Dear Parents

Tuck Shop

As this is an outside service we are limited as to what we can and cannot provide. We receive a standard prepared order form and what is on the Fresh Sandwich, Tramazzini, Burger, Pies, Wrap or in the salad cannot be specified.

As the order for drinks is in bulk and comes in mixed flavours, please rather order water should the flavour perhaps be a problem. We only accept bulk orders per grade and we cannot entertain individual orders. As we are testing the service so as to present an in-house service from 2022 the current menu provides us with valuable information.

Thank you for your support and understanding.

Incidents at School

When an incident gets reported through the correct channels we investigate the matter and act accordingly. We do not announce the outcome (corrective measures). The matter is addressed confidentially with staff or the learners involved.

Suspension or temporary suspension of learners can be part of our corrective measures BUT we choose it to be supported by the parents to prevent a disciplinary hearing as this is not always suitable for a primary school learner.

Incidents always have more than one side and we are currently busy with an in-depth investigation, which has been postponed until after the test series. As this incident is very close to home serious and urgent intervention is needed.

Social media is again proving to be the enemy and we have proof of games being played outside the lawful age restriction, this with the full knowledge of their parents and parents even playing with them.

"Dissing" and cursing is a reality and we are confronted with children playing mind games with one another. A specific learner gets targeted and he or she will be provoked in the hope they will "crack". This means these games are being played at home and videos are being watched which provide examples and information.

Denying is also fast becoming a form of ART as learners learn to play with words, turning the truth, shifting the blame or standing together to put the blame on the target learner. It is quite shocking! There are always two sides to a story.

Messages on cell phones, verbally or in text are deleted BUT we have recovered a few messages proving our fears. How many times must a child resist this sort of harassment before it becomes part of his/her character?

Open Door Policy

We have appointed staff to deal with different issues on all levels. They are trained and frequently receive information and updates on the way to deal with these cases. Following the channels and working with them ensures the proper attention and outcome for the specific issue. They are appointed by me and work with my authority to resolve issues - they report to the SMT and to me to ensure a prompt and reliable outcome.

The outcome a parent seeks cannot be seen as the only one or the correct one and to allow time for it to be resolved is the key. Since 2014, following these channels has proved to work in 99% of cases. Putting a problem in writing also helps to prevent any misunderstanding. By not chasing an outcome we manage to resolve issues in a calm and productive way.

Only problems that cannot be resolved 'land' on my desk. The open door policy is therefore a huge DOOR starting with your class teacher.

2022 BUDGET

The SGB have planned carefully and a concept budget is available. We will send a summary and also make it available at school. Unfortunately, we still await clarity from the Department of Education on the Post Provisioning and Paper Budget for 2022 as this can influence our budget. We await this statutory duty to be confirmed before we will schedule our parent budget meeting.

We have planned for 2022 as a normal year and the increase in school fees has been kept to 7,4% with the total school fees for the year set at R17 292. The SGB will propose that school fees can be paid over 12 months at R1441 per month as in the past OR a once off payment by the end of February as prescribed by the South Africans School Act.

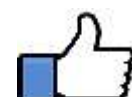

We would like to thank the SGB for a very conservative and stream lined budget. It is also appropriate to thank them for the clothing shop initiative as this provides parents with an affordable option.

We look forward to 2022.

Sunshine greetings

Geagte Ouers

Snoepie

Aangesien dit 'n buitediens is, word ons beperk met wat ons kan voorsien. Ons ontvang 'n voorbereide standaardbestelling en die Vars Toebroodjies, Tramazzini's, Burgers, Pasteie, 'Wraps' of slaaie kan nie volgens spesifikasies bestel word nie.

Aangesien die drinkgoed in grootmaat bestel word en die geure in die verpakking gemeng is, moet u asseblief liefs water bestel indien die geur dalk 'n probleem kan wees. Ons aanvaar slegs grootmaatbestellings per graad en kan nie individuele bestellings hanteer nie. Aangesien hierdie 'n toetslopie is sodat ons vanaf 2022 ons eie snoepie kan bedryf, leer ons waardevolle lesse uit die huidige spyskaart.

Baie dankie vir u begrip en ondersteuning.

Insidente by die Skool

Wanneer 'n insident deur die regte kanale gerapporteer word, ondersoek ons die saak en tree dienoreenkomstig op. Ons hang nie die uitkoms (regstellende maatreëls) aan die groot klok nie, maar die saak word vertroulik met die betrokke personeel of leerlinge hanteer.

