

Dear Parents

Maya Angelou wrote that; **"We delight in the beauty of the butterfly, but rarely admit the changes it has gone through to achieve that beauty."**

We want to encourage parents once again to monitor your child's usage of social media and behavior carefully - this is a big responsibility and as parents you are both responsible and accountable.

Although we prefer a cell phone free environment and our children to engage in good old fashioned play, conversations and gatherings the social world dictates otherwise. We must urgently turn around our dependence on this social environment to allow our children to develop the basic social skills they need.

Traveling with our netball teams in an environment free of outside influences allowed us to get to know their unique world and their inner beauty - this is what we miss when they are focused on social media.

Maybe a stern warning to parents on what they say and do on social media needs to be given as well. Seeing what advice adults ask on groups and what they are willing to say is mind boggling. How can we expect of children to do better!

Incidents will happen at school and although some will see it as "bullying" we need to remember what 'bullying' really means. Please consult previous newsletters in this regard. However, it is important to report any incidents and wrong doings through the correct channels. We will deal with them - perhaps not always to your liking or within your time frame.

We are truly blessed with well behaved learners who show respect and honour the values we stand for - it is a fact of life that there will always be a few who will push the boundaries beyond the norm.

In all cases facts are the key word and what is sometimes communicated as facts may turn out to be half-truths. This is a stumbling block that destroys trust and in 99% of all cases forms the basis of conflict and misunderstandings. Making sure of the facts is essential and is a matter of principle to pay careful attention to this.

We must always keep in mind the changes our children need to go through to develop in a well balanced way so that they can deal with the all the challenges life will throw at them.

Supporters are always welcome and it is nice to see the passion of parents next to the field of play. I recently attended a **match between two schools and was pleasantly surprised by the one school's supporters' passionate and positive support** even though their team was losing and the referee was slightly biased against them. It brought calmness and respect - things could have been very different although the outcome of the match would have been the same.

Dignity is everything and without a positive attitude it's never possible.

Sunshine greetings

Geagte Ouers

Maya Angelou het geskryf: “We delight in the beauty of the butterfly, but rarely admit the changes it has gone through to achieve that beauty.”

Ons wil ouers weereens aanmoedig om u kinders se gebruik van sosiale media en gedrag sorgvuldig te monitor, want as ouers **is dit ‘n groot verantwoordelikheid** – u is aanspreeklik en u is verantwoordelik.

Hoewel ons ‘n selfoonvrye omgewing verkies en wens ons kinders wil soos in die ou dae speel, gesels en kuier, is dit ‘n ander wêreld daarbuite. Ons moet ons afhanklikheid van hierdie sosiale omgewing dringend omswaai, sodat ons kinders die broodnodige sosiale vaardighede kan ontwikkel.

Terwyl ons in ‘n omgewing vry van invloede van buite met ons netbalspan gereis het, kon ons kennis maak met hul unieke wêreld en hoe innerlik mooi hulle is - dit is wat ons waarlik mis wanneer hulle op sosiale media gefokus is.

Miskien moet ons ook ‘n streng waarskuwing aan ouers rig om te let op wat hulle op sosiale media sê en doen. Om te sien watter advies volwassenes op groepe vra en wat mense bereid is om te sê, is verstommend. Hoe kan ons iets anders van kinders verwag!

Daar is wel insidente by die skool wat deur sommige mense as “boelie” gesien word, maar ons moet onthou wat “boelie” regtig beteken. Raadpleeg asseblief vorige nuusbriewe in hierdie verband. Dit is egter belangrik om insidente en oortredings deur die korrekte kanale aan te meld. Ons sal dit hanteer – miskien sal dit nie wees wat u wil hê nie of ook nie binne u tydraamwerk val nie.

Ons is werklik geseënd met leerders wat hulle mooi gedra, respek betoon en die waardes waarvoor ons staan, nastrewe. Dit **is egter ‘n feit dat ‘n paar van hulle die grense sal toets.**

In alle gevalle is feite die sleutelwoord – maar wat soms as feite voorgehou word, kan dalk net halwe waarhede wees. Dit is **‘n struikelblok wat vertrouwe die nek inslaan en in 99% van alle gevalle vorm dit die basis vir konflik en misverstande. Dit is noodsaaklik om seker te maak van die feite en dit moet ‘n saak van beginsel wees om noukeurig aandag hieraan te skenk. Ons moet altyd in gedagte hou dat kinders deur veranderinge moet gaan om op ‘n goed gebalanseerde wyse te ontwikkel,** sodat hulle al die uitdagings in hul lewe die hoof kan bied.

