Good news

“In order to excel, you must be completely dedicated to your chosen sport. You must also be prepared to work hard and be willing to accept constructive criticism. Without one-hundred percent dedication, you won’t be able to do this.” - Willie Mays

On **27 March 2021** the Minister of Education published the long awaited Gazette to guide us back into extra mural activities. We can now start planning properly and also continue to follow the phased in process for all activities. Teachers cannot wait to start they are safety conscious and are willing to follow the phased in approach as set by the different sport codes.

With our Inter-House athletics in full swing we will continue over the next 4 days as planned to allow completion of the events and our first **4 week phase**. Children and parents enjoyed the first day and it was wonderful to serve our children while seeing them enjoying the bit of freedom they desire.

Next week we start our two week test and assessment series and there will be no extra mural activities. Kindly allow your child to stay active on his/her own. With only one week left after the test series we will start phasing in the different extra mural activities as part of our second four week phased in approach. After finishing the third 4 week phase we will be able to officially start with matches. This will ensure we limit injuries as returning too quickly might put our children at risk.

Please note that this will require planning and patience as we still need to comply with regulations which include 1,5-meter social distancing, sanitizing, etc. We are limited with numbers per venue and it is still not a normal return.

We can only allow children who completed the entry form to participate as we need to control the numbers at the venue. Parents who sneak children in by lifting them over the fence puts us at risk and our records clearly show this non-compliance. We do not want to put the child on the spot, your failure is not supportive. Please stick to the regulations and time frames and help us to complete this event successfully. We look forward to the following four days and to see our children enjoying it.

Spectators are still not allowed and the number of parents ignoring this because they are standing outside the fences must note that we do understand and respect you but we cannot take any responsibility for your actions.

With the very special Easter festive season to follow we wish all families the best and we pray for the Lord’s Blessing on all. Please be safe and take others into consideration with your actions and decisions.

Goeie nuus

“In order to excel, you must be completely dedicated to your chosen sport. You must also be prepared to work hard and be willing to accept constructive criticism. Without one hundred percent dedication, you won't be able to do this.” - Willie Mays

Op **27 Maart 2021** het die Minister van Onderwys die langverwagte aankondiging in die Staatskoerant gepubliseer as riglyn om tot buitemuurse aktiwiteite terug te keer. Ons kan nou behoorlik begin beplan en ook die infaseringsproses vir alle aktiwiteite van stapel stuur. Onderwysers is baie opgewonde om te begin, maar is veiligheidsbewus en bereid om die infaseringsproses van die verskillende sportkodes te volg.

Met ons interhuisatletiek volstroom aan die gang, sal ons vir die volgende 4 dae soos beplan voortgaan sodat ons die items kan voltooi te midde van ons eerste 4 week-fase. Kinders en ouers het die eerste dag terdeë geniet en hoe aangrypend was dit om ons kinders te dien terwyl hulle die eerste smaak van vryheid geniet het.

Ons tweeweek toets- en assesseringsreeks begin vanaf aanstaande week en daar sal geen buitemuurse aktiwiteite wees nie. Laat u kind asseblief toe om self aktief te bly. In die een week wat ná die toetsreeks oorbly, sal ons die verskillende buitemuurse bedrywighede as deel van ons tweede vier week-fase begin infaseer en ná afloop van die derde 4 week-fase sal ons in staat wees om amptelik met wedstryde te begin. Dit sal verseker dat ons beserings tot die minimum beperk, aangesien ons die kinders in gevaar kan stel as ons te vinnig wegspring.

Neem asseblief kennis dat dit beplanning en geduld sal verg, aangesien die 1,5 m sosiale afstand, sanitering, ens. steeds van krag bly. Ons kan slegs beperkte getalle per lokaal akkommodeer, so dit is nog glad nie normaal nie.

Ons kan slegs kinders toelaat wie se ouers die inskryfvorm voltooi het, aangesien ons beperkte getalle by die lokaal kan akkommodeer. Ouers wat kinders oor die heining lig om in te kom, stel ons in gevaar en ons rekords toon duidelik dat dit gebeur het. Ons wil nie die kind in verleentheid bring nie, maar wat u doen, strek niemand tot voordeel nie. Eerbiedig asseblief die reëls en tydraamwerke en help ons om hierdie byeenkoms suksesvol te voltooi. Ons sien uit na die volgende vier dae en om die byeenkoms met ons kinders te geniet.

Toeskouers word steeds nie toegelaat nie en daardie ouers wat dit ignoreer en buite die heining staan, moet weet dat ons dit verstaan en respekteer, maar ons kan geen verantwoordelikheid vir u optrede aanvaar nie.

Met die uiters spesiale Paasnaweek in die vooruitsig, wil ons alle families net die beste toewens en ons bid dat Here u sal seën. Bly asseblief veilig en neem ander mense in ag, wat u ook al doen en besluit.
