Geagte Ouers

Met verlede week se nuusbrieff nog vars in ons geheue, wil ons 'n paar aangeleenthede beklemtoon. Onderrig is definitief 'n gekombineerde poging van onderwysers en ouers wat in die beste belang van die kind saamwerk. Onderwysers bly egter onderwysers en ouers bly ouers. Die twee mag nooit verwar word nie! Basiese waardes en dissipline word by die huis aangeleer en op skool opgeskerp.

Ouers kan ongelukkig nie van die skool verwag om die kind te dissiplineer nie – dit is die ouers se verantwoordelikheid en dit is dan ook die sleutel tot suksesvolle onderrig. Indien u hierin faal, word al u drome en verwagtinge wat u van u kind koester, in gevaar gestel. Dit is 'n werklikheid wat die grondslag van onderrig bedreig en is die bron van mislukking op verskeie vlakke.

In die eerste plek moet u bewus wees van u kind se ware vermoë en om die uitdagings wat die lewe vir u, die onderwyser en u kind mag inhou, te trotseer. Indien daar egter dissiplinêre kwessies ter sprake kom, word die uitdagings en verwagtinge nadelig geraak.

Hoewel ons besef dat verwagtinge met respek en binne die ware vermoë van ons kinders gekommunikeer moet word, moet ons die dissiplinemaatstaf opwaarts aanpas, aangesien dit die sleutel tot sukses is.

Hiermee in gedagte moet die ouer-onderwyserverhouding sterk wees, met wedersydse respek, want kinders kan enige teken van swaakheid uitsnuffel en uitbuit. Ek het reeds oor hierdie aangeleentheid geskryf – dit is so oud soos die berge. Indien respek die botoon in die ouer/onderwyserverhouding voer, kan die kind nie die blaam afskuif nie.

DigiTV

Ons monitor die gebruik voortdurend en kan bekend maak dat DigiTV die aanmeldskakel op ons versoek opgedateer het. Soos gewoonlik het slegs geregistreerde kykers met hul besonderhede wat aan DigiTV bekend is, toegang tot ons filmmateriaal en die veiligheid van ons leerlinge is binne aanvaarde standaarde.

Met selfone is dit redelik moeilik om te monitor wie watter foto neem of video opneem. Aangesien ons die DigiTV-diens aanbied, kan ons voortbeweeg na 'n beleid wat die regulering van die neem van foto's en video's op ons terrain bewerkstellig.

Dear Parents

With last week's newsletter fresh in our memory we need to follow up on a few points. Education is surely a combined effort with teachers and parents working together in the best interest of the child. The teachers, however, stay the teacher and the parent the parent. We must never confuse the two! Basic values and discipline is a parental responsibility taught at home and strengthened at school.

To expect of the school to discipline the child is unfortunately not on, it is your basic parental obligation to ensure it is done at home and is the key to a successful education. If you fail this basic expectation the rest of your expectations and dreams for your child are being compromised and at risk. This is a reality threatening the foundation of education and the source of failure on a variety of aspects.

You first need to be aware of the true abilities of your child and to face the challenges life might have for you, the teacher and your child. This is all within the work environment, is reasonable and achievable. Should you add a disciplinary issue their true ability and challenges would be compromised and their expectations would be sacrificed by it.

We need to communicate expectations with respect and within the true abilities of our children. We need to raise the **discipline bar** as it is the key to success.

It is within this aspect that the parent-teacher relationship needs to be strong and respectful, as a child will sense any weakness and play them off against each other. I have previously written about this phenomenon which is as old as the mountains. With a respectful parent and teacher relationship the child is denied the opportunity to shift the blame.

DigiTV

We are constantly monitoring the usage and are pleased to inform you, that on our request, DigiTV have upgraded the login credentials. As always, only registered viewers with their information available to DigiTV can view our footage and the safety of our learners are within acceptable standards.

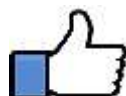

With cell phones it is quite difficult to monitor who take what photos or videos. Providing the DigiTV service we can move to a policy regulating the taking of photos or videos on our premises.

Sonskyngroete/ Sunshine greetings