Ondersteuners is altyd welkom en dis lekker om te sien hoe passievol ouers langs die sportveld optree. Ek het onlangs ‘n wedstryd tussen twee skole bygewoon en was aangenaam verras oor die passievolle en positiewe ondersteuning van ondersteuners, hoewel hul span besig was om te verloor en die skeidsregter hulle stief behandel het. Dit het kalmte en respek meegebring en dinge kon baie anders gewees het, hoewel die uitkoms van die wedstryd dieselfde sou wees.

Waardigheid is alles en sonder ‘n positiewe ingesteldheid is dit nie moontlik nie.

Early Life: I was born and raised in Port Elizabeth. I attended St Marks School from Grade 1-9 and then moved to Pearson high school from Grade 10-12. I then completed my 4 year teaching degree through UNISA.

Family Life: My husband and I have a beautiful little girl who is 1,5 years old, with another one on the way in September this year. We also have two fur children.

Career Life: I started my teaching career at a few underprivileged schools in Port Elizabeth. I then taught at an online school before moving overseas to Kuwait with my husband. I taught at an American school in Kuwait for a while before moving back to South Africa where I started teaching at Sunridge Primary School in 2023.

Accomplishments: I have been dancing since the age of 5 and am a qualified dance teacher. I have travelled to Croatia and Portugal with my dance team from Defying Gravity Dance Studio to represent South Africa at dance competitions. I still dance but mostly enjoy teaching boys and girls dance classes. However, my most rewarding and important accomplishment is being a mother.

Interesting facts about yourself: I rode horses competitively for 12 years and have a love for animals. I also love music and can play the guitar.

Early Life: I was born and raised in Port Elizabeth. My family lived in Zimbabwe before relocating to Port Elizabeth. I have fond memories of travelling in the train to visit my great grandmother on the farm. I was always a very active child and preferred to be outside. I was a tom boy and showed no interest in Barbie's, reading or entertaining myself. I was always climbing trees, riding my bicycle or playing cricket in the park. I started gymnastics at the age of 3 because my mother thought I needed an outlet for my energy... that outlet lasted for 11 years. I attended Sunridge Primary School. I enjoyed all the school camps, operettas, and inter-house athletic days at the oval and all the different activities we could take part in. I attended Alexander Road High School for Grade 8-9 and then decided to move to Pearson high school from Grade 10-12.

Family Life: I have a mother, father and an older sister. My mom chose to be a housewife from when I was in grade 1 because my sport was very demanding and lots of travelling took place. My dad owns a technical company. I got married to my husband in 2021 and we have a beautiful, vibrant and very busy little girl Hazel Grace. I see my dogs as my four legged children. I have a Boston terrier and a French bull dog. We are blessed to live on a small holding allowing us to have chickens and turkeys which are also part of the family.

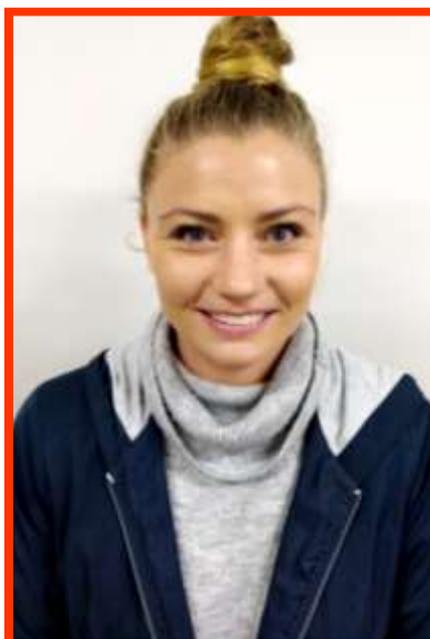

Career Life: I chose the field of teaching because I enjoy working with children and coaching sport. It's the best of both worlds. I have been a teacher at Sunridge Primary School for 5 years and prior to teaching at Sunridge I tutored at Kip McGrath education centre in Lorraine and ran the centre.

Accomplishments: I obtained my SA colours for double mini, tumbling, trampoline and artistic gymnastics. I achieved my EP colours for Sports aerobics and water polo u19A. I represented South Africa in CrossFit in 2018 in Spain with a team. I cum Laude my degree in Bed (Intermediate and Senior Phase). My biggest accomplishment is becoming a MOM! Nothing and no one can prepare you for that!

Interesting facts about yourself: I enjoy keeping fit and hate salad. I always make a success out of something I put my mind to and I am very competitive.

Please answer the following questions:

- 6. What was the worst punishment you received in school?** I received 6 hours detention in grade 10 for dying my hair back to its original colour.
- 7. What, or who, are you a secret fan of?** Not a secret, but I am a super fan of my mom. She is a superhero in my eyes.
