Geagte Ouers

Eksamens, toetsreekse en assesseringssessies was nog altyd vir my iets besonder. Dit is die tyd waar ons kan weergee dit wat ons weet, geleer het en sommer net die tyd om jouself teen jouself te meet. Dit gaan net oor jou beste en nie iemand anders se beste nie. Daar is altyd ruimte vir verbetering en die jaar lê nog eintlik voor ons. Doen jou beste en gee jou alles - dan maak die punte nie meer saak nie.

Dit is 'n besondere voorreg om vir die volgende twee weke op akademie te kan fokus. Dit is nou die tyd om met aandag en doelgerigtheid weer te gee dit wat elkeen geleer het. Dit fokus nie alleen op die eerste kwartaal van 2021 nie, maar ook op die goue draad van dit wat ons in 2019/2020 gedoen het. Dit sal ook duidelik vir ons wys waarheen ons oppad is.

Ongelooflik om te sien hoe ons maats reeds skouer aan die wiel sit en hard werk om hierdie toets en assesseringsreeks suksesvol te voltooi. Ons kinders en onderwysers werk werklik hard en natuurlik sit ouers ook skouer aan die wiel binne die huidige omstandighede. Ons sien daarna uit om ons kinders se resultate te verwerk en binne die gegewe raamwerk te kan bepaal waaraan ons aandag moet gee.

Terugvoering vanaf die hoërskole lyk besonders positief en ons is daarvan oortuig dat ons ons interne standaard sal handhaaf. Dankie aan alle ouers wat ons so besonders ondersteun en saamwerk om hierdie pan-demie te oorwin.

Onderwysers wil terugkeer na normaal en sien uit daarna om weer aktief op die sportveld te wees. Ons sal dit alles binne die raamwerk wat aan ons gegee word, doen en ons sal by regulasies hou. Dit is nie binne ons mag om dit te bevraagteken of te ondermyn nie. Ons hanteer alle uitdagings positief en werk aan volhoubare oplossings om kinders en onderwysers se veiligheid binne die raamwerk te verseker.

Ons doen tans opnames om die getalle vir deelname te kry sodat ons deeglik kan beplan. Hierdie reflekteer die realiteit en dit verskil reeds drasties van ons vorige algemene opname wat elektronies gedoen was.

Die interhuisatletiek was een reuse sukses - dat ouers honger is om as toeskouers hulle kinders aan te moedig, is 'n gegewe. Dankie vir almal wat saamgewerk het dat ons op die skoolterrein binne die raamwerk kon bly. Die uitslae is finaal volgens die onderskeie tabelle verwerk en dit is met die beamptes geverifieer. Dit is dan op ons onderskeie platforms geplaas en ons moet alle kinders met hulle deelname en hulle puik gedrag gelukwens.

Dear Parents

Exams, test series, assessments are special times to me. It is an opportunity to show what you have learnt, what you know and also the time when you can prove to yourself what you have achieved. This is all about the best you can do and not about anyone else. There is always room for improvement and most of the year still lies ahead. Do your best and give it your all, then the marks do not matter.

It is such a privilege to be able to focus on academic work for the next two weeks. This is the time to show with single minded attention what they have learnt. The test series does not only focus on the first term of 2021 but also on what was done in 2019/2020. It will also give us a clearer picture of the road ahead.

It is very encouraging to see how everyone is giving of their best to complete this test and assessment series successfully. Our children and teachers are working very hard and let us not forget the important role that parents play in the present circumstances. We look forward to processing the results so that we can get a clear indication of where attention is needed.

Feedback from the high schools is very positive and we are sure that we will be able to maintain our internal standards. Our thanks to all parents who give their support and cooperation in the fight against the pandemic.

Teachers would like to return to normal and we look forward to being active on the sports fields once more. This will be done within the parameters given to us and we will obey the regulations. It is not for us to question or undermine the rules. All challenges are faced with a positive attitude and we are constantly looking for sustainable ways to ensure the safety of children and teachers within the regulations.

We are busy with a survey to establish numbers for participation, which will allow us to do careful planning. This reflects the reality and is drastically different from our previous electronic survey.

The inter-house athletics was a huge success. It was clear that parents are eager, as spectators, to encourage and support their children. Thank you very much to all those who respected our school ground regulations. The results have been processed according to the various lists and have been verified by the officials. They have been posted on various platforms and we need to thank our children for their participation and exemplary behaviour.
