

**Dear Parents**

"The easiest way to predict the future is to create it"

A powerful message from Ryan Rousseau our 2019 Head Boy. It is within this spirit that we, again, invite all parents to come forward and get involved in our school. It is an example to all of us if a young man, at this age, understands the reasons for getting involved with the school.

We, with great anticipation, look forward to using our irrigation system within the next week, but more thankful to the Lord for sending rain - prayers for rain should always be a priority. The hockey fields are reaching completion and our thanks to the 2018 prefects for sponsoring the seating for the hockey pavilion.

The opportunity for parents or companies to sponsor an advertising board is still open. We are creating the future of our school and it is only sponsorships and parents leaving a legacy which make the current development possible. Join in and create the future with us please!

Silent partners (parents) have come forward and innovated projects will soon be communicated to you which will include our long awaited two classrooms. They have already started working together on their side of the Parents Club. They, with the support of the old PTA, organised the hockey walkway and are "creating the future" and leaving a legacy.

On behalf of all our learners we would like to thank them for their support through contacts and availing their expertise. We need to work together and see the bigger picture while leaving a legacy for the future.

With the Sunridge 7's coming up on 18 May 2019 we need to use the opportunity to work together with the selling of food and refreshments on the day. The money raised will be put back into development projects. If rugby, tennis or swimming are envious of the netball and hockey developments, this is your chance as the innovated projects include you.

TRAFFIC

With all due respect, monitoring traffic around the school is a very frightening exercise: drivers seem to ignore the fact that children are crossing the road and using walkways. Some parents have, in no uncertain terms, told staff to get lost as they do not have any jurisdiction in regard to this. This attitude make us spectators while it is clear that our children are at risk. The school cannot deal with this matter outside our premises but still need to take steps to protect our children.

We have been working at this for the past 5 years. Future plans, recommendations and solutions were communicated by us to the relevant authorities - it is now, with the school's support, in their hands.

Last week we had a very productive meeting with the local authorities - please take note that they will now monitor the traffic and steep fines will be issued. They will work on solutions but it will take time. Although this is out of our hands, we will protect our children and inform authorities about offenders. The school cannot act as messenger in this regard, please report offenders to the authorities.

Please drive carefully, obey road rules and use patience when dropping your child off or fetching him or her. Not everyone can park around the school, we need to use the parking space to drop off and move on. Do not drop your child off in the middle of the road. In support of the authorities please change your drop off time and please try and stick to the new allocated gates. Gate 8 is not currently being used enough. Two or more children - gate 8 is the safest option. After cares - gate 2 & 16.

School Fees

Thanks to 90% of parents who paid their fees for January 2019. Fees for February must please be paid by the 7th and please pay any outstanding fees from January to prevent your account being handed over in full for the entire year. January's fees should have been paid by the 7th, we understand constraints but want to support you by kindly reminding you to please comply.

Geagte Ouers

"Die maklikste manier om die toekoms te voorspel, is om dit self te bou."

'n Kragtige boodskap van Ryan Rosseau, Hoofseun 2019. In hierdie gees nooi ons alle ouers om na vore te tree en by ons skool betrokke te raak.

As 'n jong man van hierdie ouderdom verstaan waarom 'n mens by jou skool betrokke moet raak, stel hy sekerlik vir ons almal 'n voorbeeld.

Ons sien reikhalzend daarna uit om ons besproeiingstelsel binne die volgende week in werking te stel, maar ons is in die eerste plek dankbaar teenoor ons Skepper vir die reën. Gebede om reën moet altyd ons prioriteit bly. Die hokkievelde nader voltooiing en ons wil graag ons 2018-prefekte hartlik bedank vir die borg van die sitplekke op die hokkiepawiljoen.

Daar is steeds geleentheid vir ouers en maatskappye om die advertensieborde te borg. Ons bou ons skool se toekoms en dit is slegs borgskappe en ouers wat 'n nalatenskap agterlaat, wat die huidige ontwikkelinge moontlik maak. Vat hande en bou asseblief die toekoms saam met ons!

Stille vennote het ingetree en projekte aangepak wat binnekort bekend gemaak sal word. Dit sluit ons langverwagte twee klaskamers in.

'n Paar pa's het reeds begin werk aan hulle deel van die Ouerklub. Met die hulp van die voormalige OOV het hulle die hokkiepaadje voltooi en as stille vennote bou hulle die toekoms en laat 'n nalatenskap agter.

Die Sunridge 7's vind op 18 Mei 2019 plaas en ons moet van die geleentheid gebruik maak om kreatief saam te werk i.v.m. die maak en verkoop van kos op die dag. Die fondse wat ingesamel word, sal vir ander ontwikkelingsprojekte aangewend word. Indien die rugby-, tennis- of swemmense met verlangende oë toekyk hoe netbal- en hokkieprojekte van stapel gestuur word, kan hulle ontspan, want daar is ook projekte vir hulle in die toekoms.

Ons wil ons stille vennote (ouers) namens ons leerlinge bedank vir hulle ondersteuning deur middel van kontakte en kundige ervaring. Ons moet saamwerk en die groter prentjie sien terwyl ons 'n nalatenskap vir die toekoms agterlaat.

VERKEER

Dit is 'n vreesaanjaende ervaring om die verkeer rondom die skool te monitor, want met alle respek wil dit voorkom asof motoriste nie bewus is van die feit dat kinders die pad oorsteek en die syaadjies gebruik nie. Ouers sê reguit vir personeel om in die dam te spring, aangesien hulle geen seggenskap het nie. Hierdie houding maak van ons toeskouers terwyl ons kinders duidelik in gevaar verkeer. Die skool kan nie hierdie saak buite ons skoolterrein hanteer nie, maar ons moet stappe neem om ons kinders te beskerm.

Ons werk al die afgelope vyf jaar aan hierdie saak. Toekomsplanne, aanbevelings en oplossings is deur ons voorgestel, nou is dit in die hande van die owerhede en ons sal hulle ondersteun.

Ons het verlede week 'n uiters produktiewe vergadering met plaaslike owerhede gehad en u moet daarvan kennis neem dat hulle nou die situasie sal monitor en kwaai boetes sal opgelê word. Hulle werk aan oplossings, maar dit is tydrowend. Dit is nou uit ons hande, maar ons sal ons kinders beskerm en owerhede van oortreders in kennis stel. Die skool kan nie in hierdie verband boodskapper speel nie, rapporteer oortreders dus asseblief direk aan die owerhede.

Ry asseblief versigtig, gehoorsaam padreëls en lê geduld aan die dag wanneer u kinders op- of aflaai. Almal kan nie rondom die skool parkeer nie, ons moet die parkeerruimte net gebruik om kinders af te laai en dadelik te ry. Moet u kinders nie in die middel van die straat aflaai nie. Verander u tye, ry miskien 'n bietjie vroeër en gebruik asseblief die nuwe aangewese hekke om die owerhede te help. Hek 8 word nie genoeg gebruik nie. Twee of meer kinders - hek 8 is die veiligste opsie. Nasorg - hek 2 & 16.

Skoolfooie

Baie dankie aan die 90% van ons ouers wat skoolfooie vir Januarie 2019 betaal het. Skoolfooie vir Februarie moet asseblief voor die 7de betaal wees en betaal asseblief u agterstallige fooie om te verseker dat u volle rekening vir die hele jaar nie oorhandig word nie. Januarie-skoolfooie moes reeds voor die 7de betaal gewees het. Ons verstaan dat Januarie dalk 'n moeilike maand was, maar ons wil versoek dat u so spoedig moontlik betaal.
