

Dear Parents

Proud to be at Sunridge means much more than just being at Sunridge. "Your true success in life begins only when you make the commitment to become excellent at what you do." - Brain Tracy

We have staff and parents who represent their province in a variety of extra mural codes: as players, coaches, referees and administrators. We also have national representatives and many with years of experience and well respected track records. Strange that they know their place when their children are coached or when they are the spectators and supporters. This is the real example to be followed and respected.

Some spectators and supporters make mistakes and offer apologies while others struggle to do so and not only put the extra mural code in disrepute but also the school, the Department of Education, spectators and supporters in the end.

There is nothing wrong in attending other practices or to play at a club BUT it should never interfere or undermine the integrity and authority of the school. Unfortunately, it is for this reason that we cannot support this.

Then we have parents who think they are the coaches, referees and administrators of extra mural activities. They do not only coach from the side, they want to select teams, they arrange practises and then they try and influence parents, players and coaches. Without proper educational training, no registration or affiliation and without professional qualification they appoint themselves. Social media platforms get used and this "leadership" leads to learners committing serious misconduct when they attack the integrity of teachers, coaches and referees at school.

Defamation of character on social media platforms gets underway, parents and the administrator of the group are responsible, a disaster is waiting to happen. We have warned parents in newsletters but seemingly with no real effect.

Please consult the Provincial Gazette No 978 which deals with serious misconduct of learners, the disciplinary action that must be taken and then make sure you understand your responsibility and accountability when using social media as an individual or as part of a group. You are not the teacher, coach or referee - you are the parent, supporter or spectator!

It is a very sad day to reach the point where the Principal is forced to communicate the above and even more disturbing that we must face the reality that we must initiate measures against children while the real perpetrators are adults. It is not my nature to engage in this type of disciplinary action against young children. Unfortunately, Principals were advised that we must charge learners and allow for a disciplinary hearing. Knowing that it is adults at fault, how does the Principal protect the children?

It is with the greatest respect to children and parents that I put a stern warning out that this type of behaviour cannot be tolerated any longer. Should such a parent wish to enrol at a school where that behaviour is allowed we would gladly support by providing a Transfer Form. Standing responsible towards Education and Children we will avail the information to all Primary, High Schools and the Department of Education to assist them to avoid similar issues in the future.

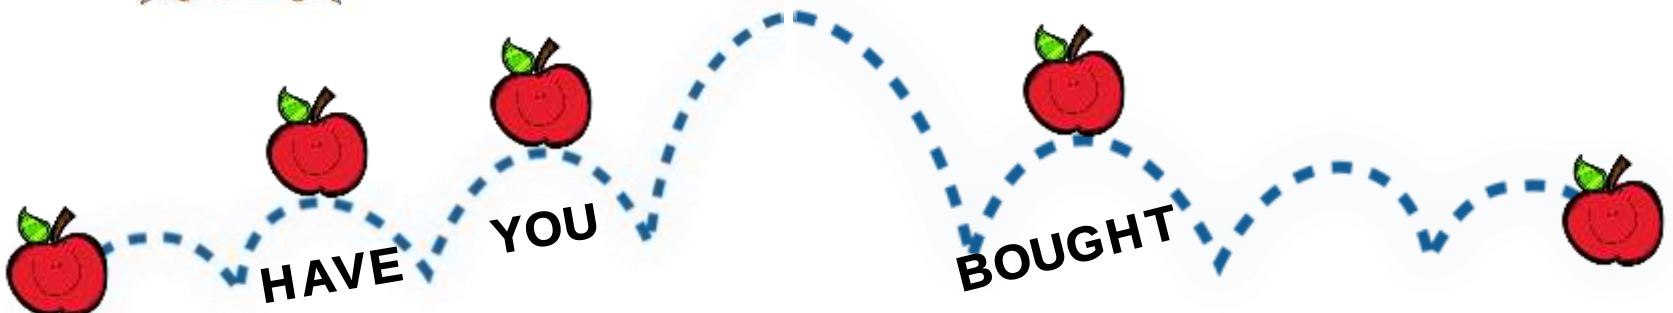

I humbly apologize to parents and children who live our Sunridge values and keep to moral standards - integrity should never be allowed to be challenged by entitlement!

