Dear Parents

BELA BILL

The public meetings in the Eastern Cape will take place at 10:00 on 8 March 2024 in the City Hall, Gqeberha. This is where you can raise your objections and make your voice heard.

Our main objection is the fact that the Bill's intent is to curb the SGB's powers and undermine your rights in the community. The key is that you as parents are paying school fees to ensure quality education in your community. How can we allow the centralization of power to be handed to the Department of Education - a department which due to financial constraints cannot fulfill their current responsibilities.

To allow the Department of Education to decide on the language and admissions at the school is to support their mismanagement to provide quality education - again due to their incompetence and financial constraints. As if this is not enough they also want to control homeschooling without any financial contribution or responsibility.

The ultimate financial disdain is to use Grade R as a "carrot" to blindside the public as they cannot fund this initiative and while they want to control it, parents will be paying for it.

It is strange that Sunridge does not have any non-teaching staff member paid by the Department of Education yet they expect and prescribe how administration should be done.

In general it is crystal clear that the Bela Bill revolves around finances and making communities pay for the inabilities of the Department.

Social Media

It is sad to see what parents and children are willing to write on this platform. How teachers and fellow learners are bad-mouthed and humiliated, how these posts become allegations and with the approval of some parents. The Principal has warned, many times, against this matter in newsletters. This issue has become out of control and we humbly recommend that parents distance themselves from this.

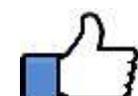

School Fees

Thank you to all parents who have kept to their obligation in this regard - the cornerstone for quality education as we know it will always require school fees to be paid. Our school is faced on a daily basis with load shedding, water interruptions and poor financial and staff provision - **without compromising our children's education. The Principal and his team is focused on** keeping our school running productively and in a positive and uplifting way to ensure a bright future for our children. We are proud of the management of the school and the proactive way they combat the day-to-day service delivery challenges.

BELA-WETGEWING

Die openbare vergaderings in die Oos-Kaap vind om 10:00 op 8 Maart 2024 in die Stadsaal, Gqeberha, plaas. Dit is hier waar u besware kan opper en u stem kan laat hoor.

Ons vernaamste beswaar is die feit dat die wetgewing daarop gemik is om die SBL se magte in te perk en u regte in die gemeenskap te ondermyn. Die kern van die saak is dat u as ouers skoolfooie betaal om gehalte-onderrig in u gemeenskap te verseker. Hoe kan ons toelaat dat die sentralisering van mag aan die Onderwysdepartement oorhandig word – **‘n departement** wat as gevolg van finansiële kwellings nie eers hul huidige verantwoordelikhede kan nakom nie.

Indien ons die Onderwysdepartement toelaat om besluite oor die taal en toelatings by die skool te neem, ondersteun ons hul onvermoë om gehalte-onderrig te verseker – weereens vanweë hul onbekwaamheid en finansiële probleme. Asof dit nie genoeg is nie, wil hulle ook tuisonderrig beheer – sonder enige finansiële bydrae of verantwoordelikheid.

Die vernaamste finansiële minagting is om Gr R as ‘n beloning voor te hou om die publiek ‘n rat voor die oë te draai, want hulle het geen fondse om hierdie inisiatief te ondersteun nie en terwyl hulle dit wil beheer, moet die ouers die gelag betaal.

Dit is vreemd dat Sunridge nie een nie-doserende personeellid het wat deur die Onderwysdepartement betaal word nie, tog verwag hulle om voor te skryf hoe administrasie gedoen moet word.

Dit staan soos ‘n paal bo water dat die Bela-wetgewing eintlik rondom finansies draai, asook om gemeenskappe te laat betaal vir die onvermoë van die Departement.

Sosiale Media

Hoe hartseer om te sien wat ouers en kinders bereid is om op hierdie platform te plaas, hoe onderwysers en medeleerders sleggesê en verneder word, hoe hierdie plasings bewerings word, met die goedkeuring van sommige ouers. Die Skoolhoof het al telkemale oor hierdie saak in nuusbriewe geskryf. Hierdie kwessie is nou buite beheer en ons wil nederig aanbeveel dat ouers hulle hiervan distansieer.

