

Dear Parents

We are very pleased that the country was able to move to Level 2. This, however, does not change any of our regulations and policies. Please read previous newsletters and note that with our safety measures in place we do not entertain any late arrivals as our staff need to get inside to serve our learners. On rainy days we scan, sanitize and do all administration within the building. When the bell at 08:00 the gate keepers do a radio check that no vehicle is still dropping off in a drop off zone. The front gate is only for people with appointments as we then need to provide a full screening team.

We humbly request that parents, learners and staff take care not to let their guard down due to the move to Level 2. COVID-19 is still with us – it is real and we need to act responsibly. We are aware and understand the need for social functions and gatherings but please do so safely.

All of us have had to make sacrifices, some maybe more than others but in the end it is all about our children. You may have a different opinion - we respect that and only ask the same back.

Academics

While adhering to policies we have not compromised our standards. To ensure we can provide an accurate reflection of the work done to date we will, within this term, run a test series (exam) for Grade 4 - 7 and a comprehensive assessment for Grade 1 - 3. The curriculum for the academic year must also be completed this term. The fourth term starts on 2 November 2020 and with 18 days needed to complete the test series/assessment (exam) and at least 7 working days thereafter to complete marking, moderation and the reports, we will be challenged for time during the fourth term.

As this term is worth 40% of the year's final mark it is essential that we follow through with a well planned opportunity for our children to complete it.

This will, however, ask of us to make a few sacrifices to complete it in time while taking social distancing and confidentiality into account. A detailed test time table is provided and it will require careful planning to support our children to complete it successfully. Grade 1 - 3 will continue as normal, while we will need to bring two full grades (4 and 7) and (5 and 6) back to school every second day to be able to write the question papers as a grade. This will be from 30 September 2020 - 9 October 2020. We will continue from the 12 October 2020 with the school timetable as it currently is.

We have grouped these grades (4 and 7) and (5 and 6) together to be able to accommodate all within social distancing and to comply with regulations. The same will apply for November. We will also require all learners working from home to come in to write their papers in a specially prepared venue on the same day as the other learners in the grade. Families might find that while one child is at home the other one is at school during this test series/assessment (exam). It is, however, only for 8 days and surely worth the sacrifice so that all learners get equal opportunities.

It is also the only way to ensure a fair test series/assessment (exam) for all and the marks on the report will be an accurate and true reflection of the work done. Reports will be handed out to the learners on the last two days of this term.

Thank you for your support.

Sunshine greetings

Geagte Ouers

Ons is baie verlig dat die land na Vlak 2 kon beweeg. Dit verander egter niks aan ons regulasies of beleide nie. Lees asseblief die vorige nuusbriewe en neem kennis dat, ingevolge ons veiligheidsmaatreëls, geen laatkomers toegelaat kan word nie, aangesien ons personeel moet inkom om die leerlinge te bedien. Op reëndae word alle sifting, sanitering en administrasie binne die gebou gedoen. Wanneer die klok om 08:00 lui, word 'n radioroep gedoen om seker te maak dat daar geen voertuie by die aflaaipekke is nie. Die voorhek word slegs vir diegene met afspraak gebruik, aangesien ons 'n volle siftingspan moet gereed hê.

Ons rig 'n nederige versoek aan ouers, leerlinge en personeel om waaksaam te bly ten spyte van die afskuif na Vlak 2. COVID-19 bly steeds 'n wesenlike gevaar en ons moet verantwoordelik optree. Ons is bewus van die behoefte aan sosiale besoeke en kuiertjies, maar kom ons bly veilig wanneer ons dit doen.

Ons almal moet opofferings maak, sommige miskien meer as ander, maar uiteindelik doen ons dit in die belang van ons kinders. U mag dalk anders daarvoor voel – ons respekteer dit en verwag wedersydse respek van u.

Akademiese aangeleenthede

Terwyl ons aan beleide voldoen het, het ons nie ons standaard ingeboet nie. Ten einde 'n akkurate weerspieëling te kry van die werk wat gedoen is, vind daar gedurende hierdie kwartaal 'n toetsreeks (eksamen) vir Gr 4 – 7 plaas, asook 'n omvattende assessering vir Gr 1 – 3. Die leerplan vir die akademiese jaar moet ook gedurende hierdie kwartaal afgehandel word, want die vierde kwartaal begin op 2 November 2020 en met 18 dae wat benodig word om die toetsreeks/assessering (eksamen) te voltooi, asook 7 werksdae ná die toetsreeks/assessering (eksamen) vir merkwerk, moderering en voorbereiding van rapporte, sal ons gedurende die vierde kwartaal onder druk verkeer.

Aangesien hierdie kwartaal se werk 40% van die jaar se finale punte behels, is dit noodsaaklik dat ons 'n goedbeplande geleentheid benut vir ons kinders om dit te voltooi.

Dit gaan opofferings verg om die werk betyds te voltooi terwyl die sosiale afstand en vertroulikheid gehandhaaf word. 'n Omvattende toetsrooster word voorsien en dit sal sorgvuldige beplanning verg om ons kinders te help om dit suksesvol te voltooi. Gr 1 – 3 gaan soos gewoonlik voort, terwyl ons twee volle grade (4 en 7) en (5 en 6) elke tweede dag skool toe bring, sodat die vraestelle as 'n graad geskryf kan word. Hierdie toetsreeks/eksamen duur van 30 September 2020 tot 9 Oktober 2020. Vanaf 12 Oktober 2020 keer ons dan terug na die rooster soos dit tans daar uitsien.

Hierdie grade (4 en 7) en (5 en 6) word saamgevoeg ten einde almal te akkommodeer met inagneming van sosiale afstand en regulasies. Dieselfde geld vir November. Alle leerlinge wat afstandonderrig ontvang, sal ook op dieselfde dag as die ander leerlinge in hul graad moet inkom om in 'n spesiaal voorbereide lokaal eksamen te skryf. Gesinne mag dalk nou ervaar dat een kind gedurende die toetsreeks (eksamen) by die huis is terwyl die ander een by die skool is. Die reeks duur egter net 8 dae en dit is beslis die opoffering werd om seker te maak dat alle leerlinge gelyke geleenthede kry.

Dit is ook die enigste manier om te verseker dat almal 'n regverdige kans kry om die toetsreeks/assessering (eksamen) af te lê, en die rapportpunte sal 'n akkurate en ware weerspieëling wees van die werk wat gedoen is. Rapport word gedurende die laaste twee dae van die kwartaal aan leerlinge oorhandig.

Baie dankie vir u ondersteuning.
