

Dear Parents

Mid-Year Exams: 2022

The mid-year exams are very important and for Grades 4 - 7 it is crunch time - we want to allow each and every child to do his/her best. Creating a fair opportunity within a safe environment also asked of us to include the Grade 1 - 3 learners. They are already busy with assessments but use time differently. We are aware of schools closing at 12:00 during the exams and before Covid-19 we always closed at 13:00 during the mid-year exams and at 12:00 during the final exams. We will stick to this and from Tuesday, 31 May 2022 to Friday, 10 June 2022 we will close at 13:00 with no sport.

To support those with challenges we will again run a study class from 13:00 to 14:00. This is a service BUT it is not a waiting class, entering the study class means that the child will be required to study under supervision and will not be released before 14:00.

It is a skill to write exams and compulsory for all to do so. Please draw up a study time table and carefully plan your child's time allocation: study, sleep, playtime, snacks, food, etc. so that they can master the skill and reap the benefits thereof in the future.

The afternoons are short; it is becoming cold and our children need our support. The exam work scope has been available for more than two weeks and by now our senior phase learners should be well into their preparations. It is essential for households to support these times as teachers face longer marking hours, moderation and completing of marks within our time frame.

Tuck shop

To support learners to get what they want, we need to work with a day in advance order system. We find that more and more learners are pushing the boundaries and then queue during break time and miss out due to time. We cannot be held responsible for this - we do, however, want to assist them and from this week will allow children who missed the day in advance order system, to on arrival at school go and place their order for the day. The tuck shop will only take orders as they are busy with preparations and the packing of orders for first break.

We are under very strict regulations about high sugar items and we will not allow the selling thereof during school hours. We also see items with very high sugar content packed in some lunch boxes. This is not in the best interest of your child - it can become a problem and is not supportive to education. Please check this and if you need support on what to put into a lunch box we can make some recommendations.

Watching our learners during break time has shown there is a huge change in behaviour. They are eating while still socially interacting in groups: peacefully, respectfully and positively. The very few who choose to run extensively in the action zones do not interfere with those in need of a calm and relaxed social time. This has minimized our break time incidents and the after break incidents have decreased dramatically.

By applying the correct supervision regulations we have also successfully removed the before school incidents and the high disciplinary problem areas. School has again become a place to be safe and where education is the priority and not a play centre with endless disciplinary problems due to the so called free play time. The other positive result is that more learners are now taking part in our extra mural activities.

Sunshine greetings

Midjaar-eksamen: 2022

Die midjaar-eksamen is van kardinale belang - vir Gr 4 tot 7 is dit maak of breek en ons wil elke kind graag in staat stel om sy/haar beste te lewer. Die skep van 'n regverdige geleentheid binne 'n veilige omgewing vereis dan dat ons Gr 1- tot 3-leerders insluit, aangesien hulle reeds met assessering besig is, maar hul tyd op 'n ander wyse bestee word. Ons is bewus van ander skole wat gedurende die eksamen om 12:00 sluit, maar voor Covid-19 het ons altyd om 13:00 vir die midjaar-eksamen en 12:00 vir die eindeksamen gesluit. Ons hou dit so en van Dinsdag 31 Mei 2022 tot Vrydag 10 Junie 2022 sluit ons om 13:00 - met geen sport.

Ter ondersteuning van diegene wat uitdagings ervaar, sal ons weereens van 13:00 tot 14:00 'n studieklass aanbied. Hierdie is 'n diens wat ons aanbied, MAAR dit is nie 'n wagklas nie – 'n kind wat die studieklass bywoon, sal onder toesig moet leer en sal nie voor 14:00 mag verdaag nie.

Eksamen skryf is 'n vaardigheid en verpligtend vir almal om te doen. Stel asseblief 'n rooster op en beplan u kind se tydsbesteding sorgvuldig – laat tyd toe vir leer, slaap, speel, peuselhappies, voedsel ens; sodat hulle die vaardigheid kan baasraak en in die toekoms die voordeel daaruit kan trek.

Die middag is kort, dit raak nou koud en ons kinders het ons ondersteuning nodig. Die eksamenleer is reeds meer as twee weke lank beskikbaar en teen hierdie tyd behoort ons senior fase-leerders hul voorbereiding goed onder die knie te hê. Dit is noodsaaklik dat ons huishoudings die leerders in hierdie tye ondersteun, want onderwysers is besig met langer merke, moderering en die afhandeling van punte binne ons tydraamwerk.

Snoepie

Ten einde leerders te help om te kry wat hulle wil hê, werk ons met 'n stelsel waar bestellings 'n dag voor die tyd geplaas word. Ons ervaar dat al hoe meer leerders die grense toets, pouse in die ry gaan staan en dan as gevolg van tydsbeperking nie gehelp word nie. Ons kan nie hiervoor aanspreeklik gehou word nie, maar ons help graag en daarom sal kinders wat nie die dag voor die tyd 'n bestelling geplaas het nie, voortaan toegelaat word om 'n bestelling vir die dag te gaan plaas wanneer hulle die skoolterrein binnekom. Die snoepie sal slegs bestellings aanvaar, want teen daardie tyd is hulle reeds besig om die bestellings vir eerste pouse voor te berei en in te pak.

Ons volg uiters streng maatreëls i.v.m. artikels met 'n hoë suikergehalte en die verkoop daarvan is verbode gedurende skoolure. Ons merk ook op dat daar in sekere gevalle artikels met uiters hoë suikergehalte in kosblikke gepak word. Dit is nie in u kind se beste belang nie, dit kan 'n probleem word en is nie in die belang van onderwys nie. Dink asseblief hieroor na en indien u hulp nodig het met die inpak van kosblikke, kan ons aanbevelings doen.

Ons merk 'n massiewe gedragsverandering by leerders gedurende pouses. Hulle eet terwyl hulle in groepe sosiaal verkeer – vreedzaam en met respek en 'n positiewe ingesteldheid. Die enkele kinders wat met mag en mening in die aksieterreine hardloop, het geen uitwerking op diegene wat kalm en rustig wil kuier nie. Ons pouse-insidente en ná pouse-insidentbestuur het dramaties afgeneem.

Deur die korrekte toesigmaatreëls toe te pas het ons ook die insidente voor skool suksesvol hokgeslaan – en dit is 'n uiters hoë dissipline-probleemgebied. Skool is nou weer 'n veilige hawe waar onderrig die prioriteit is. Dit is nie meer 'n speel-sentrum met eindelose dissipline-probleme as gevolg van die sogenaamde vrye speletyd nie. Die ander positiewe gevolg is dat meer leerders nou aan ons buitemuurse bedrywighede deelneem.
