SUNRIDGE VANDAG — SUNRIDGE TODAY

CONJUNCTI CRESCIMUS

12 August 2020

Dear Parents

Welcome back to all staff and learners. We need to thank our SMT and Support Staff for working during the "break" to get all in place for this term. Our building is clean, disinfected and the term planning has been completed. Irrespective of the challenges, our work is of such a standard that we are confident we will still meet all normal requirements to ensure we can complete the academic year successfully.

As we were not able to complete our full 10-day cycle before the "break " we will end this week 13 and 14 August 2020 with week two's schedule as already communicated for Grade 1 - 6.

To get all back on track we will start again on Monday, 17 August 2020 with week two's schedule. This will ensure that all classes and subjects are on the same page with the curriculum.

13/08/2020 - 21/08/2020 week two
24/08/2020 - 28/08/2020 week one

We are not willing to compromise and with good parenting as our main support throughout this pandemic, the lesson planning and grading done by teachers proves to be quality work in support of the academic year. We are keeping to the national revised teaching curriculum. Although we missed out on the formal assessment for term two we will support our learners with the skill to write exams.

With the "break "compromising our planned key subject mini exam and assessment we will now focus on completing the year's academic work by 23 October 2020 and preparing our learners for the final exam and assessment which will commence in early November.

We will communicate our full planned exam schedule well in advance. With the social distancing and COVID-19 regulations we will be challenged to complete this exam in time and up to our high standard. We will all have to make sacrifices and plan carefully to ensure success. What is of utmost importance is that we need to work as a team to make sure our children are granted a fair opportunity to complete the academic year successfully.

We are already putting measures in place for the safety and decontaminating of exam papers so as to enable the teachers to complete marking in time. Our aim is to submit our final schedules to the Department of Education on or before 7 December 2020.

We would again like to thank all children, parents and teachers for working diligently throughout the challenges created by COVID-19. I must again salute all for working side by side and not losing focus in spite of having different opinions. It is a given that we will disagree but it is the way we do it that determines our success.

May the Lord bless Sunridge - we pray for solutions for all the challenges facing us. Please communicate with your teacher and support him/her as the key to your child's successful completion of the academic year.

Stay Safe.

Sunshine greetings

SUNRIDGE TODAY

CONJUNCTI CRESCIMUS

12 Augustus 2020

Geagte Ouers

Ons verwelkom alle personeel en leerlinge terug by die skool. Ons hartlike dank aan die SBS en Ondersteuningspersoneel wat gedurende die vakansie druk besig was om alles vir die nuwe kwartaal in plek te plaas. Ons gebou is skoon en ontsmet en die kwartaalbeplanning is gedoen. Ten spyte van die uitdagings is ons werk van sodanige standaard dat ons vol vertroue is dat ons steeds aan alle normale vereistes kan voldoen om die akademiese jaar suksesvol af te handel.

Soos reeds aan Gr 1 – 6 deurgegee, skop ons af met week twee van 13/08/2020 tot 14/08/2020, aangesien ons nie ons volle 10 dag-siklus voor die vakansie kon voltooi nie.

Ten einde behoorlik op dreef te kom, begin ons dan weer op Maandag 17 Augustus 2020 met die rooster vir week twee. Dit sal verseker dat alle klasse en vakke op datum is met die leerplan.

13/08/2020 tot 21/08/2020 week twee
24/08/2020 tot 28/08/2020 week een

Ons is nie bereid om ons standaarde prys te gee nie en in samewerking met ons ouers wat ons gedurende die pandemie getrou bystaan, het die lesbeplanning en gradeerwerk deur onderwysers die akademiese jaar van ondergang gered. Ons volg die hersiene nasionale onderrigleerplan. Hoewel die formele assessering vir kwartaal twee skipbreuk gely het, sal ons leerlinge met die nodige eksamenvaardighede toegerus word.

Met die vakansie wat ons beplande sleutelvak-mini-eksamen en asssessering in die wiele gery het, fokus ons nou daarop om die akademiese werk vir die jaar teen 23 Oktober 2020 te voltooi en ons leerlinge voor te berei vir die eindeksamen en assessering wat vroeg November 'n aanvang sal neem.

Die volledige voorgestelde eksamenrooster sal betyds aan u deurgegee word, aangesien die sosiale afstand en COVID-19-regulasies uitdagings meebring wat betref voltooiing van die eksamen en handhawing van ons hoë standaarde. Ons almal sal opofferings moet maak en sorgvuldig moet beplan ten einde sukses te verseker. Dit is uiters noodsaaklik dat ons as span saamwerk om te verseker dat ons kinders 'n billike geleentheid gegun word om die akademiese jaar suksesvol te voltooi.

Ons is reeds besig om maatreëls in plek te plaas om die veiligheid van eksamenvraestelle en die ontsmetting daarvan te verseker sodat onderwysers betyds hul kan merkwerk kan voltooi. Ons beoog om ons finale skedules op of voor 7 Desember 2020 by die Departement van Onderwys in te dien.

Weereens ons hartlike dank aan alle kinders, ouers en onderwysers wat te midde van die chaos wat deur COVID-19 gesaai is, steeds toegewyd gewerk het. Ek bring hulde aan almal wat, ten spyte van meningsverskille, onverpoosd gewerk het sonder om fokus te verloor. Dit is 'n uitgemaakte saak dat ons van mekaar sal verskil, maar dit is dié manier waarop ons dit doen, wat ons sukses bepaal.

Mag die Here Sunridge seën en ons bid vir krag om al die struikelblokke te oorwin. Kommunikeer asseblief met u kind se onderwyser en ondersteun hom/haar, aangesien die onderwyser die sleutel hou tot u kind se suksesvolle voltooiing van die akademiese jaar.

Bly veilig
