Assessering (Eksamen) 2023

Ter voorbereiding van die finale assessering of “eksamen” rig ons ‘n vriendelike versoek aan ouers om u kinders gedurende hierdie kritieke tyd van die akademiese jaar te ondersteun. Die werk vir 2023 is so te sê afgehandel en toepaslike inligting aangaande die assesseringsprogram of eksamenrooster is reeds met ouers gedeel. Soos gewoonlik versoek ons dat ‘n goed gestruktureerde program vir elke dag vasgestel word. ‘n Voorbeeld ter ondersteuning word aangeheg, om volgens u kind se behoeftes aangepas te word.

Dit is noodsaaklik om hierdie vaardigheid op te skerp, want dit is van kardinale belang om tydsbestuur en voorbereiding vir assesserings (eksamen) in Gr 12 toe te pas. Vir sommige kinders is dit oor 11 jaar, terwyl Gr 7 oor slegs 5 jaar daardie mylpaal bereik. Hoërskool is ‘n perd van ‘n ander kleur en al die voorbereiding en ontwikkeling van vaardighede vind plaas met die oog op ‘n geslaagde matriek eksamen.

Hoewel dit vir ons belangrik is om geleenthede te skep sodat kinders goed afgerond kan wees en ander noodsaaklike sosiale vaardighede kan aanleer, is dit nie ons vernaamste plig nie.

Vanaf 10 November 2023 tot die tweede laaste skooldag sluit die skool om 12:00 en op die laaste dag om 11:00. Dit sal kinders in staat stel om ‘n studierooster op te stel sodat hulle voorbereiding vir assessering kan doen, terwyl dit personeel ook die geleentheid bied om verskillende vorms van assessering, moderering en administratiewe werk af te handel, sodat ons ons finale punte en aanbevelings vir bevordering op 1 Desember 2023 aan die Onderwysdepartement kan voorlê.

Ons bied weereens ons prysuitdelings ná die assesserings aan, sodat ons nie akademiese tyd inboet nie. Rapporte kan op 8 Desember 2023 afgehaal word – nadere inligting in hierdie verband volg binnekort.

Ons sal weereens ‘n studieklass ná 12:00 aanbied om ouergewoonte voorsiening te maak vir ouers wat dit moeilik vind om hul kinders so vroeg te haal. Dit is egter belangrik om daarvan kennis te neem dat ons net tot 14:00 in staat sal wees om ‘n stil, rustige, veilige ruimte te skep waar ons leerders hul voorbereiding kan doen.

Dear Parents

2023 Assessments (Exams)

As we prepare for the final assessment or “exam” we ask parents to support your child during this critical time of the academic year. The work is basically done for 2023 with relevant information on the assessment program or exam time table already communicated to you. As always we recommend you set a well-structured programme for each day. We attach an example, to be adjusted to your child's needs.

It is essential that the skill on how to prepare and manage time during assessment (exam) periods be practised as it is crucial for Grade 12. For some it is in 11 years' time while our Grade 7's have only 5 years to go. High school is a different ball game and the preparation and development of these skills take place with the end goal being a successful matric exam.

Although we take pride in forming well rounded children by creating opportunities for them to develop other essential social skills, this is not our core duty.

School will close at 12:00 from the 10 November 2023 until the second last school day and at 11:00 on the last day. This will allow children time to set a study time table to prepare for the assessments. This also enables staff to complete all forms of assessment, moderation and paperwork to ensure we can present our final marks and recommendations on progression to the Department of Education on the 1 December 2023.

So as not to lose any academic time prize giving's will be held after the assessments. Reports can be collected on the 8 December 2023 - further information in this regard will follow soon.

We will once again offer a study class to cater for parents who find it difficult to collect their children at 12:00. It is, however, important to note that we will only provide a quiet, calm and safe class for them to study until 14:00.

“Strive not to be a success but rather to be of value.” – Albert Einstein