Skoolfooie

Baie dankie aan alle ouers wat hul verpligtinge in hierdie verband nakom, want ons almal weet dat gehalte-onderrig van die **betaling van skoolfooie afhang. Ons skool word op ‘n daaglikse basis deur beurtkrag, wateronderbrekings en powere** finansiële en personeelvoorsiening geteister – maar ons kinders se onderrig sal nie skipbreuk ly nie. Die Skoolhoof en sy span **verseker dat die skool produktief bestuur kan word, op ‘n positiewe en bevoegde wyse, om ‘n blink toekoms vir ons kinders** te verseker. Ons is trots op die bestuur van ons skool en die proaktiewe manier waarop die daaglikse diensleweringsuitdagings die hoof gebied word.

Staff Member: *Mandy Peters*

Early Life: I grew up in Port Elizabeth, I attended Herbert Hurd Primary School and Westering High School. I studied teaching at The University of Port Elizabeth.

Family Life: My partner and I have a wonderful daughter. We also have two dogs and a horse.

Career Life: I started my teaching career at Erica Girls' Primary School. After two years of teaching there I moved to Birmingham in the United Kingdom and taught in a number of primary schools across the Midlands. When I returned to South Africa I lived in Johannesburg where I taught at Norwood Primary School. I returned to Port Elizabeth, taught briefly at St Marks Community School and then at Sunridge Primary. I have been at Sunridge thirteen years this year.

Accomplishments: Being a mom stands out the most. At University I was selected as Biokinetics student of the year. I was also nominated as Supply Teacher of the Year when I was in the United Kingdom. I attained a cum laude in my BA Honours years at University.

Interesting facts about yourself: After my grandmother I was the only daughter born on my dad's side of the family for ten years. I love being active - running and horse riding are two of my passions.

Please answer the following questions:

- 1. What was your favourite TV show when growing up?** I remember Dallas and Friends. J We did not have much of a selection in those years :)
- 2. Do you have any strange phobias?** Any type of reptile and frog freaks me out.
- 3. Are you addicted to any strange hobbies/activities?** Cleaning.
- 4. If you could have any one superpower, which would you choose?** A healer.

- 10. What do you prefer? A. Beach or Bush B. Braai or Pizza C. Winter or Summer D. Movies or Series**

Early Life: I was born and bred in Port Elizabeth, the laatlammetjie of 5 children. I attended Collegiate Junior School and thereafter Collegiate High School. After Matric, I studied B Prim Ed at the University of Port Elizabeth where I graduated in 1998.

Family Life: I am a single mom to two beautiful children, a son, Matthew who is turning 20 this year and a daughter, Ashleigh, 15, who is in Grade 10 at Pearson High School.

Career Life: I started my teaching career in 1999 at a newly established private school in Port Elizabeth where I taught a multigrade class for the first 2 years. I remained at the school until 2013 after which I was offered the position of Principal at the High School. After 4 years in this position, I realised that I really missed teaching and being in the classroom so I handed in my resignation in 2017. I started teaching at Sunridge in 2018 and have never looked back.

Accomplishments: My greatest accomplishment is being a mom to my 2 children and buying my own home.

Interesting facts about yourself: I can play the piano and the flute.

Please answer the following questions:

- 1. What was your favourite TV show when growing up?** Dawson's Creek and Friends
- 2. Do you have any strange phobias?** I am extremely scared of heights and flying.
- 3. Are you addicted to any strange hobbies/activities?** I absolutely love sweeping. My children would probably say that the first thing I would rescue in a fire would be my broom.
- 4. If you could have any one superpower, which would you choose?** To be invisible and to have a perfectly clean house at the snap of a finger.
- 5. What is the first thing you notice about people?** Their hands and eyes.
- 6. What was the worst punishment you received in school?** Saturday Detention
- 7. What, or who, are you a secret fan of?** Nothing that I can think of.
- 8. What are the three things you still want to do in your life?** I would love to go on a cruise, travel overseas to visit my sister and build a remote wooden cabin for myself.
- 9. What is the worst pet you have ever had?** When I was younger, we used to have 3 tortoises, one of which always used to push or roll the other 2 into our swimming pool. Many a day we would have to fish one or the other out of the pool. It's amazing how long a tortoise can remain under water. He really was a crazy creature.
- 10. What do you prefer?** **A.** Beach or **Bush** **B.** Braai or Pizza **C.** Winter or Summer **D.** Movies or **Series**