Should you ever feel afraid to report it, then you should know something is wrong! We can and will protect whistle blowers and are already doing so. "Believe you can and you're halfway there." – Theodore Roosevelt

Geagte Ouers

Om trots te wees om aan Sunridge verbonde te wees, beteken meer as om net aan Sunridge verbonde te wees. "Your true success in life begins only when you make the commitment to become excellent at what you do." - Brain Tracy

Ons het personeel en ouers, spelers, afrigters, skeidsregters en administrateurs wat hul provinsie op verskeie buitemuurse gebiede verteenwoordig. Ons het ook nasionale verteenwoordigers met jare se ervaring en gerespekteerde prestasies agter hul naam. Dit is tog vreemd dat hulle weet hoe om op te tree wanneer hul kinders afrigting ontvang of wanneer hulle toeskouers en ondersteuners is – dit is 'n ware voorbeeld om na te volg en te respekteer.

Sommige toeskouers en ondersteuners begaan egter foute en vra om verskoning, terwyl ander dit as 'n opdraande stryd ervaar en nie net die betrokke buitemuurse kode in 'n slegte lig stel nie, maar uiteindelik ook die skool, die Onderwys-departement, toeskouers en ondersteuners.

Daar is niks mee verkeerd om by 'n klub te speel of oefeninge by te woon nie, MAAR dit mag nooit met die sake van die skool inmeng of die integriteit en gesag van die skool ondermyn nie. Ongelukkig is dit juis om hierdie rede dat ons nie hierdie aspek kan ondersteun nie.

Dan het ons ook ouers wat dink hulle is die afrigters, skeidsregters en administrateurs van buitemuurse bedrywighede. Hulle is nie net kantlynafriegers nie, hulle wil ook spanne kies, oefeninge reël en dan probeer hulle ouers, spelers en afrigters beïnvloed. Hulle stel hulself aan – sonder behoorlike opvoedkundige opleiding, geen registrasie of affiliasie nie en sonder enige professionele kwalifikasie. Daar word van sosiale media-platforms gebruik gemaak en hierdie "leierskap" het tot gevolg dat leerders hulself aan ernstige wangedrag skuldig maak wanneer hulle die integriteit van onderwysers, afrigters en skeidsregters by die skool bevraagteken.

Dan begin die karakterskending op sosiale media-platforms. Ouers en die administrateur van die groep is hiervoor verantwoordelik – en ons stuur op 'n ramp af. Ouers word in nuusbriewe gewaarsku, maar dit val op dowe ore.

Raadpleeg asb die Provinsiale Staatskoerant No 978, waarin aandag geskenk word aan ernstige wangedrag van leerders en die dissiplinêre stappe wat geneem moet word – maak dan seker dat u begrip het vir u verantwoordelikheid en aanspreeklikheid wanneer sosiale media as 'n individu of deel van 'n groep gebruik word. U is nie die onderwyser, afrigter of skeidsregter nie – u is die ouer, ondersteuner of toeskouer!

Dit is laat in die dag as dit by die punt kom waar die Skoolhoof verplig word om bogenoemde onder ouers se aandag te bring en dit is 'n kwelling des geestes wanneer ons gekonfronteer word met die feit dat ons stappe teen kinders moet instel, wanneer die ouers die werklike skuldiges is. Dit druis teen my beginsels in om hierdie tipe dissiplinêre stappe teen jong kinders in te stel. Ongelukkig is Skoolhoofde in kennis gestel dat ons stappe teen leerders moet instel en 'n dissiplinêre verhoor toelaat. Hoe beskerm 'n Skoolhoof sy kinders met die wete dat die volwassenes die eintlike sondebokke is?

Met die grootste respek aan kinders en ouers rig ek 'n ernstige waarskuwing dat hierdie soort gedrag nie langer geduld sal word nie. Indien sodanige ouer sy kind by 'n skool wil inskryf waar daardie soort gedrag aanvaarbaar is, sal ons met graagte 'n oorplasingsvorm verskaf. Aangesien ons aanspreeklikheid aanvaar teenoor Onderwys en Kinders, sal ons die inligting met alle Primêre Skole, Hoërskole en die Onderwysdepartement deel sodat hulle in staat kan wees om soortgelyke aangeleenthede in die toekoms te vermy.

Ek vra nederig om verskoning aan ouers en kinders wat ons Sunridge-waardes uitleef en ons morele standarde handhaaf – integriteit behoort nooit deur eiegeregtigheid uitgedaag te word nie!

Indien u ooit skrikkerig is om iets te rapporteer, dan moet u weet dat daar fout is! Ons kan en sal fluitjieblasers beskerm – ons doen dit immers alreeds. "Believe you can and you're halfway there." – Theodore Roosevelt
