Dear Parents

During the test series, we limited extramural activities to the best of our ability. There are, however, still a few ongoing events and on Saturday our u/9A, u/ 11A and u/13A rugby teams will play in the EP Super Series Final. All three teams will be defending their 2023 titles and we wish them the best of luck. Irrespective of the outcome we are proud of the boys and what they have achieved.

The EP Super Series Final on Saturday is being hosted by EPPSRA at Framesby high school and we again request that parents, players and coaches respect the match officials and the game by refraining from any unwanted comments or behavior before, during or after the match. Let us please keep to the high moral ground as we did in the semi-finals here at Sunridge. Our netball girls had great fun playing against the staff and the positive spirit in which the game was played was wonderful.

Learners have once again been caught taking photos with their cell phones during school hours etc. It is clear that the boundaries are being tested and while we do not wish to exercise our legal right to search learners, we may soon be forced to do so. Please ensure that your child does not bring a cell phone to school. In the event of an emergency we have enough resources to call parents and the child need only ask for assistance.

Summer is slowly approaching and the last of the cold weather should soon be something of the past - although it has been bitterly cold this week. We once again recommend that children drink enough water throughout the school day. They can make use of our purified water fountains or buy bottled water at the tuck shop. Please remember that we do not allow glass bottles at school.

**There is currently a big uproar in the media about the so called 'buying of players' through bursaries and other means. As** previously mentioned, Sunridge does not engage in these practices. We do not make offers or lure players - our academic and extramural results speak for themselves. Learners join us and leave by choice.

When a vacancy (space) becomes available we welcome any learner willing to accept our way of doing things, our rules and our code of conduct. We provide a service to the best of our ability and within our policies. We are a fee paying school and this is how we move forward, improve and maintain our facilities and service.

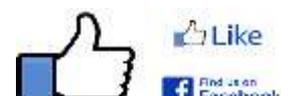

**We have a competent and supportive School Governing Body which governs and serves our school from the "boardroom"** and allows the management team to manage. We incorporate a private Grade R and pre Grade R service with competent, **positive and supportive service providers to responsibly manage our school's future. Feedback from high schools clearly** shows that we offer a service above the norm and that our learners are well prepared. Please remember that it takes seven (7) years to prepare a child for high school. Their results in the early years in the classroom and on the sport field are only building blocks and an investment in their foundation and future.

Geagte Ouers

**Ons het buitemuurse aktiwiteite na die beste van ons vermoë beperk gedurende die toetsreeks. Daar is egter 'n paar aktiwiteite wat voortgaan – onder andere speel ons O/9A-, O/11A- en O/13A-rugbyspanne eerskomende Saterdag in die OP Superreeks-eindstryd. Al drie spanne sal hul titels van 2023 verdedig en ons beste wense vergesel hulle. Ongeag die uitkoms, is ons trots op ons seuns se prestasies.**

Met die OP Superreeks-eindstryd wat Saterdag deur OPPSRV by Framesby aangebied word, versoek ons weereens dat ouers, spelers en afrigters die wedstrydbeamptes en die wedstryd respekteer deur hulle te weerhou van ongewenste aanmerkings en gedrag voor, gedurende en ná die wedstryd. Kom ons handhaaf die stilswye soos ons gedoen het gedurende die halfeindstryde wat by Sunridge plaasgevind het. Ons netbalmeisies het heerlike pret gehad met hul wedstryde teen die personeel en 'n wonderlike positiewe gees het geheers.

**Leerlinge is weereens betrap waar hulle gedurende skoolure met hul selfone foto's neem, ens. Dit is duidelik dat die grense getoets word en, hoewel ons nie ons wetlike reg wil uitoefen om leerlinge te deursoek nie, sal ons binnekort dalk verplig word om dit te doen. Maak asseblief seker dat u kind nie 'n selfoon skool toe bring nie. Ons is heeltemal in staat om ouers gedurende 'n noodgeval te kontak en die kind moet net om hulp vra.**

Die somer kom stadig nader en binnekort sal die laaste koue dae waarskynlik iets van die verlede wees. Hierdie week is dit egter nog bitter koud en ons wil weereens aanbeveel dat kinders gedurende die skooldag genoeg water drink. Kinders kan van ons waterfonteine met gesuiwerde water gebruik maak of bottelwater by die snoepie koop. Onthou asseblief dat ons nie glasbottels by die skool toelaat nie.

**Daar is tans 'n groot bohaai in die media aangaande die sogenaamde “koop van spelers” d.m.v. beurse en ander metodes.** Soos voorheen genoem, neem Sunridge nie aan hierdie praktyke deel nie. Ons maak nie aanbiedings of lok spelers nie – ons uitslae op akademiese en buitemuurse gebied spreek vanself. Leerlinge sluit by ons aan en verlaat ons uit eie keuse.

**Met 'n vakature (ruimte) wat beskikbaar word, verwelkom ons enige leerling wat bereid is om ons manier van doen, ons reëls en ons gedragskode te aanvaar. Ons lewer graag 'n diens na die beste van ons vermoë en binne ons beleide. Ons is 'n skool wat skoolfonds hef en dit is hoe ons vorentoe beweeg en ons geriewe en diens verbeter en onderhou.**

**Ons het 'n bekwame en ondersteunende Skoolbeheerliggaam, wat ons skool uit die “raadsaal” beheer en dien en die bestuurspan toelaat om te bestuur. Ons inkorporeer 'n private Graad R- en pre Graad R-diens met bekwame, positiewe en ondersteunende diensverskaffers om ons skool se toekoms verantwoordelik te bestuur. Terugvoer van hoëskole toon duidelik dat ons 'n diens bo die normale bied en dat ons leerlinge deeglik voorbereid is. Onthou asseblief dat dit sewe (7) jaar neem om 'n kind vir hoëskool voor te berei en dat uitslae in die vroeë jare in die klas en op die sportveld slegs bou-blokke is en 'n belegging in die grondslag en toekoms.**
