

Dear Parents

What a privilege to be back at school, let us focus on the positive and see the opportunities. Load shedding will put us to the test and for a modern, highly functional, future driven school we will be required to balance the methods of teaching and the heat of our summer during school hours.

Our learners are aware that clean filtered water is available at all times - they must remember to bring a plastic drinking bottle and help themselves. The tuck shop will be stocked with bottled water for sale if needed.

Dropping your child off at school is normal. Knowing that the facilities and resources are well maintained and in a good condition is an expectation. Having staff well prepared and ready to teach your child and serve their best interests, with excellent facilities available, is a privilege.

Sunridge staff worked through the holidays to ensure we returned to a well-kept school; they were the ones who worked to ensure our facilities are ready for your children. They prepared and put everything in place to start or continue with your **child's education from day one. We have become used to excellent educational service way beyond the normal but we need to cherish and respect it.**

As we offer more and more, parents should carefully look at the real value. Visitors looked on in disbelief when they saw the facilities and well-maintained school during the holidays. Yes, we had visitors from other provinces and schools and we shared ideas and best practices and enrolled new learners.

As we strive to offer more and maintain our high standard, we are grateful to our parents, friends and supporters who walk with us on our endeavors to serve excellence. With a 99% pass rate we choose to rather focus on the fact that hard work lies ahead and many learners still require academic assistance. The fact that we choose to compete against ourselves underlines our expectations and this is reflected by the results from high schools as we are responsible for the foundation on which they build.

Sadly, we seldom get acknowledged for the foundation built as others take the honour and fame for good results and extra mural achievements. When buying a house, we never look at the foundation - we look at the exterior, interior and neighborhood to determine value while the key factor lies silently underground.

The real value in your child's life and future is in the casting of his/her foundation at primary school level. We take pride in what we do and our successes can be seen in the results from high schools. The reality is that school fees make it possible to deliver quality service and that without it we would deteriorate to mediocrity. Neglecting to do the right thing and pay school fees puts our children at risk.

Sunshine greetings

Geagte Ouers

Dit is 'n absolute voorreg om weer terug by die skool te wees – kom ons bly positief en gryp elke geleentheid aan. Beurtkrag gaan ongetwyfeld 'n stok in die wiel steek, maar as moderne, uiters funksionele, toekomsgerigte skool sal ons onderrigmetodes moet aanpas en die somerhitte gedurende skoolure moet trotseer.

Ons leerders weet dat skoon filterwater tot almal se beskikking is – **leerders moet net onthou om'n plastiekdrinkbottel saam te bring**, dan kan hulle hulself help. Die snoepie verkoop ook bottelwater vir diogene wat dit benodig.

Wanneer u u kind by die skool aflaai, kan u dit doen met die verwagting dat die fasiliteite en bronne in 'n goeie toestand en goed versorg sal wees. Personeel wat deeglike voorbereiding gedoen het en gereed is om u kind, met behulp van uitstekende fasiliteite, te onderrig en bedien terwyl hulle die leerders se beste belang op die hart dra, is 'n voorreg.

Sunridge-personeel het reg deur die vakansie gewerk om te verseker dat ons na 'n goed versorgde skool kan terugkeer – hulle het skouer aan die wiel gesit om die fasiliteite vir u kinders gereed te kry. Personeel het voorbereiding gedoen en alles in plek geplaas om u kind van die eerste dag af te onderrig. Hoewel ons gewoond is aan uitstekende onderrig waar die ekstra myl gestap word, moet ons dit koester en respekteer.

Aangesien ons soveel het om aan te bied, kan ouers gerus besin oor die werklike waarde van dit wat hulle kry. Besoekers was stomgeslaan oor hoe goed versorg die skool gedurende die vakansie daar uitgesien het. Ja, daar was besoekers uit ander provinsies en vanaf ander skole, want ons ruil idees en planne uit en skryf nuwe leerders in.

Terwyl ons steeds daarna streef om meer aan te bied en standaarde te handhaaf, is ons dankbaar teenoor ouers, vriende en **ondersteuners wat die pad van uitnemende diens saam met ons stap.** Met 'n slaagsyfer van **99% verkies ons om die fokus** op die harde werk wat vir ons wag, te plaas aangesien talle leerders nog akademiese bystand benodig. Die feit dat ons verkies om met onsself mee te ding, werp vrugte af. Dit blyk duidelik uit die hoëskoolresultate - ons lê per slot van rekening die grondslag waarop hulle bou.

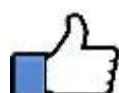

Dit is ongelukkig so dat ons selde erkenning kry vir die grondslag wat ons gelê het – ander mense kry die eer vir goeie uitslae **en buitemuurse prestasies.** **Wanneer 'n mens 'n huis koop, kyk jy nie na die fondament nie** – jy kyk na die buitekant, binnekant en woonbuurt om waarde te bepaal, terwyl die sleutelfaktor ondergronds begrawe lê.

U kind se lewe en toekoms lê opgesluit in die grondslag wat op laerskoolvlak gelê word. Ons is trots op ons werk en die prestasies wat op hoëskoolvlak behaal word. Dit is in werklikheid skoolfooie wat gehalte diens verseker en daarsonder sal ons in middelmatigheid versink. U kind word in gevaar gestel indien u versuim om die regte ding te doen en skoolfooie te betaal.
