

Geagte Ouers

Ons beweeg vorentoe en in die proses nader die tennispawiljoen voltooiing. Dieselfde blou sitplekke as wat by die hokkiepawiljoen gebruik is, sal ook hier geïnstalleer word. Die grensmuur by die rugbyveld nader ook voltooiing en ons het ongeveer 3m aan die agterkant van ons veld gewen. Die veiligheid van die ou bome het ook ter sprake gekom en ons beplan om vir die toekoms nuwe inheemse bome aan te plant.

Werk aan die rugby- en krieketpawiljoen het ook reeds 'n aanvang geneem. Hierdie projek word, soos die ander projekte, deur ouers, borge, vriende en ons Familieklub ondersteun. U skoolfooie word glad nie geraak nie en dit bied aan u die geleentheid om 'n nalatenskap agter te laat.

Die kontrak duur 12 (twaalf) agtereenvolgende jare en die amptelike borgskap vir een van die beskikbare plekke op die pawiljoen beloop R50 000.00. Keuse van 'n spesifieke plek (voor of agter), asook die posisie, bedra 'n verdere R10 000. Indien u die naam van die pawiljoen (voor of agter) vir die volgende 50 jaar wil kies, sal dit R400 000.00 bedra.

Dear Parents

We are in the process of completing our tennis pavilion. We will fit the same blue seats as on the hockey pavilion to round it off. The boundary wall at the rugby fields is also close to completion and we have gained almost 3 meters at the back of our fields. The safety of the old trees was addressed and we are planning to plant new indigenous trees in the future.

We are now also working on the pavilion for the rugby and cricket field. This project, like the others, will be supported by parents, sponsors, friends and our Family Club. It will not influence your school fees and again it is giving you the opportunity to leave a legacy.

The contract will run for 12 (twelve) consecutive years and the official sponsor on one of the boards on the pavilion will cost you R50 000.00. For a specific place (front or back) as well as the position will cost you an extra R10 000. Should you wish to name the pavilion on the centre back and front for 50 years, it will cost you R400 000.

Ja, die dansateljee en swembad is op die agenda, weereens hang dit van die ouers, borge en vriende af om die projek van stapel te stuur. Ons bly steeds by ons besluit om nie skoolfooie vir hierdie tipe nuwe ontwikkeling aan te wend nie. Skakel asb. die kantoor indien u enige projek kan borg. Ons sien daarna uit om van u te hoor.

'n Paar lesse wat ek as Skoolhoof gedurende die afgelope 12 jaar geleer het.

- "Dit is altyd maklik om met 'n idee of plan vorendag te kom, maar nie so maklik om dit deur te voer of te verwesenlik nie."
- "Dis maklik om te sien hoe ander dit doen, nie so maklik wanneer 'n mens dit self moet doen of daarmee moet help nie."
- "Dis maklik om 'n probleem te identifiseer, om 'n oplossing te vind is moeiliker en om die korrekte oplossing te vind, is die moeilikste van alles."
- "Alle aangeleenthede het vier kante – my kant, jou kant, die regte kant en die tersaaklike kant."

"Lewe u nalatenskap en laat u erfenis agter – die toekoms is nou!"

Yes, we are looking at the dance studio and swimming pool; again it is all up to parents, sponsors and friends to get the projects off the ground. Currently we are sticking to the decision not to use school fees for this type of new development. Should you wish to sponsor any project, please contact the office - we look forward to hearing from you.

A few things I have learnt over the past 12 years as Principal

- "Always easy to present an idea or plan; not that easy to follow through and get it to materialize"
- "Easy to look how others must do, not that easy to do it your selves or be part of the doing"
- "Identifying problems is easy; creating the solution is the hard part; finding the correct solution is the hardest of them all."
- "All aspects have four sides: my side, your side, the correct side and the appropriate side."

"Live your legacy and leave your legacy – the future is now!"

EARLY LIFE: I moved around a lot as a child and attended five different schools in total. I've always been surrounded by many pets and loving family members.

FAMILY Life: I am very attached to all of my family members and love each one of them for their unique attributes. I wish I could force them all to live in Port Elizabeth, so I could see everyone more often.
