Dear Parents

Teachers Day

During the school holidays we honoured teachers on Teachers Day. Maybe a bit strange that it falls in the school holiday but not something to leave unnoticed.

We are truly blessed with teachers who walk the extra mile for our learners - we have become so used to this that we take it for granted. The reality is that our teachers at Sunridge are much more than just teachers. The compassion and love they live daily for our children needs to be respected and appreciated.

Thank you to all our teachers for what you do for our children, you are special and have special powers. Thank you for teaching at Sunridge.

Fourth term 2022

This is going to be a tightly packed term which will keep us on our toes. Within four weeks we will start with our final exams and assessments. The tempo will be high and we kindly ask you to read the newsletters and consult the term planner/dates to ensure you keep up.

Internal prize-givings will be held again after the exams and we remind all parents to submit any achievements in time to allow us to apply our policy and give recognition in line with it.

Budget 2023

The proposed budget was approved and we can all plan and budget for 2023. We, however, are still waiting for the Post Provisioning (PPN – number of Departmental teachers) from the Department of Education as well as the Paper Budget (money allocated to the school) and hope that it will not influence our budget negatively. Although the SGB have made fair predictions in the budget based on previous years it is always something to keep in mind.

The resolutions were all accepted and will be communicated to parents in due time as we await the PPN and Paper Budget.

The future

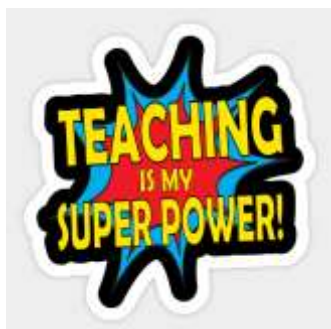

We are already finalizing dates for 2023 and some sport codes will communicate important information to you as planning is vital. We also held an internal Sport Indaba and within what we can control we are working hard to arrange more matches for our young ones and those not in A teams. It is also essential that the senior coaches support our junior teams. Our B, C and D sides sometimes played against stronger teams and although difficult the exposure was worth it.

On the academic front we await the introduction of “Robotics and/or Coding” but to ensure stability, consistency and sustainability it will be phased in responsibly. We have sent staff members for training and planning within the curriculum will be done accordingly. Please do not expect miracles as it is a new subject with many aspects still to be clarified - we will not misuse it as a marketing tool.

We have introduced a new reading program in the computer lab and it is not only supportive but highly effective to better our learners’ reading and comprehension ability. It also has an accurate and tamper proof report which is done by an outside service provider.

Sunshine greetings

Geagte Ouers

Onderwysersdag

Ons het Onderwysersdag gedurende die skoolvakansie gevier – miskien 'n bietjie vreemd dat dit gedurende die skoolvakansie gebeur het, maar nietemin nie iets wat ongesiens moet verbyglip nie.

Ons is waarlik geseënd met onderwysers wat die tweede myl met ons leerders stap. Ons is al so gewoond daaraan dat ons dit as vanselfsprekend aanvaar. In werklikheid is die Sunridge-onderwysers meer as net leerkragte – die deernis en liefde wat hulle daaglik uitstraal, moet gerespekteer en op prys gestel word.

Ons is opreg dankbaar teenoor u as onderwysers vir alles wat u vir ons kinders doen – u is spesiaal en u beskik oor buitengewone magte. Baie dankie dat u 'n onderwyser by Sunridge is.

Die vierde kwartaal 2022

In hierdie kwartaal gaan ons moet uithaal en wys. Ons eindeksamen en –assessering neem binne vier weke 'n aanvang. Die tempo gaan versnel en ons rig 'n vriendelike versoek aan ouers om nuusbriewe en die kwartaalbeplanner/datums te raadpleeg ten einde die pas vol te hou.

Interne prysuitdelings vind weer ná die eksamen plaas en ouers word daaraan herinner om enige prestasies betyds onder ons aandag te bring, sodat ons die beleid kan toepas en diennooreenkomstig erkenning kan verleen.

Begroting 2023

Die voorgestelde begroting is aanvaar en nou kan ons almal vir 2023 beplan en begroot. Ons wag egter steeds vir die Postevoorsiening (PPN – aantal Departementele onderwysers), asook die papierbegroting (geld wat aan die skool toegewys word) vanaf die Departement van Onderwys en kan net hoop dat dit nie 'n negatiewe impak op ons begroting sal hê nie. Hoewel die SBL redelike voorspellings in die begroting gemaak het – op vorige jare se begrotings gebaseer – moet ons altyd daarmee rekening hou.

Al die besluite is aanvaar en sal te geleëner tyd met die ouers gedeel word, sodra ons sekerheid het oor die Postevoorsiening en Papierbegroting.

Die toekoms

Ons is reeds besig om datums vir 2023 te finaliseer en omdat beplanning noodsaaklik is, sal sekere sportkodes belangrike inligting oordra. Ons het 'n interne sport-indaba gehou en met dit wat binne ons vermoë is, sit ons skouer aan die wiel om meer wedstryde vir die jonger kinders en diegene wat nie in die A-spanne speel nie, te reël. Dit is ook van kardinale belang dat senior afrigters hierdie junior spanne ondersteun. Ons het met ons B-, C- en D-spanne teen sterker spanne gespeel en hoewel dit klippe deur 'n tregter gegaan het, was die blootstelling die moeite werd.

Wat die akademie betref, wag ons op die bekendstelling van “Robotika en/of Kodering”, maar dit sal stelselmatig ingefaseer word ten einde stabiliteit, konsekwenheid en volhoubaarheid te verseker. Personeellede het opleiding ontvang en beplanning sal binne die leerplan gedoen word. Moet asseblief nie wonderwerke verwag nie, want dit is 'n nuwe vak waarvan duidelikheid oor talle aspekte verkry moet word – ons sal dit beslis nie as 'n bemarkingsfoefie misbruik nie.

Ons het 'n nuwe leesprogram in die rekenaarlaboratorium in gebruik geneem. Dit is tot groot hulp en uiters doeltreffend om ons leerders se leesvermoë te verbeter en noukeurige, peutervrye rapporte word deur 'n buitediensverskaffer behartig.
