“Never underestimate the power of dreams and the influence of the human spirit” – Wilma Rudolph

Die pad wat ek oor die afgelope 30 jaar met kinders gestap het, het my met hul drome in kontak gebring. Ek het onlangs weer met verwondering geluister na die wonderbaarlike drome wat ons kinders vir hul toekoms koester. Ek het nou ook kontak met kinders in daardie “toekoms” – sommige lewe hul drome uit en ander worstel met die “toekoms”.

Die enigste manier om die toekoms aan te durf, is met ‘n positiewe ingesteldheid. Hierdie positiewe gees ervaar ek op ‘n daaglikse basis wanneer ek ‘n klaskamer besoek, ‘n wedstryd bywoon, na die orkes luister of net met ons kinders gesels.

My punt is? Wie is ons om aan drome te twyfel? Kom ons ondersteun ons kinders en moedig hulle aan om te droom. Laat hulle toe om foute te maak en te groei terwyl ons op begrip en ondersteuning konsentreer. Ons almal maak tog foute en dit is hoe ons leer en groei. Die opheffing van die menslike gees is ‘n fundamentele taak wat ons daaglik moet onderneem.

Groet die taxibestuurder vriendelik en laat hom toe om voor jou in te draai – dit belooft heelwat meer bevrediging as die hoë bloeddruk wanneer jy jou humeur verloor. Dit het ek geleer toe ek met ‘n paar van hulle gesels het en ‘n bietjie meer oor hul lewenswyse geleer het. Dit beteken nie dit is reg of aanvaarbaar nie! Dit is snaaks dat die taxibestuurders nou my voertuig ken, hulle laat my toe om voor hulle in te draai, hulle swaai nie meer voor my in nie en hulle sê selfs jammer. Terwyl ons hierdie onderwerp bespreek, het ek besef dat ek nog nooit ‘n vroulike taxibestuurder gesien het nie.

Voor ons dus ons frustrasies op die kinders, die onderwyser of die skool uithaal, laat ons kalm bly en probeer om dit vanaf ‘n ander perspektief te sien.

Met die weer wat op die oomblik so onvoorspelbaar is, ervaar ons dat al hoe meer leerlinge met hul gesondheid sukkel. Om ‘n baie siek kind skool toe te stuur, is nie die regte ding nie, maar om ‘n gesonde kind tuis te hou, is ook nie reg nie. Ondersteun ons asseblief en neem kennis dat ons nie ‘n kind se gesondheid in gevaar moet stel terwyl die skool nog aan die gang is nie.

Dis nie lekker om leerlinge gedurende skooltyd in ‘n restaurant raak te loop of om te sien hoe hulle vir die Skoolhoof probeer wegstuur nie – die Skoolhoof hoef nie altyd op kantoor te wees om sy werk te doen nie. Dit is nie lekker om amptenare of werkverwante mense te ontmoet terwyl jou skoolkinders stokkie draai nie.

Dit is egter lekker om hulle te groet of deur hulle gegroet te word wanneer hulle ná skoolure besig is om iewers te kuier.

Dear Parents

“Never underestimate the power of dreams and the influence of the human spirit” – Wilma Rudolph

Chatting with children and working with them for the past 30 years has brought me into contact with their dreams. Recently I was again amused by the wonderful dreams our children have for their future. I am also in touch with children in that “future” - some are living their dreams and others are battling with the “future”.

A positive spirit however is the key to deal with the “future” in all aspects of life. I see this positive spirit on a daily basis when spending time out of office to visit a classroom, attend a match, listen to the band or to just chat with children.

My point? Who are we to doubt their dreams, let us support and encourage our children to dream. Let us allow them to make mistakes and grow while we focus on understanding and support. We all make mistakes - that is the way we learn and grow. Uplifting the human spirit is a fundamental task we should all undertake daily.

Greeting the taxi driver and allowing him to enter your right of way brings more satisfaction than the high blood pressure when losing your cool. I learnt that when chatting with some of them and learning of their way of living. Not that it is right or acceptable! Strange that they now know my vehicle, they allow me in and tend not to cut in front of me and even say sorry. While on this point, I realized that I never see woman taxi drivers?

So, before we act out of frustration towards children, teacher or the school, let us rather keep our cool and try to look at it from another side.

With the weather changing fast and being unstable we find more and more learners battling with health issues and sending a very sick child to school is not the right thing to do. To keep a healthy one at home is also not the right thing to do. Please support us and note that while school continues we cannot compromise the health of a child.

It is not nice to see learners in a restaurant during school hours or to find them ducking and diving to get out of sight as the Principal does not always have to be in office to do his work. Neither is it nice to meet with officials or work related people while your school children are skipping school.

It is however nice to greet them or be greeted after school hours when they are out and about.
