,

We previously mentioned the measures and projects we are driving to save water and to better our usage of water. I believe we now need to thank the Lord for the wonderful rain, it is a blessing and we are truly thankful. We should never stop praying for rain, nor take it for granted.

Our "tank project" was successfully installed by the 2017 prefects and we are now in the process of upgrading it into our whole system. We are also looking at ways to harvest rainwater but the current cost of such a project is still too high.

The efficient use of our borehole is currently being looked at as it is essential to ensure we can supply good irrigation to our sport fields. We are looking at an irrigation system and the first phase will be to put up ten 10 000 litre water tanks with a pump. Should you wish to support this project please make contact with the office or one of our caretakers.

In a previous newsletter we communicated the availability of advertising boards at the netball courts, hockey field and front of the school. I believe we have allowed sufficient time for parents to make use of it. Within the next few weeks we will open it up to outside sponsors.

We have drawn up a detailed plan for a hockey seating pavilion and are currently getting quotations to determine the cost thereof. This is, one again, an opportunity for any sponsor to get involved and to have this pavilion named after you or your company.

Similar projects for tennis, swimming and rugby/cricket are also in the planning phase, while ensuring they fit into our master plan.

2019 Budget

I need to thank the staff and SGB for a very conservative and well planned budget. They took the current financial climate into consideration while ensuring we can still afford to deliver a full service in all fields. The SGB has decided to keep the increase percentage the same as last year (7.14%). This means that for the past 5 years we have not exceeded 7.2% while facing steep increases in fuel, water, electricity and VAT.

Fees are currently R1125pm over 12 months. The proposed fees for 2019 will be R1205pm over 12 months. Once again, you may pay them over less than 12 months if you so please - the 12 month is only there to support parents. We will however raise the full amount on your invoice/statement from January 2019.

If we apply a few basic figures we find that your child is educated for only R8, 75 per hour. This includes academic, as well as, basic extra mural activities and a variety of opportunities. For this rate they can use clean bathrooms, have access to clean, purified water, enjoy a safe and well kept facility, and make use of these resources while being allowed to be a child. This is all done while your child is treated with respect, integrity, compassion and honesty.

With one of the highest academic standards we are proud to be supported by our School Governing Body while our future planning and master plan is on track to ensure quality education.

We look forward to 2019 and I can ensure you that our staff are on track to complete our full planning before the end of the fourth term. As always, we will not close in December if all planning is not completed. We will also start our 2019 year from day one and will be academically fully operational, as in the past five years, with an extra mural program in place.

It's again your choice to be positive and supportive while your child enjoys the excellent opportunities we offer. "
