

Dear Parents

It is a pity that "entitlement" has become the norm in our society, disguised within social media and supported through personal opinions. Mr and Mrs Google know more about education and parenting than anyone. Foundations, Unions and who knows who have become the service providers, experts and stakeholders. At what price to education?

"Nothing can replace the teacher in front of a class" – this statement has been challenged and the sad part of it all is that the outcome and damage will only be known later. Covid-19 proved this beyond any doubt as the stakeholders dictated how we had to handle education and now they want to point fingers as the outcome has come back to bite them. Educators are the real stakeholders and where they were trusted, the effect of Covid-19 proved not to be a challenge beyond the normal. **A pity that the "entitlement" ghost is inflicting more bad than good and that self-appointed stakeholders have become profit and control orientated entities.**

The real stakeholders are still your teachers, who on a daily basis deal with the growing challenges. Teachers are human, they make mistakes BUT they are the only hope for the future. Allow us to deal with mistakes and issues and to play our role in creating the future. Use info@sunridge.co.za to voice your concerns, allow management to deal with it and support us, as we really need teachers.

"The real stakeholder in education will always be the teacher!" – M. de Vries

Traffic

The traffic around the school is an issue well beyond our control. Our neighbours not only complain but will for sure prevent parents from parking in front of their homes - we can see how parents are destroying their well kept lawns. We believe this can be prevented with slow, careful and decent parking. It is, however, in the hands of each road user (parents). Parking in the road or the drop off zones also causes blood pressure to rise which will cause even more misery. We again recommend that parking away and allowing children to walk to you or to walk and collect them is a much better option.

As we were informed that it is outside our jurisdiction, we can only recommend that parents take note of the above as it will only escalate and become a huge headache.

"Success is to be measured not so much by the position that one has reached in life as by the obstacles which he has overcome." - T. Washington

Sunshine greetings

Geagte Ouers

Wat 'n jammerte dat "eiegeregtigheid" in ons samelewing aan die orde van die dag is – dit word deur sosiale media vermom en deur persoonlike opinies ondersteun. Mnr. en mev. Google is deskundiges op die gebied van onderwys en ouerskap. Stigtings, Unies ens. het in diensverskaffers, deskundiges en belanghebbendes ontpop – en wat is die prys wat die onderwys moet betaal?

"Nothing can replace the teacher in front of a class" – hierdie stelling is beslis uitgedaag en ongelukkig sal die uitkoms en skade slegs later bekend word. Covid-19 het sonder enige twyfel bewys dat, terwyl die belanghebbendes voorgeskryf het hoe onderwys bestuur moes word, hulle nou die blaam verskuif, want die uitkoms bewys dat hulle hoër gevlieg het as wat hul vlerke lank was. Opvoeders is die ware belanghebbendes en waar hulle vertrou is, was Covid-19 geen buitengewone uitdaging nie. Wat 'n jammerte dat die spook van "eiegeregtigheid" meer kwaad as goed doen en dat self-aangestelde belanghebbendes winsgierige, beheersugtige entiteite geword het.

Die ware belanghebbendes is steeds ons onderwysers, die mense wat op 'n daaglikse basis uitdagings die hoof bied en groei. Onderwysers is mense, hulle maak foute, MAAR hulle is ons enigste toekoms. Laat ons toe om foute en probleme uit te sorteer en om die toekoms te bou. Stuur u kwellings na info@sunridge.co.za, laat bestuur toe om dit te hanteer en ondersteun ons, want ons het ons onderwysers bitter nodig.

"Die ware belanghebbende in die onderwys is en bly die onderwyser!" – M. de Vries

Verkeer

Ons kan nie aanspreeklik gehou word vir die verkeer rondom die skool nie. Ons bure sal nie net kla nie, maar vir seker ouers begin verhoed om voor hul wonings te parkeer – ons kan sien hoe ouers die goed versorgde grasperke verniel. Ons glo dit kan voorkom word indien mense versigtig, stadig en ordentlik parkeer. Dit hang egter van elke enkele padgebruiker (ouer) af. Om in die straat of binne-in die aflatplekke te parkeer, jaag ook die bloeddruk op, wat net meer ellendes tot gevolg het. Ons wil ouers weereens aanraai om 'n entjie weg te parkeer en die kinders te laat stap of om saam met hulle te stap – dit is 'n veel beter opsie.

Aangesien ons in kennis gestel is dat dit buite ons jurisdiksie val, kan ons slegs aanbeveel dat ouers op die bogenoemde ag slaan, want dit gaan net erger raak en in 'n hengse groot kopseer ontaard.

"Success is to be measured not so much by the position that one has reached in life as by the obstacles which he has overcome." - T. Washington
