

Dear Parents

Test Series and Reports

We are very proud of our learners for completing the test series the way they did. With no major issues we have been able to obtain a fair reflection on our academic standard to support us in evaluating work done. The Grade 4's had their very first test series and although there was a little bit of “stress” they dealt with it no differently to in the past. Well done to our children, parents and teachers. Staff burnt the midnight oil and had to adjust the moderation process to allow for the COVID-19 decontamination of all papers. Reports will be ready by next week and we will hand them to learners attending on the alternative days on Thursday, 22 and Friday, 23 October 2020.

Those not attending school due to challenges can collect reports at the drop-off zone for Grade 5's (Gate 8) on Friday, 23 October 2020 between 10:00 and 11:00 - if not collected you will need to make an appointment at the office to do so at the beginning of the fourth term.

Projects

We have spoken many times about leaving or being part of a legacy. I must complement our parents for embracing this over the past 7 years. We have developed and grown unbelievably and we receive many positive comments and support in this regard.

Drop-off Zones: Thank you so much to parents and staff who have made contributions in this regard. Nothing is too small and we are truly thankful as upgrading or paving/cementing these areas will make life easier for all. To do one drop-off zone will cost ±R45 000 and we are working hard to make this possible.

Swimming pool area: We are currently addressing the water issues, pump station failure and structural problems while the pool is not in use. Combined with our Clothing Shop and Drama Studio projects we are running within a very tight budget. Again our parents have stepped in to support the project so that we can create a platform for the future.

We have put the naming right of the Drama Studio up for sponsorship like we did with the Netball and Rugby pavilions. The value of this must be in the region of R400 000 to be in line with the other projects. This will take time and within tight financial circumstances we still want to move forward, even if it is with baby steps.

The swimming pool must be ready for the first term of 2021 and we intend to have the clothing shop operational by the end of January 2021. The drama studio still presents some challenges but we are working hard to overcome them. Thank you to parents for their support: a bag of cement, load of building sand, a tray of stock bricks, 15 trays of paving and other materials are slowly making this project possible.

Being at Sunridge already makes you part of the legacy - we, however, kindly extend an invitation to all parents and staff to become even more involved. Please send an email to info@sunridge.co.za and we will contact you or put you in contact with our project leaders.

“Hardships often prepare ordinary people for an extraordinary destiny” – C.S. Lewis

Recently a parent, dealing with the hard reality of COVID-19, sent me an email; in it was the above quote and it made me think about our destiny and how we will create the future to ensure our children are prepared for it. We cannot live their lives for them and we need to allow them the space they need. Easier said than done but eventually dealing with and facing hardship forms our children.

Sunshine greetings

Toetsreeks en Rapporte

Ons is trots op die manier waarop ons leerlinge die toetsreeks voltooi het. Daar was geen groot probleme nie en ons kon 'n redelike idee van ons akademiese standaard kry, wat ons in staat gestel het om die werk te kon evalueer. Gr 4 het hul eerste toetsreeks beleef en hoewel die senuwees bietjie geknaag het, het hulle dit, soos in die verlede, goed hanteer. Knap gedaan aan ons kinders, ouers en onderwysers. Personeel het tot laatnag gewerk en ons modereringsproses moes aangepas word om die ontsmetting van alle vraestelle toe te laat. Rapporte sal volgende week op die alternatiewe dae, Donderdag 22 Oktober 2020 en Vrydag 23 Oktober 2020 aan leerlinge oorhandig word.

Ouers wie se kinders as gevolg van uitdagings nie skool bywoon nie, kan die rapporte tussen 10:00 en 11:00 op Vrydag 23 Oktober 2020 by die aflaai plek vir Gr 5 – Hek 8 - afhaal. Indien die rapporte nie afgehaal word nie, sal u in die vierde kwartaal 'n afspraak met die kantoor moet reël om dit te kom haal.

Projekte

Ons het al telkemale daarvoor gepraat om 'n nalatenskap agter te laat of om deel van 'n nalatenskap te word. Ons ouers verdien erkentlikheid vir die wyse waarop hulle die afgelope 7 jaar aan hierdie oproep gehoor gegee het. Ons het ongelooflik baie ontwikkel en gegroei en het baie positiewe kommentaar en ondersteuning in hierdie verband ontvang.

Aflaai plekke: Baie dankie aan die ouers en personeel wat bydraes in hierdie verband gemaak het. Geen bydrae is te gering nie en ons is opreg dankbaar, want die opgradering en aanbring van plaveisel/semment by hierdie plekke sal die lewe vir ons almal vergemaklik. Die opgradering van een aflaai plek sal ongeveer R45 000 bedra en ons sit skouer aan die wiel om dit 'n werklikheid te maak.

Swembadgebied: Met waterkweessies, 'n wankelmoedige pompstasie en infrastruktuurprobleme, spreek ons tans hierdie kwesie aan terwyl die swembad nie in gebruik is nie. Tesame met ons klerewinkelprojek en drama-ateljee moet ons die sente twee keer omdraai. Ons ouers het weereens ingespring om te help sodat ons aan ons toekoms kan bou.

Ons wil, soos in die geval van die netbal- en rugbypawiljoene, die naam van die drama-ateljee op borgskap plaas. Die waarde van die naam moet minstens R400 000 wees om dit op dieselfde vlak as die ander projekte te bring. Dit sal beslis tyd neem en met moeilike finansiële omstandighede sal ons maar langsaam vorentoe beweeg.

Die swembad moet gedurende die eerste kwartaal van 2021 gereed wees en ons is voornemens om die klerewinkel teen einde Januarie 2021 in gebruik te neem. Die drama-ateljee is ietwat meer van 'n uitdaging, maar ons werk daaraan om dit die hoof te bied. Baie dankie aan ons ouers vir hul bydraes – 'n sakkie semment, 'n vrag bousand, 'n paar pleisterstene, 15 kweessies plaveisel en ander materiaal dra alles by tot die sukses van hierdie projek.

Wanneer 'n mens aan Sunridge verbonde is, is jy reeds deel van die nalatenskap, maar ons wil alle ouers en personeel vriendelik uitnoui om selfs meer betrokke te raak. Stuur asseblief 'n e-pos aan info@sunridge.co.za en ons sal u kontak of in kontak bring met ons projekteiers.

'n Ouer wat met die harde werklikheid van COVID-19 kennis gemaak het, het 'n e-pos aan my gestuur, met bogenoemde aanhaling, en dit het my laat besin oor waarheen ons op pad is en hoe ons kan verseker dat ons kinders op die toekoms voorbereid is. Ons kan nie namens hulle lewe nie en ons moet hulle al die ruimte gun wat hulle nodig het. Makliker gesê as gedaan, maar uiteindelik word ons kinders deur die struikelblokke wat hulle moet oorkom, gevorm.
