Geagte Ouers

Ons het ouers oor sosiale media gewaarsku en ook op die voordele daarvan gewys. Ons almal weet dit is 'n realiteit en dat ons voortdurend bewus moet wees van die feit dat dit sover moontlik beheer moet word. Ons moet op hoogte bly van verwickelinge op die sosiale media-front terwyl ons steeds ons kinders beskerm.

DIGITV

Dit is binne hierdie raamwerk dat ons baie opgewonde is om hierdie projek met die toekoms in gedagte te bestuur. Dit is egter noodsaaklik om die volgende te begryp: Alle filmmateriaal behoort aan die skool en die skool beheer wat uitgesaai word al dan nie. Die diensverskaffer verseker die veiligheid van ons filmmateriaal en stel ook 'n professionele persoon beskikbaar om beheer van die filmmateriaal te neem. Hierdie persoon is 'n opgeleide produksiebestuurder en gekwalifiseerde onderwyser wat die gehalte en standaard van die filmmateriaal verseker voordat dit uitgesaai word. Ons etos en waardes sal gehandhaaf word en die doel hiervan is om 'n ander medium as Whatsapp-videos te voorsien, iets wat professioneel gedoen is en deur kykers geniet kan word.

U sal moet registreer en u besonderhede aan die diensverskaffer verstrek. U ligging en waarna u kyk, is vir die diensverskaffer sigbaar. U kan al die skool se filmmateriaal soos gepubliseer, sien, asook die regstreekse uitsendings. Dit is 'n veel veiliger medium as Facebook of Whatsapp, wat geen redigering of kommentaar van buite toelaat nie, terwyl die geleentheid geskep word om 'n geslote TV-uitsending vir skole te geniet.

Ons sal in die toekoms poog om geen Whatsapp-video's of ander opnames by ons buitemuurse programme toelaat nie, aangesien hierdie medium ons in staat stel om inhoud te beheer en beskerm. Ons het geen beheer gehad oor die Whatsapp-video's of ander opnames en die kommentaar wat op sosiale media gevolg het nie. Hierdie medium is egter eiesoortig. Ons glo dat dit geleenthede binne 'n veilige en beheerde omgewing skep, terwyl tred gehou word met ontwikkelinge op die sosiale media-front. Die bedoeling is nie om enige kind se reg tot privaatheid te skend nie en dit is glad nie "Big Brother" nie.

Indien u egter verkies dat u kind nie deel hiervan moet wees nie, kan u skriftelik aansoek doen vir u kind om uitgesluit te word van die program wat opgeneem of uitgesaai word. Dit is u verantwoordelikheid om hom/haar te onttrek en aan hom/haar te verduidelik.

Die twee krieketwedstryde word hierdie week uitgesaai, die opname van die staaltromorkes is vir Vrydag op die program en aanstaande week het ons opnames van die Junior Koor, Senior Koor, Gr 7-danseksamen en die Defying Gravity-Dansskool. Hierdie opname sal vir kykers geredigeer en gepubliseer word.

Maak asseblief van die gratis toetstydperk gebruik en kyk ook na ander skole se opnames en regstreekse uitsendings.

Dear Parents,

We have warned parents about social media and have also pointed out the advantages thereof. We all know it is a reality and that the need to control it as far as possible is an ever present issue. We need to stay in contact with social media development while still protecting our children.

DIGITV

It is within this framework that we are very excited to run this project with the future in mind. It is however imperative to understand the following. All footage belongs to the school and the school controls what will or will not be broadcast. The service provider ensures the safety of our footage and also provides us with a professional person in charge of the footage. This person is a trained production manager and a qualified teacher ensuring the quality and standard of the footage before it is streamed. Our ethos and values will be upheld and the sole purpose of this is to provide a medium, other than Whatsapp videos, that is done professionally and to create the opportunity for it to be viewed.

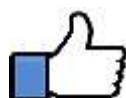

You need to register and provide your details to the service provider. Your location and what you view is visible to the service provider. You can view all schools footage as published, as well as live streaming's. This is a much safer and more secure medium than Facebook or Whatsapp, which does not allow external editing and comments, while still creating the opportunity to be on a closed schools TV broadcast.

In the future we will try not to allow Whatsapp videos or other recordings will not be allowed at our events - this medium allows us to control and protect. We cannot control Whatsapp videos, other recordings or the comments on social media. This medium is however in its own league. We believe that it creates opportunities in a safe and controlled environment while keeping up with social media development. It is not the intention to interfere with any child's right to privacy and it is not "big brother" at all.

Should you however feel that your child must not be part of it, you may request in writing for his/her exclusion in the event to be recorded or streamed. It is your obligation to withdraw him/her and explain it to him/her.

Two cricket matches are scheduled for live streaming this week. The recording of the steel band is scheduled for Friday. Next week we will have recordings of the Junior and Senior Choirs, the Grade 7 dance exam and the Defying Gravity Dance School. These recordings will be edited and then published for viewing.

Please make use of the free trial period and view the other schools recordings and live streaming.
