SNAP NEWS / KITSNUUS

Dear Parents,

As we approach the end of the year, we appeal to you to inform your children about the dangers of walking alone outside the school premises and talking to strangers. We have also contacted our security company to in particular help in safeguarding our children as far as possible. It has come to our attention that there are undesirable characters approaching learners outside our school premises and trying to start a conversation with them.

Geagte Ouers,

Soos ons die einde van die jaar betree, wil ons 'n beroep op u doen om u kinders in te lig rondom die gevare van alleen loop buite ons skoolterrein en om met vreemdelinge te praat. Ons het ook ons sekuriteitsmaatskappy gevra om in besonder te help om ons leerders sover moontlik te beskerm. Dit is onder ons aandag gebring dat daar ongewenste karakters leerlinge buite ons skoolgebied nader en probeer om met hulle in gesprek te tree.

Sunshine greetings / Sonskyngroete