Skorsing of tydelike skorsing van leerlinge kan deel vorm van ons regstellende maatreëls, MAAR ons verkies om op die ouers se ondersteuning staat te maak sodat ons 'n dissiplinêre verhoor kan voorkom, aangesien dit nie altyd in die beste belang van 'n laerskoolleerling is nie.

Daar is altyd meer as een kant aan 'n insident en ons is tans met 'n indiepte-ondersoek besig – uitgestel tot ná die toetsreeks – wat reeds aan die lig gebring het dat ernstige en dringende ingryping nodig is.

Sosiale media is weereens die paaiboelie en dan het ons ook bewyse dat speletjies buite die wettige ouderdomsperk met die volle medewete van die ouers gespeel word. Daar is selfs ouers wat dit saam met hulle kinders speel.

"Dissing" en swets is 'n werklikheid en ons het te doen met kinders wat kopspeletjies met mekaar speel. 'n Spesifieke leerling word geteiken en hy of sy word getreiter met die hoop dat hy of sy sal "breek". Dit beteken dat hierdie speletjies by die huis gespeel word en dat video's gekyk word wat voorbeelde en inligting voorsien.

Ontkenning word ook 'n KUNSVORM soos leerlinge met woorde speel, die waarheid verdraai en die blaam verskuif of saamspan om die teikenleerling te blameer. Dit is absoluut skokkend! Maar daar is altyd twee kante aan 'n saak.

Boodskappe op selfone, verbaal of teksboodskappe, is uitgewis, MAAR ons kon 'n paar boodskappe opspoor wat ons vrese bewaarheid het. Hoeveel keer moet 'n kind hierdie soort treitering weerstaan voordat dit deel van sy/haar karakter word?

Oopdeurbeleid

Ons het verskillende personeellede aangestel om verskillende aangeleenthede op alle vlakke te hanteer. Hierdie mense word opgelei en ontvang dikwels aanvullende inligting oor die hantering van verskillende sake. Wanneer die kanale gevolg word en met hul samewerking, kan ons seker wees dat elke spesifieke aangeleentheid die nodige aandag ontvang en dat daar 'n gunstige uitkoms is. Hulle word deur my aangestel en werk onder my gesag om probleme op te los. Hulle rapporteer aan die SBS en aan my om spoedige en betroubare uitkomst te verseker.

Die uitkoms wat 'n ouer verlang, is nie altyd die enigste of korrekte uitkoms nie en dit is uiters belangrik om genoeg tyd toe te laat om die probleem op te los. Sedert 2014 het dit duidelik geword dat die kanale in 99% van gevalle werk. Om 'n probleem op skrif te stel, help ook om misverstande uit die weg te ruim. Indien daar nie druk geplaas word vir 'n spoedige uitkoms nie, kan probleme op 'n kalm en produktiewe wyse opgelos word.

Slegs probleme wat nie opgelos kan word nie, beland op my lessenaar. Die oopdeurbeleid is dus 'n REUSEDEUR wat by u kind se klasonderwyser begin.

2022 BEGROTING

Die SBL het sorgvuldig beplan en 'n konsepbegroting is beskikbaar. Ons sal 'n opsomming uitstuur en dit sal ook by die skool ter insae lê. Ongelukkig wag ons nog op die Onderwysdepartement om duidelikheid te verkry aangaande die Posvoorsiening en Papierbegroting vir 2022, aangesien dit ons begroting kan beïnvloed. Ons moet wag vir hierdie wetlike verpligting om bevestig te word voordat ons die ouer-begrotingsvergadering kan belê.

Ons beplan vir 'n normale jaar in 2022 en die verhoging in skoolfooie is by 7,4% gehou, met skoolfooie vir die jaar op R17 292 vasgestel. Die SBL sal voorstel dat skoolfooie oor 12 maande betaal kan word, teen R1 441 per maand, soos in die verlede, OF 'n eenmalige betaling teen die einde van Februarie, soos deur die Suid-Afrikaanse Skolewet bepaal.

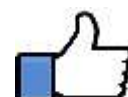

Ons bedank die SBL vir 'n uiters konserwatiewe en vaartbelynde begroting. Hulle verdien ook ons dank vir die klerewinkel-inisiatief, wat aan ouers 'n bekostigbare opsie bied.

Ons sien reikhalzend uit na 2022.
