Geagte Ouers

Dit is ongelooflik hoe vinnig die tyd verbyvlieg – ons is reeds op die drumpel van die Junie-**eksamen, 'n tyd van die jaar wat gewoonlik kommer meebring. Dit is eintlik 'n tyd om te besin oor wat ons van ons onderwysers geleer het. Miskien bestaan daar twyfel oor ons vermoëns, maar dit behoort nie so te wees nie.**

Ek is altyd opgewonde, want dit is vir my 'n positiewe geleentheid om te wys wat ek gedoen en geleer het. Dit is nie die einde van die wêreld nie en die son sal wel weer skyn. Kom ons ondersteun ons kinders en help hulle om voorbereiding te doen en in 'n standvastige en ondersteunende omgewing rekenskap te gee.

Die skooldag eindig om 13:00 vir alle leerders, om tyd toe te laat vir hulle om te rus en vir die volgende dag voor te **berei. Ons bied 'n studieklas aan vir leerders wat nie dan gehaal kan word nie. Neem asseblief kennis dat ons ná 14:00 slegs 30 minute toelaat vir kinders om gehaal te word. Dit is die beleid en reël van die skool vir elke dag, hoewel buitemuurse aktiwiteite altyd 'n rol speel.**

Omdat daar geen buitemuurse aktiwiteite is nie, behoort geen kind ná 14:30 nog by die skool te wees nie. Neem asseblief kennis dat ons kinderwelsyn in kennis sal stel indien hierdie reël nie nagekom word nie. Reël asb vervoer en maak seker dat u kind betyds gehaal word.

Ons hartlike dank aan ouers wat die afgelope paar weke by **sportgeleenthede 'n voorbeeld gestel het. Positiewe ondersteuning is verkwikkend vir die gees en verseker dat ons goeie terugvoer kry, hoewel sommige mense die uitslae met moeite aanvaar. Ons noem weereens dat om te wen, nie alles is nie en ons staan rotsvas agter ons besluit om af te rig en te werk met dit wat tot ons beskikking is.**

Dear Parents

It is unbelievable how fast time is flying by. The June exams are upon us and it is a time of year that usually brings some anxiety with it. It is actually a time to reflect on what we have learnt from our teachers. Maybe there are doubts **about our abilities but it shouldn't be.**

I was always excited as exams were a positive time for me to show what I had done and learnt. It is not the end of the world and the sun will always shine again. Let us support our children and ensure they can prepare and write in a stable and supportive environment.

During exams school closes at 13:00 for all learners so as to allow them time to rest and prepare for the next day. We offer a study class for learners who are not able to be fetched at 13:00. It is essential to note that after 14:00 we allow 30 minutes for all children to be collected. This is the policy and rule of the school for every day, although extra mural activities always play a role.

With no extra mural activities no child should be at school after 14:30. Please take note that we will notify child welfare if this is not complied with. Please arrange your transport accordingly to ensure your child is picked up on time.

Our heartfelt thanks to parents who have set an example when attending sport matches during the past few weeks. Positive support uplifts the spirit and ensures we receive good feedback, although some people struggle to accept the results. Again we can say that winning is not everything and that we stand firmly behind our decision to coach and work with what is available to us.

Sonskyngroete/ Sunshine greetings

Staff Member: *Amber Hugo*

Early Life: I was born and bred in the foothills of the Drakensberg. I attended primary school in Maclear, and was then sent to boarding school at Girl's High School Queenstown. After school I travelled throughout Europe and Britain and then studied Marketing and Business Management. I later decided to pursue a career in teaching and did a B. Ed. (Foundation phase).

Family Life: I am married with two children. Tatum, my daughter lives in PE and Struan, my son lives in Arkansas USA. They are both engaged to be married next year, so our little family is growing.

Career Life: Early in our marriage, my husband and I owned a Supermarket in Elliot where I helped with the admin side. We later decided to sell the business and move to the "big smoke" so that our children did not have to go to boarding school. When we moved to P.E. I decided to teach full time. I have been at Sunridge Primary school since 2014. Before that I taught Grade 2 at Ed U College.

Accomplishments: Raising two beautiful children who make me so proud every day. Student of the year at Marketing and Business Management School. I also graduated with Cum Laude for my Teaching degree.

Interesting facts about yourself: I have a passion for outdoor activities such as camping, hiking and fishing. I am also a self-confessed bookworm, and read everything I can get my hands on. I enjoy painting and cooking in my spare time.

Please answer the following questions:

- 1. What was your favourite TV show when growing up?** As a child we did not have ESKOM on the farm and so TV time was mostly limited to my dad watching the news and sports when the generator was switched on. As a teen, I was in hostel and we were allowed to watch Bold and the Beautiful in the afternoons before prep, I preferred to lie in the common room and read a book while everybody else contemplated the dashing Thorne and Ridge Forrester.
- 2. Do you have any strange phobias?** No.
- 3. Are you addicted to any strange hobbies/activities?** My family will probably say that I am addicted to reading as this is what I do with every spare moment I have.
- 4. If you could have any one superpower, which would you choose?** Eyes that don't need to sleep so that I can read all night.
- 5. What is the first thing you notice about people?** Not sure, I think it's the way they make you feel.
- 6. What was the worst punishment you received in school?** I can't really remember being punished. I was pretty good at staying out of trouble.
- 7. What, or who, are you a secret fan of?** Bob Ross, it's his voice not his paintings. LOL.
- 8. What are the three things you still want to do in your life?** Do a camping trip through Botswana and Zimbabwe and even Zambia if possible. Write a book. Design, build and decorate a holiday home.
- 9. What is the worst pet you have ever had?** We once rescued a Sacred Ibis chick after a thunderstorm who had a broken wing. He loved to sleep on the front veranda and made a terrible mess about which my mom constantly complained. We loved him very much though and he would follow us everywhere on the farm. (Half flying, and half running because he never could fly properly again.)
- 10. What do you prefer?** **A.** Beach or **Bush** **B.** Braai or Pizza
C. Winter or **Summer** **D.** Movies or Series (ugh neither)
